Data Protection

The Charity Commission is a Data Controller as defined by the Data Protection Act 1998 and holds personal data for the purposes of maintaining the Register of Charities and certain other statutory functions as assigned by Parliament. The Charity Commission complies with the Data Protection principles set out in the Data Protection Act 1998 in relation to personal data which is supplied to us via the Annual Return, our website and through the performance of its statutory role as a regulator of charities, to the extent that the Act requires us to do so. These principles restrict the powers of a data controller to disclose third parties' personal data which it is processing.
