

**Avyakt BapDada's divine message after the Peace Festival
at the Delhi Nehru Stadium - 8th December 2003 (via Dadi Gulzar)
Om Shanti Retreat Centre**

Today, as soon as I reached the subtle region, what did I see? Usually Baba comes and meets me as soon as I arrive. Today, Baba had with Him a picture of us Shaktis, just as in the picture of the tree, on one side, there is Mama and the senior Dadis standing there. I saw that our Dadis and other sisters were standing there like the Shaktis in the picture. Baba was behind them. Baba spread His arms out from the back and it was as though Baba's arms came on the forehead of both Dadis, who became a garland around His neck. Both these scenes were very good. After that, Baba said: Child, look Baba is the Backbone of you children. So, as the Backbone, Baba is placing you Shaktis in front in a practical way, that you made a poster for the function with a picture of the three Dadis and put up those posters everywhere, is also a sign that the Shaktis are being revealed. Then, these Shaktis will reveal Shiva. You had the function just now and news of this was printed in the papers. These three Dadis are in the hearts of the whole Brahmin family. Similarly, Baba said: At present, Dadis have been revealed as the Shaktis, but as you progress further, all the Shaktis are going to be revealed very soon. The first curtain has opened now. The last curtain is of the revelation of the Father. Then, everyone will say: Oho Prabhu! So, the revelation of Shiva will only take place after the revelation of the Shaktis. It is these Shaktis who will reveal Shiv Baba. Son shows Father. First, the Father glorified the name of the Shaktis, and now the Shaktis will glorify Shiv Baba's name, they will reveal Him. So, Baba told us the secret of this picture and said: Now, you Shaktis should create a very powerful thought to give subtle sakaash and power. And the Shaktis should use their powers, and not keep them incognito. All of you Shaktis should spread that atmosphere through your own powers. Just as in the beginning, people used to have visions of Brahma Baba whilst sitting at home, in the same way, as the time is close, you Shaktis should also have such power that visions of the Shaktis begin. Only then will Shiv Baba be revealed through you Shaktis.

After that, Baba asked news about Delhi and I said to Baba: From everyone's lips, the only sound emerging is: Very good! Very good! Baba said: First of all I am congratulating all the students of Delhi who were co-operative in doing every type of service, including distributing leaflets. I am welcoming them. Together with that, Baba also gave love and remembrance to all the servers that have come and also welcomed them and said: Give all the children who have come, love and remembrance for coming to their own kingdom. Receiving such love and remembrance, I came back to the corporeal world.
