

**This year, stay in your self-respect, give regard and co-operate  
with everyone and make them powerful.**

Today, BapDada, the Bestower of Fortune, is seeing the three lines of fortune on the forehead of each of His children everywhere. One is the line of fortune of Godly sustenance. The second is the line of the fortune of the elevated teachings of the true Teacher. The third is the sparkling line of shrimat. All three lines are sparkling very well in the centre of the forehead of all the children everywhere. All of you are also seeing your lines of all three types of fortune, are you not? Since the Bestower of Fortune is the Father of you children, then, apart from you, could anyone else have such elevated fortune? BapDada is seeing that there are many millions of souls in the world, but out of those millions, this is a family of 600,000. There are so few of you. So you are a handful out of multimillions, are you not? Generally, all these three things - sustenance, study and elevated directions - are essential for every human being in their life. However, there is the difference of day and night between this Godly sustenance and the directions, sustenance and study received from deity souls and human souls. So, your fortune is so elevated; you never even imagined it. However, now, the heart of each one of you sings: I have attained. Have you attained, or do you still have to attain it? What would you say? You have attained, have you not? The Father too is pleased to see the fortune of such children. Children say: Wah, Baba, wah! (It is the wonder of Baba!) And the Father says: Wah, children, wah! (It is the wonder of you children!) Don't just keep this fortune in your awareness, but always remain an embodiment of that awareness. Some children think very good things, but you mustn't become an embodiment of thoughts (sochna swaroop). Become an embodiment of remembrance (smruti swaroop) . An embodiment of remembrance is an embodiment of power (samarth swaroop). An embodiment of thoughts is not an embodiment of power.

BapDada continues to smile on seeing the different games of the children. Some children remain an embodiment of thoughts; they don't always remain an embodiment of remembrance. Sometimes, they are an embodiment of thoughts and at other times they are an embodiment of remembrance. Those who remain embodiments of remembrance are constantly in their *natural* form. Those who remain an embodiment of thoughts have to make effort. This confluence age is not the age of making effort. It is the age for experiencing all attainments. You made effort for 63 births, but now it is the age, that is, the time, to attain the fruit of those efforts.

BapDada was seeing: Did you make any effort to have the awareness of body consciousness? "I am So-and-so. I am So-and-so." Did you make effort for that? That was *natural*, was it not? *Body consciousness* became your *nature*, did it not? It became such a strong *nature* that, even now, at the time of becoming soul conscious, *body consciousness* pulls some children towards itself. You then think, "I am a soul. I am a soul." However, body consciousness has become so *natural* that, even against your conscious wish or when you don't think about it, you repeatedly become body conscious. BapDada says: Now, in your birth of dying alive, let your stage of soul consciousness, the awareness of the soul, also become your *nature* and be just as *natural*. You shouldn't have to make effort, "I am a soul, I am a soul." When a child is born and begins to understand, as he grows older he is given the introduction of who he is and whom he belongs to. What introduction did you Brahmin children receive when you were born? Who are you? The lesson of the soul was made firm for you, was it not? So let this first introduction become your *natural nature*. A *nature* is *natural* and constant. You don't have to make effort to remember it. In the same way, according to the time now, the soul conscious stage of every Brahmin child should be *natural*. Some children do have this stage. They don't have to think about it, they are embodiments of remembrance. You now definitely have to become constantly and naturally an embodiment of remembrance. The *last*, final paper of all Brahmins is this small paper of becoming a conqueror of attachment and an embodiment of remembrance.

So, what will you do this year? Some children ask: What special aim should we have this year? BapDada says: **May you always be soul conscious and an embodiment of remembrance.** You are to attain liberation-in-life anyway, but before you become liberated-in-life, become free from having to labour. This stage will bring the time closer and liberate all your brothers and sisters of the world from sorrow and peacelessness. This stage of yours will open the gates to the land of liberation. So, do you not feel mercy for your brothers and sisters? Souls everywhere are crying out in distress, so your liberation will enable all to receive liberation. Therefore, *check* to what extent you have this *natural* awareness and thereby a powerful form. To become an embodiment of power means all waste will easily end. You will not repeatedly have to make that effort.

Now, this year, because of love for the children, BapDada doesn't want to see any of you children having to labour in any problem. Let the problem end and you become a powerful embodiment of solutions. Is this possible? Is this possible? Dadis, speak! *Teachers*, speak! Is this possible? Pandavas, is this possible? Don't make excuses afterwards: "Because of this, because this happened... If this didn't happen, then this wouldn't have happened." BapDada has already seen many games, very sweet games. No matter what happens, even if the form of the problem is 100 times bigger than the Himalayas, even if the problem comes through your body, mind, another person or the elements of nature, the problems that are external situations are nothing in front of your original stage, and the way to create your original stage is self-respect. Let there be self-respect in a *natural* way. You should not have to remember it; you should not repeatedly have to make that effort. "No, really, I am a spinner of the discus of self-realisation, I am the light of the eyes, I am seated on the heart-throne." I am that. Is anyone else going to be this? Who became this in the previous cycle? Was it someone else who had become this or did you become this? It was you, it is you and you will become this every cycle. This is fixed. BapDada is seeing all the faces. You are all the same ones of the previous cycle. Are you of this cycle or of the many cycles before? You are the same ones of many cycles, are you not? Are you? Those who are the same ones of every cycle, raise your hands. Then it is fixed, is it not? You have received the *pass certificate*, have you not? Or, do you still have to claim it? You have received it, have you not? Have you received it or do you still have to claim it? You received it in the previous cycle, so will you not receive it now? Become an embodiment of this awareness. You have received the *certificate*. There will be a difference between *passing with honours* or simply *passing*, but you are the same ones. You are sure about this, are you not? Or, will you forget it when travelling on the train? Will it fly away when you go on the plane? No.

For instance, this year, you had determination to celebrate Shiv Ratri with a lot of zeal and enthusiasm everywhere, and so you celebrated it, did you not? Through your determination whatever you thought was accomplished, was it not? So what is this a wonder of? Unity and determination. You thought of doing 67 *programmes*, but BapDada saw that many children did more than that number of programmes. This is the sign of a powerful form. It is a practical proof of zeal and enthusiasm. You automatically did this everywhere, did you not? In the same way, all of you together give courage to one another and have the thought: We now definitely have to bring time close. We have to enable souls to receive liberation. However, this will happen when you put your thoughts into practical form by becoming an embodiment of remembrance.

BapDada has heard that those from abroad are going to have a special *sneh-milan* or a *meeting*, and the people of Bharat also have a *meeting*, and so in the *meeting*, don't just make *plans* for service. Make *plans*, but let there be *balance*. Co-operate with one another in such a way that all of you become *master almighty authorities* and continue to fly ahead. Be a bestower and give co-operation. Don't look at the situations, but be co-operative. Stay in your self-respect and become co-operative by giving regard because when you give any soul regard from your heart, it is a very big act of charity. You gave zeal and enthusiasm to a weak soul

and so that was such great charity. You mustn't knock down those who have already fallen, but embrace them - not externally; to embrace means to make them equal to the Father. Give them co-operation.

You have asked what you should do this year, have you not? Simply give regard and maintain your self-respect. Become powerful and make others powerful. Do not engage yourself in wasteful situations. Weak souls are weak anyway, and if you continue to look at their weaknesses, how would you become co-operative? Give co-operation and you will receive blessings. When you are unable to do anything else, the easiest effort of all is to give blessings and receive blessings. Give regard and become praiseworthy. Only those who give regard become worthy of receiving respect from everyone. To the extent that you become worthy of respect now, to that extent you will have a right to the kingdom and become a worthy-of-worship soul. Continue to give, don't think of receiving. To give when you receive is the work of a businessman. You are children of the Bestower. BapDada is pleased to see the service of the children everywhere. All of you have done very good service. However, you now have to move forward, do you not? All of you have done very good service through words. You have also achieved good *results* of serving through the facilities. You ended the complaints of many souls. Together with that, seeing the fast speed of time, BapDada doesn't only want you to serve a few souls, for you are the instruments for bestowing liberation to all souls of the world because you are the Father's companions. So, according to the speed of time, you now have to do three types of service at the same time. **One is your words, then your powerful stage and the third your elevated spiritual vibrations.** Wherever you serve, spread such spiritual *vibrations* that everyone is easily attracted by the influence of the *vibrations*. Look how even in your last birth your non-living images are serving. Do they say anything through words? Their *vibrations* are such that the devotees easily receive the fruit of their devotion. In this way, let the *vibrations* be powerful. Let the rays of all powers spread through the *vibrations* and change the atmosphere. *Vibrations* are such that they make an imprint on your heart. All of you have experienced how long the effect lasts when you have an impression of someone's good or bad *vibrations* in your heart. It lasts for a long time, does it not? It can't be removed even when you want to remove it. When someone's bad *vibrations* have set in your heart, are you able to remove them easily? So, your *vibrations* of the rays of all powers will work like an imprint. Words can be forgotten, but an imprint created by *vibrations* cannot be removed easily. You have experienced this, have you not? You do have this experience, do you not?

