☞ News of BK Dawn Griggs from Australia ☞

Dear Brothers and Sisters,

Greetings of love from the holy land!

On Tuesday, 16th March, Baba's child Dawn Griggs, on her way to Madhuban from Australia, met with an unfortunate situation. Leaving the airport, probably the taxi driver met up with others and Dawn was killed most likely in the course of a robbery.

Dawn had been Baba's child for 20 years and during the last several years had been involved in the field of education, both lokik and alokik. She had been a very sweet, serviceable child and our thoughts of Baba's light and love must be reaching her.

The news reached Madhuban on Wednesday, 17th, and by Thursday 18th, there was more information. The Dadis, Dr. Nirmala, Madhuban Niwasis and the international family all had yoga for that soul on Thursday evening.

This scene cautions us for the need of care and attention to practical systems of physical safety at a time when violence is increasing globally.

It is definitely not advisable to travel before 4 a.m. from the airport anywhere, especially if you are travelling alone. More specific information will be sent before the next season, since most pilgrims are now already here.

Thank you for your attention to this.

In Baba's loving remembrance,
BK Jayanti (from Madhuban)