BapDada gives multi-multimillion-fold congratulations for the zeal and enthusiasm that Gujarat and Bombay showed. Why? What was your speciality? Why is Baba congratulating you? You continue to hold big *functions*, but why is Baba especially congratulating you? The speciality of both of these was of unity and determination. Where there is unity and determination, instead of one year, one year's work is achieved in one month. Did those from Gujarat and Bombay hear?

**Gujarat:** There are many from Gujarat. It is their turn for serving. There are 4,500 from Gujarat. Congratulations to everyone. First of all, congratulations to you. It isn't congratulations just to the *teachers*. If there weren't your co-operation, what would the teachers do? This is why all the children of Gujarat are being congratulated for the *golden chance* now and also for their service. In the same way, always continue to move forward in self-progress and service. When someone says one thing, the other one accepts it. In this way, constantly continue to move forward with unity and determination. Congratulations! Congratulations! Achcha.

**Mumbai:** Those from Bombay, stand up! (In Shivaji Park in Bombay, a gathering of about 75 to 80 thousand people took place.) Achcha, you have already received congratulations. BapDada is giving many, many blessings from His heart on behalf of the whole Brahmin family and Himself to both places - Gujarat and Bombay (Maharashtra, Bombay, Andhra Pradesh and others). These blessings from the heart will constantly continue to increase zeal and enthusiasm in your heart. Are the Pandavas OK? All of you did

very good service. The programme of hundreds of thousands was successful with everyone's co-operation. Achcha.

**Business Industry Wing:** BapDada is giving a special thought to the *Business Wing* because customers come to businessmen all the time to take something. They themselves don't have to go anywhere. So, whoever comes into contact and relationship with you, do you at least give them a message? Every *businessman* and *industrialist* can have his *business card* printed on which there could be a very good *short slogan* of knowledge. Let it have an *address* and an *invitation* in just a few words. Have all of you printed such *cards*? Those who have printed them, raise your hands. There are so many of you who have not printed these *cards*. *Businessmen* can do service while sitting at home. Then people won't be able to complain that they came to you as customers but were not given a message. Therefore, definitely have these *cards* printed. Print such beautiful *cards* that no one puts them in the *waste paper box*, but keeps them carefully. *Businessmen* know very well how to make a bargain. A good *businessman* is one who doesn't send a customer away without making a deal. So, do you not enable them to make a deal with God? Do you just make them make a deal with clothes and things? *Businessmen* can make many souls co-operative, and from being co-operative they will gradually become yogi. So, each one of you has to make a list of co-operative souls this year. How many souls did each one of you *businessmen* give a message to? How many souls did you make co-operative? How many souls did you make into easy yogi souls? Is this OK? Will you do this? Yes! Dadi tells you to increase the number. Therefore, each and every *businessman* can increase the number. Is this OK? Now BapDada will also see the *result*. Don't think: What would BapDada know? BapDada sees everything. He can see everything while sitting in the subtle region. He won't even need to ask you anything. So, you *businessmen* will perform wonders, will you not? Achcha. It is said to those who do something good: May you have a rose in your mouth. (May what you say become practical.) So, BapDada says: Let there be a gulab jamun in the mouth of every *businessmen*. Do you have this in your mouth? Achcha. OK, sit down.

**Sports Wing:** Fun and games are also definitely needed. What games do you make them play? Do you just watch the games or even make them play the games? Everyone watches games. Nowadays, everyone remains so engrossed in watching games. BapDada knows. Achcha, this is also very essential, because nowadays, souls have a lot of *tension*, and so there has to be some fun and games. BapDada has heard that a child abroad has invented a very good game for the children. Who made it? BapDada received this news and He liked it. Show it to everyone. Seeing this one's *invention*, the fun and games *department* should also create an *invention* in which there can be games and also knowledge. Even when you give the *course*, let it be in the form of a game. It is a good *invention*. Congratulations. Therefore, now create an entertaining programme. Everyone has heard many lectures, but now invent something new so that people come even against their wish, and your brothers and sisters awaken. It is good that you continue to make *plans* and have *meetings*. BapDada likes this *plan* of the children. So this year, you also make something. BapDada remembers that in the melas of the early days, you used to have such things that people would automatically send others to go and see them. Therefore, now create such *inventions*. Is this OK? Shashiben is in charge of this department, and she is clever. She will do it. Achcha. Congratulations!

**Education Wing:** Importance is given to *education* and this is why the *Government* also takes an interest in education. And so all of you have had *programmes* and are also having *programmes* on *education*. However, continue with them even more. Many souls can emerge through this wing. Achcha.

**125 people from abroad have come especially for the meetings:** So what wonders will you perform? What splendour will you show when so many of you long-lost and now-found *serviceable* children of BapDada get together? You will do something new, will you not? It is good. All of you together create a powerful programme. Do not make ordinary *plans*, but make powerful *plans*. First, everyone should

become as powerful as a volcano. You should become this. Be as powerful as a volcano in your stage, and in service. Create such an *invention* that it becomes a *short cut* because, according to the time nowadays, the biggest problem for people is to make time. Therefore, create some such *plan*. From your attitude, drishti and *vibrations*, they should understand that they could receive something here in a short time. Make a *plan* of serving like a magnet. Even if someone wants to move away, he would be unable to do so from a magnet. He would be pulled close from a distance. So create such new *plans*. You are double-foreigners. And your instruments are Dadis and Didis. Your Dadis and Didis are all clever. Pandavas are no less. Look, 5 Pandavas are standing here. So, what did the five Pandavas do? They completely destroyed the unlimited army. So the Pandavas are no less. Each Pandava is great. So you will perform wonders, will you not? You can create them in any way you want. Whether it is through your attitude, your drishti or your determination, make a *plan*. Dadis, Didis, is this OK? The *double foreigners* are no less than the *teachers* of India. There are many of you, and so the wonders are already accomplished. It is good. First create the *plans*, and the *meeting* that takes place in India will stud those *plans* with jewels. You create the outline and those in the *meeting* from India will then decorate them with jewels and diamonds. You will decorate them, will you not? Will you do this in the *meeting*? Congratulations! BapDada is pleased to see all the children from abroad physically in front of Him, how so many abroad are now ready. Everyone likes this a lot. There is happiness. Did all of you see how many teachers are ready? These are the special teachers, the others are many more. So, seeing the *double-foreign* serviceable children, BapDada is very, very, very, very pleased. They think: Why should we clap? Others should clap, should they not? You will give congratulations, will you not? You did well. You can applaud as much as you want.

**Double foreigners have come from 76 countries.** There was also the Kumars Retreat . The kumars have applied a good symbol. Has the Youth Group created a new *plan*? Or, are you still thinking about it? You too claim the *world cup* of the Brahmin world from the Brahmin family. Those from Delhi have not made any *plans* of *programmes* for the *Youth*. Those from Delhi, stand up! Those from Delhi have to gather all the kumars and Youth from the world, select them and enable them to receive the *world cup* from the Brahmin world. You are going to do this, are you not? You have courage, do you not? Make *plans*. You can do this. The *Prime Minister* and the *President* are in *favour* of the *youth*. Now, in the world, according to the present time, there aren't just *cricket* games, but another game is also taking place. On one side is upheaval and on the other side is stability. So there is *full force* on both sides. There is the *force* of those in upheaval and also the *force* of those who have the unshakeable stage. Therefore, according to the present atmosphere, you can take benefit. Make a *plan*. You will have a *meeting* for this, will you not? Make plans in that. Those from Delhi, very good. *Youth*, think about this. You must also make *plans*. Begin to relate them and let those from Delhi also begin to make *plans*. Show wonders. Victory is yours anyway. Achcha.

**Kumaris in training have come from Ahmedabad:** What are you kumaris thinking? Kumaris are very *lucky*. As soon as you *surrender*, you are called Didi. And look, you have such fortune, that by becoming a *teacher*, you receive a chance to read BapDada's murli. You receive the gaddi of the guru. BapDada calls the teachers: Gurubhai (those next in line to become a guru, one who is equal to the guru). So you will become like that, will you not? Are you still in *training*, or have you finished your training? You have completed it. You are now living at the *centres*. Congratulations. Look, become such teachers that everyone says: A teacher should be like this one - a selfless, server *teacher*. There are many *teachers*, but you become a *teacher* who is a selfless server. Humble and easy-natured. You will become like this, will you not? It is good. You have zeal and enthusiasm. It is not that you will become successful, you are already are. Achcha.

Now, become stable in the stage of the sun of knowledge in a *second* and spread the rays of all powers to all the souls who are in fear and upheaval. They are very afraid. Give them power. Spread *vibrations*. Achcha.

BapDada has received many letters and e-mails from all the children everywhere. Each one says: Give my remembrance to Baba. Give my remembrance to Baba. BapDada says: The love and remembrance of every loving child has reached BapDada. Even whilst sitting at a distance, you are seated in BapDada's heart. So, all of you who have said: Give my remembrance, give my remembrance, that has reached Baba. This love of the children and the love of the Father is making you children fly. Achcha.

To all the extremely fortunate children everywhere, to the handful of special souls out of multimillions, to the *serviceable* children who constantly stay in their self-respect and give regard to others, to the souls who are always an embodiment of remembrance and thereby an embodiment of power, to the children who are an embodiment of all powers and are always seated on the unshakeable and immovable seat, BapDada's love, remembrance and namaste.

**To Dadiji:** BapDada is especially pleased with you. Why is He pleased? He is especially pleased that just as Father Brahma used to *order* everyone, "You have to do this, and you have to do it now", so you have *followed* Father Brahma in that. (You too are with me.) That is true, but you became an instrument, did you not? You had such determination that there was success everywhere. This is why you are filled with a lot of incognito spiritual power. Your health is fine. You are filled with so much spiritual power that your health is nothing in comparison. It is a wonder, is it not? (Gujarat had a programme. Bombay had another programme. Now, Punjab and Madras are going to have similar programmes of hundreds of thousands.) Calcutta will also do this. (Dadi Nirmala Shanta). You simply sit down on the chair and don't do anything else. Everyone will be co-operative with you. Everyone will make the preparations by themselves. (I will make Baba sit there.) Together with Baba, you also sit there. Both will sit there.

How will BapDada's programme continue next season? It will continue as it has been doing. Meetings with Baba will continue. Now it is the question of just this one year. Next year Baba will tell you about next year.

Seeing the Dadis meet Baba, everyone feels: If I were a Dadi, I would also meet in the same way. You too will become a Dadi. BapDada has created a *plan* in His heart. He has not yet given it to you. So the gathering of those who are the original jewels of service from the time of Brahma Baba's sakar days, has to be made strong. (When will You do this?) When you do it. This is your duty. (To Dadi Janki) You too have this thought in your heart, do you not? Just as the gathering of unity and determination of you Dadis is strong, in the same way, the gathering of the original jewels of service should also be just as strong. There is a great need for this because service has to increase. So the power of the gathering can do whatever it wants. The 5 Pandavas symbolize the memorial of the gathering. They are 5, but they are the symbol of the gathering. Achcha. Those who have been engaged in service at the centres from the time of sakar Brahma's days, stand up. Those who are staying at the centres. There are also brothers in this group. There cannot be salvation without the Pandavas. There are a few here, but there are many more. It is this one's duty (Dadi Janki) to get the gathering together. This one (Dadiji) is the backbone. They are very good jewels. Achcha. Everything is fine. No matter what you continue to do, there is greatness in your gathering. Your fortress is strong.

**Children played Holi with BapDada. They sprinkled one another with a lot of rose water and afterwards BapDada gave all the children remembrance for the festival of Holi.**

All the holy children everywhere are celebrating the festival of Holi in the company of God. You have zeal and enthusiasm. Constantly maintain this festivity and enthusiasm, and every day will become a festival. To stay in enthusiasm means to celebrate a festival. So, all of you have enthusiasm, do you not? So, you are holy and you are celebrating Holi. Always stay in the Holi of the colour of God's company. Achcha.

\*\*\* O M S H A N T I \*\*\*

**Essence:** Sweet children, when a clean sapling becomes covered with the dirt of the 5 vices, corruption increases. You now have to become elevated and make others elevated.

**Question:** What is the elevated direction you receive from Shri Shri Shiv Baba in order to become elevated?

**Answer:** In order to become elevated, you receive the Father's shrimat: Children, remain in My *service* for a minimum of 8 hours. You may do that *Government's service* for 8 hours, but remember Me for 8 hours and spin the discus of self-realisation. Together with that, blow the conch shell and tell everyone: Whilst living at home, remain as pure as a lotus and claim your inheritance from the Father.

**Song:** Who created this game and hid Himself away?

**Om shanti.** Sweetest children heard the song. Initially, you children experienced a lot of happiness in the golden age. You were very intoxicated. There was nothing but happiness. There was just the land of Bharat. There were no other lands. The people of Bharat, the king, queen and subjects, were all in great comfort and very happy. There was never any corruption there. The deities of the golden age were elevated. So much praise is sung of them. There is praise of the king, queen and subjects, of everyone. Then, Maya comes and clings to you. This is the predestined *drama*, which has to be understood very well. No one, apart from the Father, can explain it. The Father alone makes Bharat and the whole world constantly happy and peaceful. He does everything and then hides Himself away. Whose praise is this? That of the Supreme Father, the Supreme Soul. When there was heaven in Bharat, it was the kingdom of deities. It was satopradhan and there was no name or trace of sorrow. Then, after half the cycle, it became the kingdom of Ravan. For the deities of the golden age, it is remembered: They are completely viceless, the most elevated beings who follow the highest code of conduct. There can never be corruption there. They were elevated there. The clean saplings were covered with the dirt of the 5 vices by corruption increasing gradually and everything has now become corrupt. The king, queen and subjects were all elevated and now all of them have become corrupt. They even sing: I am without virtue, I do not have any virtues! They call out: *O God, the Father*, and ask for mercy. They go in front of the images of the deities and ask to be made like them. They don't know the *drama* so they don't know when they can become like them again. You were elevated; there was no mention of corruption. At this time all human beings have become corrupt. No one knows how the king, queen and subjects can all now become elevated from corrupt. This is the impure world. There has to be corruption. The Father now says: Whatever you understand, explains that to others. They sing the Father's praise: He did everything Himself and then hid Himself away. Incorporeal God definitely has to come. They celebrate Shiv Jayanti. You children now know how He comes. Shiva is the Purifier. He has to come when the whole world has become impure. He has to come and make everyone pure. He would not make just two to four people pure. The king, queen and subjects were all pure and now, the king, queen and subjects are all impure. There are no kings or queens now. You know that there were royal people, but now there are no kingdoms. When there was the *British Raj*, wealthy people and landowners used to give them money. When someone gave 20 to 30 thousand, he would receive a *title*. Baba is experienced. Shiv Baba has chosen an experienced chariot. He would not take just any old chariot. Great kings keep *first-class* horses. Some of the animals are also very good. For instance, some camels are very good. When you sit on them, it feels like an *aeroplane* moving. Some are such that you have to beat them a lot. Truly this Bharat was heaven 5000 years ago. This is very well-known. Christians also say that 3000 years before Christ there was heaven. Therefore, truly this makes the cycle 5000 years. They themselves show the duration of the cycle but still they say that the golden age is hundreds of thousands of years long. Baba explains such *points* that you have to imbibe and then explain to others. However, you don't explain them. You children now know that you truly were elevated. The king, queen and subjects were all elevated. Lion and lamb would to drink water together (from the same river). There were no devils there such as Kans, Jarasandha, Hirnakashpa, etc. They have shown Hirnakashpa etc. in the golden age and Krishna in the copper age. They show Ravan in the silver age. They have given all the devils different names. Kumbhakarna etc. is also the name of a devil. It is

now the devilish kingdom, that is, they are those who are following devilish dictates. The Father now comes and gives you shrimat. It is not that Krishna comes. You are now Brahmins and are becoming deities. The Supreme Father, the Supreme Soul, establishes the Brahmin, deity and warrior religions through the lotus mouth of Brahma. There is no other religion there. There was no other religion established in the golden or silver age. The duration of both *ages* is the same, 1250 years. In the golden age there is the deity kingdom and in the silver age there is the warrior religion. The sun and moon dynasties. Who established the sun and moon dynasty kingdoms? Would you say that Rama established the moon-dynasty kingdom and that Lakshmi and Narayan established the sun-dynasty kingdom? No. It was the Supreme Father, the Supreme Soul, who established both kingdoms. The Father is the Creator of heaven. He created the kingdom of the golden and silver ages. It is remembered that the Supreme Father, the Supreme Soul, created the Brahmin, deity and warrior religions through the mouth of Brahma. The Father says: This knowledge I am telling you will disappear. People don't forget the name, form, place and time of those who established the Islamic and Buddhist religions etc. Everyone knows them. Everyone will forget all the knowledge of how I establish the deity religion. So many religions are then established in the copper age. In just the Islamic and Buddhist religions, there are now so many branches. They fight amongst themselves so much. You now know how Baba does everything and then hides Himself away. Maya then comes and clings to those who were the deities in heaven. They have become completely without virtue. People sing: I am without virtue, I do not have any virtue. This is why they worship the virtuous deities. Great kings have temples in their palaces. They worship them. There wouldn't be a single king who didn't have such a temple. You children know that you now have to follow Shiv Baba's shrimat. You have to take shrimat at every step for only then will you become like those deities. However, you don't follow shrimat. Baba says: If you are confused about anything, just write a letter and ask Baba. Remember the Father. Maya is such that she doesn't allow you to remember the Supreme Father, the Supreme Soul, who establishes heaven. Baba knows that many storms will come. However, you should write a letter and ask what you should do in such a situation. It is your son's wedding, so what should you do? Someone has died, what should you do? Directions have to be taken. If you want to become elevated, follow shrimat. There cannot be the directions of Krishna. How could Krishna come in the impure world? The Krishna soul himself is studying Raja Yoga in his last birth. Is there just the soul of Krishna? All those of the deity clan have become Brahmins. You have to follow shrimat at every step. The Father says: As much as possible, continue to remember the Father. You have a huge burden of sin. Some of you may be working with the *Government* and have to do 8 hours of that *service*. For the rest of the time, stay in remembrance. Do My *service* for at least 8 hours. Remember the Father. Spin the discus of self-realisation. Blow the conch shell. Which one? Tell everyone: Whilst living at home, live like a lotus and claim your inheritance from the Father. The Father is creating heaven and so you should receive the inheritance of heaven. It is only Bharat that becomes the master of heaven. It is now the master of hell. When people are unhappy in hell, they remember the Father, but they don't know what the Father will give them. They say of the Father, that He is omnipresent and that He is in the pebbles and stones. The Father says: You have made such a big mistake. However, this too is fixed in the *drama*. Now leave that. You have become tired of doing bhakti etc. Bhakti has now become adulterated. Death is just ahead of you and so you should follow shrimat. However children forget such a Father. No one knows how the kingdom of Maya, Ravan, continues. They burn an effigy of Ravan. That system was created later. They burn an effigy of Ravan, but he continues to get bigger every year. They used to make his effigy 10 feet tall, then they made it 15 feet, and then 50 feet. They make it as high as the roof. They also make very large images of Buddha. However, human beings cannot be that tall. At the most, human beings would be 6 ft tall. Lakshmi and Narayan would also be just about that tall. It isn't that because they have a longer life-span there, they grow taller. No. Human beings are human beings. Just as you now see all the different *varieties*, there are all types. In Bharat too, there are those who are beautiful and there are those who are ugly. It is Baba who makes everyone beautiful. He is the beautiful Traveller. He is speaking to you. You should not forget Him. You may forget this one (the corporeal one). Always think that Baba is making all of you brides into beautiful princesses. It is said that

by taking a dip in a particular lake, human beings change into angels. You now understand that you become the angels of knowledge through the Ocean of Knowledge. You are now the angels of hell. No matter how much *fashion* they follow, how much *powder* etc. they put on they would still be in hell. Ask anyone whether this is heaven or hell. They say that for the wealthy this is heaven. They don't know heaven or hell. So you should be concerned about shrimat. They don't even know about shrimat. They have made the name and form of the One who made you so elevated disappear. They sing: You are the Mother and Father and we are Your children. You now know who the mother is. Surely, the one the Father enters and through whom He creates creation would be called the mother. Here, you understand that you are the mouth-born creation of Prajapita Brahma. You are the grandsons and granddaughters of Shiv Baba. So there is also the name of the Father. The father, the agent is definitely needed in between, so that you can be called the grandsons and granddaughters and claim your inheritance from the Grandfather. Therefore, this one is the agent. You cannot receive an inheritance from him. He too has to claim his inheritance from Shiv Baba. You have to follow Shiv Baba's directions. You receive an inheritance from Shiv Baba through Brahma. However, Baba says: You also have to forget this one. You have to take directions from Shiv Baba. People celebrate Shiv Jayanti, but they don't know anything at all. They have removed the memorial of the Father who created heaven and instead, they have the memorial of the one who created hell. Everything becomes more corrupt day by day. If you get angry, you should understand that there is the evil spirit of anger in you, so how could you be called elevated? You definitely have to make effort to become elevated. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

#### Essence for dharna:

1. With the remembrance of the Father and the knowledge of the Ocean of Knowledge, become a beautiful angel of knowledge. You definitely have to take Shiv Baba's directions at every step.
2. In order to become elevated, remove the evil spirits inside you. Don't perform any actions that would corrupt you.

**Blessing:** May you be seated on BapDada's heart throne by being surrendered whilst living at home and still have deep concern for service.

With the co-operation of children who live at home and are surrendered, the tree of service becomes fruitful. Their co-operation becomes water for the tree. When a tree is watered, it gives good fruit. In the same way, with the co-operation of elevated, co-operative souls, the tree becomes fruitful. Those who remain constantly concerned about service in this way, those who remain surrendered whilst living at home, become seated on BapDada's heart-throne.

**Slogan:** Learn the method of changing or putting a *break* to your thoughts in the minimum time and the power of your intellect cannot go to waste.

\*\*\* O M S H A N T I \*\*\*

**Essence:** Sweet children, do not be influenced by Maya and thereby act against God's directions. Never have the Father defamed.

**Question:** How is Maya also the Father's helper?

**Answer:** When she sees that someone is disobeying shrimat and doesn't listen to the Father, when someone is not following shrimat, she eats them raw, she slaps them. A sensible person is one who, with remembrance of the Father, recognises Maya and doesn't become influenced by her.

**Song:** The heart says thanks to the One who has given it support...

**Om shanti.** Whose praise did you children hear? That of the Supreme Father, the Supreme Soul. You children know that you now have to remember such a Father and claim your inheritance of heaven from Him. The Father's orders are: Constantly remember Me and consider yourself to be His child in the form of a soul. This is your destination. The Father's residence is now only Madhuban. So how can you receive an inheritance from the Father? The more you remember the Father, the more your sins continue to be cut away, and those who continue to remember the Father's inheritance continue to accumulate treasures in their account. This is a type of business that the Father teaches you. You have to remember such a Father constantly. If you don't remember Him, Maya throws stones at you. Maya is no less. No matter how much some say they are Baba's child and how much they continue to do subtle or physical *service*, if they don't know how to have yoga with the Father, they wouldn't be called worthy children. The Father never gets angry with anyone. He never looks at anyone with any other vision, but when He sees someone's activity is such, He understands that that person is under devilish dictates. Maya completely finishes such souls with just one punch and then they cause so many obstacles. The sin then accumulated by that person is more than that of someone without knowledge. Some stay close and yet they don't recognise Baba at all. The Father says: That too is fixed in the drama - that they don't hear even whilst listening. So, what can Baba do? Nowadays, no matter how many blessings you give to human beings or how much you love them, they make themselves Bhasmasur (devil who burnt himself), whilst just sitting there doing nothing. In fact, there is the difference of day and night between the Godly community and the devilish community. No one in this world has yoga with the Father. The Father then comes and makes such children belong to the Godly community. Amongst you also, some belong to God and follow His directions, whereas those who don't follow His directions become Bhasmasur and burn and die. You are becoming deities, the masters of heaven, by following the God's directions, whereas others, instead of going to heaven, sit on the pyre of lust and burn themselves. Baba uplifts you children with such yukti. However, Maya is such that she attacks you in such a way that you become instruments for defaming the Father. Sensible children follow the Father's shrimat at every step. The first order of the Father's is: Remember Me, your parlolik Father so that you can be reformed. The daughter Maya eats raw those who don't have yoga with the Father and who don't follow shrimat. Maya is called the daughter because she helps. The Father has come from the supreme abode to teach you children and make you Narayan from ordinary children, and yet you become disobedient to such a Father. As soon as you go outside, Maya slaps you in such a way that then there is mercy. In some cases, the poor mothers and daughters are in bondage. If there is the slightest intoxication of lust, you fall. Poor innocent weak mothers are assaulted so much. They are tied in bondage so much. The sins of all of that are accumulated by those people. They experience severe punishment, don't even ask! Maya knows who are the children of the previous cycle who conquered her and took Baba's side. She too is clever. When she sees that you are disobeying the Father, she puts a lock on you. The Father knows that you innocent, weak mothers and kumaris benefit Bharat. The Father is very much concerned about the mothers. You children should also be concerned about the mothers. You should not have your own arrogance. The Father Himself says: Salutations to the mothers. You have to be very cautious and not have any *dirty* activity. Check that you are not performing any wrong actions. The Father says: Claim your inheritance from the Father. You have come here to become deities. There are definitely going to be many obstacles in the establishment of a religion. At the time of Christ, many such people emerged who defamed him. The devilish community killed him; they didn't recognise him. Now *churches* etc. are built to him, but there is no benefit through that. They belong to Maya and become tamopradhan. No matter where they go,

they don't find anything. Day by day, they continue to become even more unhappy and tamopradhan. For instance, when they go to Guru Nanak, what would they receive from him? He would simply say you have to become pure or remain pure. However, they still remain impure. They simply sing devotional songs to him, and so they don't receive anything. Everything has now become a graveyard. They don't know anything about knowledge at all. Maya has made them devilish. Anger is very bad and through it you make yourself Bhasmasur. Then, instead of accumulating, you incur a loss. You come here to make your fortune and you say that you have come to claim your inheritance of heaven from Baba. OK, you have to remember the Father all the time. You have to follow His shrimat. If you don't, you become as you were. Then, you will continue to fall cycle after cycle. You can then never be uplifted. If you make effort now, you can become the most elevated. The Father explains to you so much. It is also written on the *board*: World Spiritual University established by the Supreme Father, the Supreme Soul. You have to claim the inheritance of the kingdom of heaven from Him. If you come here and then leave Baba, others would say: Perhaps it is not God there that you left Him. So many would then have a doubtful intellect. Everyone's sin is then accumulated by that one instrument soul. If you don't follow shrimat, how can you become elevated? You cannot be harmed if you follow shrimat. He is the Father and also Dharamraj. Dharamraj sees what sins you commit. You defame Me. The laws are very strict. However, children don't understand. You raise your hand saying that you will marry Lakshmi or Narayan and yet you perform such actions, don't even ask! As you progress further, this fortress will become such that no impure beings will be able to enter. Now, Maya catches hold of many by their nose. That incorporeal Father has come and taken these eyes on *loan*. He sees which one is a *first-class* child and which one is a thorn. The Father explains: Children, you have to become the masters of heaven. Why are you not making appropriate effort? Baba is the Almighty Authority. He comes to enable you to conquer Maya. He says: Sweet children, have a little fear of punishment. Become obedient by following shrimat. Have mercy for yourself. If you do anything under the influence of Maya, you will become like an evil spirit. A special goddess (Mother Bhawani who invokes the evil spirits) is remembered. Some become her heirs and some become evil spirits. All of you are the goddesses who give everyone the nectar of knowledge. Faithful children receive blessings from their parents. If they are not faithful, it is better that they live somewhere far away peacefully. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

**Essence for dharna:**

1. Be obedient and faithful to the Father and become worthy of receiving blessings. Do not be disobedient in any way.
2. Never perform any wrong actions and thereby cross out your fortune. Do not become Bhasmasur. Have the fear of being punished by Dharamraj.

**Blessing:** May you be a bestower of peace and, as an incarnation of peace, spread rays of peace throughout the world.

Just as a tiny *firefly* gives you the experience of its light from a distance, in the same way, souls of the world and souls who come into contact and relationship with you should feel that they are receiving rays of peace from you special souls. Let their intellect experience that incarnations of peace have come to give them peace. On the basis of the rays of peace, peaceless souls everywhere should be pulled towards the shankti-kund (sacred area of peace). Now experiment with this power of peace.

**Slogan:** Those who pay personal *attention* to themselves first of all become introverted before coming into extroversion.

\*\*\* OM SHANTI \*\*\*

**Essence:** Sweet children, for half a cycle Maya has been harassing you a great deal. You have now come to take refuge with the Father. Become a conqueror of Maya and conqueror of the world by having true love for the Father.

**Question:** What effort does even God have to make at the confluence age?

**Answer:** That of cleaning the dirty clothes, the soul. You children have come to the Father in order to clear your account of sins. As much as you remain soul conscious and remember the Father, to that extent you will become a conqueror of sinful actions. If you connect your intellect's yoga to someone other than the Father, you will become Bhasmasur (demon who burnt himself to death). Therefore, continue to follow shrimat.

**Song:** Salutations to Shiva....

Om shanti. You children have taken support from the Father, that is, you have come to take refuge with the Father. This one is not a lokik father, He is the parlokik Father. Maya has been harassing you for half the cycle. Only you children know that this is the land of sorrow, the devilish world. Every cycle you children come to the Father to take refuge. You have become refugees. Maya has made you extremely unhappy. You children know that Maya has destroyed whatever dignity and honour you had. When human beings experience sorrow, they go and take support from someone. Here, you have been under Maya's refuge for half a cycle. The One whose refuge you have now taken is sitting and explaining to souls. People of the world do not know when they started to become unhappy. You children now understand that you were the flowers of heaven, and that Maya came and made you into thorns. After all, you are human beings, you are not animals. Children say: You are the Mother and Father and we are Your children. We have taken refuge with You; protect us from this Maya, Ravan. Baba is definitely liberating you children from Maya and making you into the masters of heaven. Maya has troubled you a great deal. Devotees remember God only when they are harassed. This is according to the *drama*. Maya becomes the enemy of those who were in heaven. No one knows that Maya has been an enemy for half a cycle. These deep aspects have to be understood. For half the cycle, you have been remembering God to know how you can be liberated from this problem. Baba comes and makes us belong to Him and gives us our inheritance of heaven. At this time, all of you are *refugees*. Nowadays, there are many *refugees*. They go and seek *asylum* or refuge. You understand that Maya has made Bharat very unhappy. When Bharat was heaven the deities were very happy. Even the Europeans know that Bharat is a very ancient land, and that only Bharat existed before they themselves existed. Ancient Bharat was very prosperous and happy, it was called *heaven*. It is a question of five thousand years. That same Bharat is now bankrupt and worth a shell. Who made it like this? Maya, Ravan. For the past half cycle, Bharat has been declining so much that it has become as worthless as a shell. Baba says: Maya has harassed you for half a cycle. You are now asking God for *asylum*. God, come, we will sacrifice ourselves to You. Only the Supreme Father, the Supreme Soul makes Bharat as valuable as a diamond once again. This is why the devotees remember God: O God, come and give us refuge. They also say: Maintain our honour. You are the Merciful One! However, then they say that He is omnipresent! This is known as defamation of religion. You know that Maya has made you fall completely for half a cycle. Baba says: I come every cycle, when the religion and activity of Bharat has become corrupt. People of Bharat don't even know their own religion. This is their fate. Only when it disappears completely does the Father come to establish it again. That religion has now disappeared again. This happens according to the *drama*. It is then that the Father comes and creates heaven through Brahma, and destroys hell through Shankar. It is now time for destruction. You now have a loving intellect, whereas the intellect of everyone else has no love. You have taken refuge with the Almighty Authority, the Supreme Father, the Supreme Soul, in order to gain victory over Maya. You receive easy Raja Yoga and knowledge. Baba says: You have forgotten Me, your Father. Maya made you turn your face turn away from Me, your Father. Baba sits here and gives you teachings through the mouth of Brahma. Because of Maya's influence, such defamatory things have been written. You understand that no one except the Father can teach Raja Yoga. Baba is the Creator of heaven. It is the soul that speaks. Baba makes you soul conscious. It is the soul that carries the sanskars. It is souls that are affected by whatever they do. They

think that the soul is immune to the effect of action and that it is the body that is affected. Because of that, they go and bathe in the Ganges. However, the water of the Ganges cannot absolve sins. This is why Baba says: Forget everyone including your own body. Have the faith that you are a soul and remember Me, the Supreme Father, the Supreme Soul, Shiva. Shiva is incorporeal. Although the birth of Shiva is celebrated, no one knows Him. The Somnath temple (the Lord of Nectar) is very big, but no one knows when He came and how He came, or what He did when He came. He must definitely have had to enter someone's body. The notion of omnipresence has made everyone forget everything. Now Baba says: Follow shrimat. Shiv Baba enters this body and gives you *knowledge*. He has taken this body on *loan*. He has become the Charioteer of this chariot and is giving you knowledge. However, it is not a question of a horse-chariot. This one is also called Bhagirath (the lucky chariot) and Nandigan (Shiva's bull). They say that Bhagirath brought the Ganges, but the Ganges cannot emerge from anyone's head. Therefore, Baba says: You cannot attain Me by studying those Vedas and scriptures etc. I have to come. I have to come in order to give you asylum. People don't know what Ravan is. It is now the kingdom of Ravan. They follow the devilish dictates of Ravan. Now, by following shrimat, you are becoming most elevated of all for 21 births. The devilish dictates begin in the copper age, which is called the *vicious world*. It is Ravan who creates the *vicious world*. Rama, Shiv Baba, establishes the *viceless world*. You heard the song "Salutations to Shiva". It is said: "Salutations to deities Brahma, Vishnu and Shankar". It is not said: "Salutations to the Supreme Soul, Brahma". No. There is only one Supreme Soul, and He is the one Father of all. You are now receiving your inheritance from the Father. This is a school for changing from human beings into deities. This is the *god-fatherly college* where God's words are spoken. The name written on it is: World Spiritual University. The *aim and objective* of becoming Lakshmi from an ordinary woman and Narayan from an ordinary man is also written here. You are once again becoming Narayan from an ordinary man. By following shrimat you become elevated. Therefore, Baba says: Stay awake at night and remember the Father. Baba, we will only remember You. We have to come to You, and then You will send us to heaven. Baba creates heaven through you mothers. You stay in yoga and make Bharat pure. Through the peace of your yoga, Bharat will become peaceful for 21 births. Maya does not exist there and you therefore remain constantly happy. It is because of body consciousness that human beings become unhappy. Baba is now making you soul conscious. Those with divine virtues who existed in the golden age have now become those with devilish traits. You are now once again claiming your inheritance from the Father in order to become the masters of heaven, Shivalaya. This is a *college*. Baba will continue to teach you until destruction takes place, because there is a burden of half the cycle on your head and that has not yet finished. It takes effort. At this time all are sinful souls; there is not a single pure soul. Although they call out: O Purifier, come, they don't realize that this is an impure world. You have now become Brahmins. There are very few of you children of Brahma. You will then become deities from Brahmins, and then warriors. This is the cycle of self-realization. Whilst taking birth and rebirth, we have completed our eighty-four births. These things are not mentioned in the scriptures. The scriptures have been shown in the hands of Brahma. That cannot be the Brahma who is the resident of the subtle region. The name is Prajapita Brahma, the one who is also called Adam. He is the *head* of the whole *genealogical tree*. You know that you are beads of the rosary of Rudra. We souls come from up above. Our place of residence is the supreme abode. Each of you souls has received an eternal *part* of eighty-four births. Impure human beings cannot explain any of these things. Only the Father can make the impure ones pure. He is the One who has mercy on all. No one else can become the *leader* of those who have mercy on all. Only the Father can become this. Baba has great mercy. I come when everyone becomes extremely unhappy. You children serve Bharat with your body, mind and wealth and make it into heaven, just as Gandhi made it independent of the *foreigners*. However, that was like a mirage. Now, Maya too is a *foreigner*. She has been ruling for half a cycle. The Father comes to free you from that. Maya has made you very unhappy. This is why the Father says: I come to *liberate* you. Now follow shrimat, otherwise, Maya will eat you raw. Follow shrimat and become elevated. You are the Shiv Shakti Pandava Army. The Dilwala Temple is your memorial. The Dilwala Temple is an *accurate* memorial of your *practical* form. You become the masters of heaven

through Raja Yoga. Bharat used to be heaven. You have now come to take refuge with the Supreme Father, the Supreme Soul, in order to claim your unlimited inheritance from the Father. The kingdom of deities continues for 21 generations. You have come here in order to become the masters of heaven. Maya made you into Bhasmasur (the demon who burnt himself to death). Baba comes and showers you with the nectar of knowledge. You are given asylum with the Father and then Maya makes you a *traitor*. So many innocent ones are then assaulted. There is now no *sovereignty* here. The Father comes and establishes the *deity sovereignty*. There were emperors and empresses in the golden age. Now there is *no sovereignty*; it is the rule of the people over the people. This is called unrighteousness. Maya establishes the kingdom of unrighteousness and then the Father comes and creates the kingdom of righteousness. Now there is *no religion*. People say that they don't believe in religion. This is why there is no *might* either. Their self-sovereignty is only temporary. They will die fighting and quarrelling amongst themselves. Baba comes and makes you the masters of the land of immortality. The Father talks to souls: Children, you have to become soul conscious. As much as you connect your intellect's yoga with the Father, so your burden of sins will be removed, and you will become conquerors of sinful actions. If you divorce the Father who makes you into masters of heaven, and if you connect your intellect's yoga to someone else, you will become Bhasmasur. You are now sitting here in order to clear the accounts of your actions. There is a great burden of sin on you. The Father says: I come and uplift such sinners as Ajamil. The Father makes you so clean and pure with the nectar of knowledge. In spite of that, whilst following shrimat, some became amazed and then run away. God comes and makes so much effort on the dirty clothes that they tear. This is why the name Ajamil is given. Anyone who comes and belongs to the Father and then divorces Him is a *number-one* Ajamil. No one can be such a sinner as that one. Therefore, you children have to follow shrimat very well. If you stop following shrimat, Maya will eat you up, and you will lose your inheritance every cycle. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

#### Essence for Dharna:

- 1) Serve Bharat with your body, mind and wealth and make it into heaven. *Liberate* it from the enemy, Maya.
- 2) In order to become soul conscious forget everything including your body. Clear all your old karmic accounts with the power of yoga. Become conquerors of sinful actions.

#### Blessing:

May you become an embodiment of success by using the instrument of pure thoughts to experiment with the power of *silence*.

The special instrument for the power of *silence* is pure thoughts. You can see whatever you want and become an embodiment of success by using the instrument of pure thoughts. First of all, experiment with this on yourself. Experiment with this on any physical illness, and then, with the power of silence, whatever karmic bondage you have will change into a sweet relationship. With the power of *silence*, you will experience the suffering of karma, the severe bondage of karma, to be like a line drawn on water. Therefore, use the power of *silence* to experiment on your body, mind and sanskars and thereby become an embodiment of success.

#### Slogan:

Become the lamp of your clan and with the light of your awareness glorify the name of the Brahmin clan.

\*\*\* OM SHANTI \*\*\*

**Essence:** Sweet children, you have to go to your *sweet home*. Therefore, end your accounts of give and take of the old world and settle your karmic accounts. Become conquerors of sinful action with the power of yoga.

**Question:** Why do you children become *lighthouses* and have yoga with the Father?

**Answer:** Because you have to take everyone across the salty *channel* of this hell. You sit in yoga in order to go to the land of liberation and the land of liberation-in-life and give everyone a *searchlight*. You are also spiritual guides. You have to show everyone the way to your *sweet home*. Give everyone the wings of knowledge and yoga.

**Song:** Oh Beloved, come and meet me...

**Om shanti.** It has been explained to you children that when the night becomes totally dark, the Beloved of you lovers comes, that is, the Bridegroom of you brides comes. Why are you called brides? Because when souls are with these bodies, they are brides. Brides remember their bodiless Bridegroom. The Father says: O children, you know that the Supreme Father, the Supreme Soul, comes from the supreme abode, enters this body and teaches you. He tells you deep things. The Father has explained: Children, consider yourself to be bodiless. I am a soul. This is my body. The soul has developed the faith that it is now extremely dark, that the world is tamopradhan. This world is now to be destroyed. The Father has come to take us back. By going back in the bodiless stage, there will be dead silence. When a soul becomes bodiless, there is dead silence in that home. At night, the soul is in the body, but the soul is tired and therefore becomes bodiless. It doesn't have awareness of the body, and that is called sleep. You children have to sit here and consider yourselves to be bodiless. So there will then be the peace of dead silence. You will understand that you are sitting here bodiless. When even one person goes away from the home, there is such silence without that person. So, when all these souls leave, and everyone's body is destroyed, there will be so much dead silence. Millions of people will die. This is your unlimited home. All souls will return home. You know that the Father is the Ocean of Knowledge. If He were to be omnipresent, everyone would be the Ocean of Knowledge and the Purifier. However, it is not like that. The Father sits here and speaks to you children. Just as I, the Supreme Soul, am a *Star*, so you too are *stars*. It is just that I don't enter birth and death whereas you have to go into rebirth and play your *part* of 84 births. Just as you are souls, I too am a Soul, but each one's praise is individual. *President* and *Prime Minister*, each has his own *part*. In the same way, *My part* is also different. I am *knowledge-full*. I now give *knowledge* to you children. You know that you are going to Baba's home. Baba has come to take us back. Baba is our *Guide* and *Liberator* and liberates us from sorrow. You are the Pandava Army. You know that we are on a pilgrimage. Our Guide is the Supreme Father, the Supreme Soul, Himself. You too show everyone the path. So, you Brahmins are spiritual guides. Those brahmins are physical guides. You have to ask everyone if they will go on the pilgrimage with you. Ask your friends and relatives: Will you go on this spiritual pilgrimage? For instance, when someone goes on a pilgrimage, he asks all his close family whether they will also go on the pilgrimage with him. Similarly, the Father asks you: Will you go on the pilgrimage? Only the spiritual Guide can teach this spiritual pilgrimage. He alone knows the way to the *sweet home*. Physical guides can become spiritual, but the spiritual Guide cannot become physical. The Father would not tell you to go on physical pilgrimages. You can only become a guide to a place when you have already seen it before. There isn't anyone who has seen the *sweet home* and can take you there. They don't even know the *sweet home*. The wings of the soul have been cut off. Souls can't receive wings until the Father comes. No one can mend them until then. Only through yoga will you receive wings. Everyone has to return. Some become conquerors of sin with the power of yoga and some settle their karmic accounts through punishment. All the karmic accounts of sorrow are to be settled. This too is fixed in the *drama*. When you are in a womb you have a vision of the sins you have committed, and you experience punishment in the womb and then come out. Now, countless people are to die. All have to settle their karmic accounts. By finishing the account of give and take in the old world you are now accumulating your karma for the new world. The Father says: Stay in yoga and your sins will be absolved. Then, by spinning the discus of self-realisation, you will accumulate a lot of wealth. You receive *health* through yoga and *wealth* through knowledge. To

the extent that you remember the Father, accordingly, you will receive a body that is free from disease. The world doesn't know these things. They consider Vishnu to be a spinner of the discus of self-realisation. They have given him the conch-shell, discus, mace and lotus. He doesn't have to blow a conch-shell. You have this conch-shell. You blow it. You say: Manmanabhav, madhyajibhav! It is so easy. You are *lighthouses*. You show everyone the path to the land of liberation and then you will go to the land of liberation-in-life. You have yoga and you give the *searchlight* to take everyone across the salty *channel* of hell. You have to go to the land of liberation. You then give the *searchlight* to go to the land of liberation-in-life. This is the unlimited *drama*, which continues to move like a louse. We are *actors* and we have a *part* of 84 births in this *drama*. No one knows that God came and taught us easy Raja Yoga. God has to come at the confluence age of the cycle. You now know that you met Him at the confluence age of the previous cycle and that you will continue to meet Him. Many children will meet Him. Some children are influenced by bad company and thereby stop studying. Whilst moving along, their heart becomes attached to someone else and the intoxication of the study is lost. There is very good intoxication of study when celibate. Only a few rare ones take up study after marriage. Some *pass* that study very well and others take *time* because by indulging in vice, one is unable to imbibe. A soul imbibes a worldly education or the spiritual education. The sanskars of becoming a *barrister* are in a soul, and so that soul carries those sanskars with himself. That soul then takes birth and studies to become a *barrister* again. You don't need to study to become an *engineer* or a *barrister* there. Your intellect *automatically* remains satopradhan there. You know that, just as you built palaces in the previous cycle, you will begin to build them again in the same way. The *drama* will make you do the same things again that you did in the previous cycle. You won't have to make effort. However, you will have to learn the language. There, you will go to *school* in vimans (small aeroplanes). The houses there are very big. One home will be as big as the *area* of the whole of Abu. Then, there would be another palace in an area of similar size. There is a lot of land there. Even the subjects would have a lot of land; they too would have big palaces. Look how many people there are in Bombay now! Bombay will not remain. There won't be Karachi. Everyone will be living by the banks of the sweet rivers. All the rivers will flow under control. None of them would even dare to overflow. All the elements will be in *order*. You are conquering the elements. You rule even the five elements. They will never cause mischief. Therefore, you have to follow the Father's shrimat. The Father says: Lust is the greatest enemy. Conquer it. Otherwise, you won't receive an inheritance. If you *fail* at this time, you will *fail* every cycle and then you won't receive another *chance*. When a student *fails* in worldly education, he studies again. You won't receive that *chance* here. This is a *chance* of every cycle. The attainment is very high. You have to explain: Sannyasis say that it is *impossible* for both to remain pure. Tell them: No, it is *possible*. Why is it *impossible* for sannyasis? Because theirs is hatha yoga; they renounce their home and family and go away. Then that same Shankaracharya will come. Bharat begins to become impure and so sannyasis come and support it. They receive the fruit of that one's (Shankaracharya's) service in that they become gurus of even the *Government*. The respect for you children is the greatest. No one else can have the income that you have. Even by giving one paisa, poor ones receive a palace. You have visions of the instant fruit through divine vision. The Bestower of divine vision comes and teaches you. How else would you know about your *aim* and *objective*? This is why visions are given to mothers. Meera did so much tapasya, but she was unable to become a master of Paradise. The Father says: I am the One who grants visions. By receiving divine drishti for a *second*, you go and *dance* in Paradise. There is no question of tapasya etc. in this. On the path of bhakti, people have visions after doing a lot of intense bhakti. I hold the key to divine vision in My hand. I don't give it to anyone. On the path of bhakti, I grant visions whilst sitting there (in the home), whereas I make you children the masters of the world. There are many types of people in the world. Some are engrossed in wealth, some are engrossed in *science* and others are engrossed in something else. However, beside you, all of that is *not worth a penny*. Everyone's wealth is to turn to dust. Everything will turn to ashes. Some people's wealth will remain buried underground. Many thieves will also loot it. Each and every one loves those who are the same as themselves. As soon as they see others, they become hot-tempered. Day by day, you will see how so many people will continue to be killed.

People want everyone to go back to their own *birthplace* (country), and so they deport them from their own country. You children claim your inheritance by remembering the Father. You know that you are bodiless souls. You have now completed your *part* of 84 births. There are 5 to 6 billion souls. Baba would not tell you the life-story of each one of them. He would only tell you the story of the main ones. You are the main ones. Your temples have been built. There would be many children of Jagadamba and Jagadpita. There is also the memorial of Paradise. Their living temple is in the golden age. Not all *actors* of heaven can be accommodated in the non-living temples. The temples are just a memorial in the form of a *model*. The temple to Lakshmi and Narayan is so small. In the golden age, the living temple will be so big. There will be so many gardens and parks. The Mughal Gardens are nothing beside those gardens. The fruit etc. there will be so good, don't even ask. There is the difference of day and night. As a tree grows old, it begins to die after bearing fruit. It is then said that the tree has decayed. Everything of this place has to end. Mangoes there will be *first-class*. You are now establishing your kingdom by following *shrimat*. So you have to follow *shrimat*. You also have to become pure. There is nothing difficult about this. By becoming pure in one birth, you will rule a kingdom in heaven for 21 births. Who would be such that they wouldn't become pure and follow *shrimat*? You know that Bharat was the land of truth. There was the true kingdom there. This is now the land of falsehood. People continue to tell lies about everything. They say: So-and-so merged in the light, or went to the land of nirvana. You now know that the land of nirvana is the place of residence. You tell everything accurately. The Father is called the *Truth*. He establishes the land of truth. Devotees remember God for birth after birth, but they don't know God. That Beloved now gives you children your fortune of the kingdom and hides Himself away. This is why it is said: Only You know Your ways and means. Therefore, surely, no one else knows them. Oh God! Only You know Your ways and means. No one else can know them. What happens through *shrimat*? You receive liberation and salvation. Only you know this. The Father is now giving you children *shrimat*: Consider yourself to be a soul and remember Me. Would a *teacher* promise that He would enable the students to sit on the seat of a *barrister*? Students themselves study and sit on the seat of a *barrister*. The Father says: To the extent that you remember Me, accordingly you will be liberated from all your sins through yoga. By remembering Me, it is as though you souls are coming to Me. You also have to keep your *chart*. Some people's *chart* would be of half an hour, and others would have a chart of one and a quarter hours. Some will not have a chart of even 5 minutes. Some have a very good *chart*. You will have visions of this. At *school*, *teachers* and the *students* themselves would understand with how many marks they will get. You cannot be made to sit numberwise here. You would then be disheartened. This is why the rosary cannot be created now. Maya makes even good ones fluctuate. If you don't follow *shrimat*, Maya will punch you. This requires effort. We are all now going to the supreme abode. Our 84 births are complete. Baba has come to take us back. Therefore, you have to remember the Father. You also have to give others this mantra. You don't have to chant any mantras. Gurus give many different types of mantra. The Father says: Remember your Beloved. The Beloved has come to the lovers. Souls of the whole world are the lovers who remember Him. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

#### **Essence for dharna:**

1. Never stop studying because of being influenced by bad company. Do not attach your heart to bodily beings.
2. The way to become liberated from sins is to have remembrance. Therefore, definitely keep a *chart* of remembrance. Promise yourself that you will stay in remembrance.

**Blessing:** May you be worthy of receiving *blessings* and through having *balance*, give a vision of your *blissful* life.

10/04/03

Morning Murli Om Shanti BapDada

Madhuban

*Balance* is the greatest art of all. If you have the *balance* of remembrance and service, you will continue to receive *blessings* from the Father. By having *balance* in everything, you will easily become *number one*. *Balance* will enable you to give souls a vision of your *blissful* life. Whilst constantly being aware of *balance*, continue to experience all attainments and you will continue to move forward and also make other souls move forward.

**Slogan:** A mahavir is someone who makes difficult things easy and changes a mountain into a mustard seed or cotton wool.

\*\*\* O M S H A N T I \*\*\*

**Essence:** Sweet children, do not become someone who defames the name of the clan for any reason. Even if the most difficult situation arises, don't let go of your religion. Always remember the promise you made to the Father.

**Question:** What precaution must you children take at every step?

**Answer:** No matter what the circumstances, you definitely have to fulfil the promise or pledge you have made to the Father. It is essential to take this precaution. After belonging to the Father, do not become Kichak (one with impure vision) and perform wrong actions. If you perform any wrong action, Dharamraj will take full account. Do not follow the dictates of your own mind or of others. Remember shrimat at every step.

**Song:** You are the Mother and You are the Father....

**Om shanti.** God Shiva speaks to His saligram children. Souls are called saligrams. You children know that our Supreme Father is the Supreme Soul whose name is incorporeal Shiva. Businessmen call a *dot* Shiva. Baba has explained to you that a soul is also a *dot* that resides in the centre of the forehead. A wonderful star shines in the centre of the forehead. This refers to the soul. You first have to have this faith: Truly our incorporeal Baba, Shiva is teaching us. Our Father is Shiva. I am a soul. Even if you say, Rudra, He is incorporeal. It is just a different name, but it refers to the same One. He is the Supreme Father, the Supreme Soul, the One who resides beyond, the Seed of the human world tree. He is the Father of all souls. The incorporeal soul speaks through the corporeal body. When you children are personally sitting in front of Baba, you become intoxicated that truly Shiv Baba is teaching you. Baba doesn't have a body of His own. Each soul has a name for his body. The Supreme Soul only has one name. The Father explains: I am incorporeal Shiva. In order to take birth in the human world like you children, I adopt a body. All of you are corporeal whereas it is only at this time that I become corporeal. It is only now that I enter this one and teach you. This one's soul and you souls listen. Only when you imbibe this very well can you have *love* for the Father. However, your faces show that no one has that much *love*. Baba says: Your face should blossom. For instance, when a kumari goes to meet her husband-to-be and puts on her jewellery, her face blossoms. You children are being decorated with knowledge. So the mercury of happiness should rise. Baba does not trap you in any type of corporeal form. All others are body conscious and they continue to trap you in their corporeal bodies. Here, the Father says: Remember Me, the incorporeal Father. O beloved children, o souls, I, the Supreme Soul, teach you through this body of Brahma. How else would I teach you? I definitely need a body to purify you. This is fixed in the *drama*. I cannot come here without a body. When they feed a brahmin priest, they invoke the soul. Nothing happens to the brahmin person. The soul speaks and relates his news. All of that happens according to the *drama*. Whatever is fixed in the *drama* is related. That is called a departed spirit. That *soul* is called a departed spirit that has shed a body and taken another. You children now know that Baba is the Ocean of Knowledge. It is not a question of an ocean of water. People have come into body consciousness and become so ugly. You are now once again becoming soul conscious and becoming beautiful. The soul continues to become *pure*. To the extent that you remember Baba, accordingly your sins will be burnt away through this yoga. Your sins will be absolved. You know how much effort Mama and Baba must be making and yet they too have to settle the suffering of karma. There is the burden of many births still remaining on your head. Those karmic accounts have to be settled by the end, numberwise, according to the effort you make. You children know that there is the rosary of Rudra. There is the rosary of 8, the rosary of 108 and also the rosary of 16,108. There are countless subjects. All of them are part of the rosary of Rudra. All the souls of the whole world are part of the rosary of Rudra. All are the children of the Father. The whole genealogical tree continues to be created. People have a big genealogical tree and then that becomes their *surname*. This is the rosary of Shri Shri Shiv Baba. The Father says: Become soul conscious and remember the Father all the time. If you consider yourself to be a soul and remember the Father your sins will be burnt away. Otherwise, there will have to be a lot of punishment. The Father repeatedly tells you: Children, don't forget Me. However, Maya makes you forget. The Father says: Children, keep your *chart*: For how long do I remember Shiv Baba? Start by remembering Baba for half an hour and then that *practice* will develop. Create such a stage that at the end

you only remember Baba. Only those who stay in such remembrance become the 8 jewels of the rosary of victory. This requires effort. To the extent that someone does something, accordingly, he will receive the reward of it. Sannyasis leave their homes and go away and then come back and stay in palaces. In fact, that isn't the *law*. You receive a lot of happiness there. The Father embraces you and gives you a lot of love: Sweet child, you wish to become the wealthiest of all, and so make such effort for the future. However, the prosperity of the present time is all going to turn to dust. Some people's wealth will remain buried in the dust. When *accidents* take place, there are fires. When *aeroplanes* crash, thieves come and loot everything and run away. Many will die through all the *bombs* that have been created now. The things that happen at this time have been remembered later. All the millionaires etc. are going to be destroyed. America is so wealthy. In this land of death, it is as though America is heaven. However, it is like a mirage. You know and those people themselves know that death is just ahead. There definitely must be God. The Supreme Father, the Supreme Soul, definitely comes to carry out the task of establishment and destruction. He is Karankaravanhar. He carries out the establishment through Brahma. You are now sitting here. Only you children are called Brahmins. You receive your inheritance from your Grandfather. Shrimat has been remembered as the most elevated and so you have to follow it. You have to become deities. The Father says: At this time, each one is Duryodhan or Draupadi. It is related in one story that when Draupadi stayed in someone's home, Kichak (one with impure vision) chased after her. In fact, all are Draupadis. Kumaris and mothers are all Draupadis. When kumaris go on *service*, Kichaks chase them. It is written that Bhima then killed Kichak. Kichak means someone who is very dirty, someone who chases others. Therefore, the Father comes and saves the Draupadis from being stripped. Kumaris have to be looked after very well. The stories of Kichak etc. are of this time. You have to be very cautious of them. If you come to the Father and then become like Kichak, you can't tell what Dharamraj would do to you. Some children have been given visions of that. They experience a lot of punishment. Baba was once asked about this and Baba replied: If you are granted a vision of that, you definitely have to tolerate it. Settling karmic account in this way will reduce your sins. Baba doesn't keep anything of anyone. The Father explains: Do not become Kichak or Duryodhan. There are so many names of devils, such as Kans, Jarasandh, Shishupal etc. Kans means those who are vicious. They harass the kumaris a lot. You have now become Brahmins, children of the Father in order to become deities. So, don't defame the Brahmin clan. If you cause defamation, you will become someone who defames the name of the clan. You mustn't even see the face of someone who defames the name of the clan. No one is as sinful a soul as such souls. Here, children even divorce the unlimited Father who comes and makes you into the masters of the world. Such souls are called sinners like Ajamil. However, even sinful souls like Ajamil have to be uplifted. They experience punishment and suffer a great deal. Souls feel a lot of sorrow. They divorce the Supreme Father, the Supreme Soul, the unlimited Father. There is no one as much a sinful soul as such souls. The world is very dirty. You have to be very cautious. When you first stayed in the bhatthi, the mother and Father had to take such great care of you. Maya is very powerful. This is why Baba says: Children, do you have enough power to remain pure and claim your inheritance from the Father? Your intellect says: I have become Baba's child and so I would not defame the Father's name having become His child, would I? The Father says: I come and make so much effort to purify you children. I enter an impure body in the impure world. Nevertheless, if you defame Me, then remember that there will have to be severe punishment. Here, there is a lot of attainment. You are becoming the masters of heaven. However, whilst moving along, if you let go of the Father's hand, you will be completely turned to dust. Maya catches hold of the nose of even those who used to live with the Father personally. This is why you have to remain very cautious. After belonging to the Father and making a promise to Him, if you don't remain pure, there will have to be severe punishment. Having made a promise to God, you have to fulfil that promise. It is only at this time that you make a promise to God. Shiv Baba says: Promise that you will become pure and make Bharat into heaven. If you break your promise, everything ends. No matter what the circumstance are, even if the most difficult situation comes in front of you, you must never let go of your religion. Even if you die, you mustn't break this promise. Sometimes some make a promise and then turn away from it. You are now giving your word to the Supreme Father,

the Supreme Soul. If, after giving your word, you turn away from it, there will have to be a lot of punishment through Dharamraj. It is the Father who gives you the fruit. He enables you to receive the fruit of the donation and charity you have performed and also enables you to receive punishment for your sins. He is Karankaravanhar and so you children have to remain very cautious. You are sitting here personally. Outside, the swans have to live with the storks. The Father says: Whilst living at home with your family and seeing your maternal and paternal uncles etc. only remember the one Father. This is not a *common* spiritual gathering where many people come and gather together. Those Christians convert so many into Christians through just one *lecture*. It cannot be like that here. Here, you have to die alive. You have to follow shrimat. You have to renounce body consciousness and consider yourself to be a soul. Souls have remained separated from the Supreme Soul for a long time. You have now found that Satguru in the form of an Agent. He says: Remember Me, your Father, and your boat will go across. If you let go of My hand, everything is over. You then became a greatly sinful soul. If you want to see such greatly sinful souls, see them here. The Father says: You children mustn't become impure like that. Become charitable souls. You can only be saved from committing sin when you stay in yoga. One has to be cautious in *boxing*. Otherwise, Maya will punch you in the back. To conquer Maya is not like going to your aunty's home! Your renunciation is satopradhan. You children have to be very cautious. When you follow the dictates of others, you die. You then write to Baba: Baba, tell Maya to forgive me. Baba says: No. I will now *order* Maya to create a lot of storms and make mountains of sorrow and sins fall. Catch hold of them by their nose and really shake them up. See whether they are worthy of heaven. He will not say: Have mercy and give them blessings. Does a *teacher* in a *school* have mercy on students? They have to study. This is *knowledge*. There is no question of blind faith. This is not a *common* spiritual gathering. This is God's spiritual gathering. Achcha.

To all the sweetest, beloved, long-lost and now-found children, numberwise love, remembrance and good morning from the Mother, Father, BapDada. The spiritual Father says namaste to the spiritual children.

#### **Essence for dharna:**

1. Stick to the promise you have made to the Father. Do not turn away from the word you have given. Remain very, very cautious.
2. Decorate yourself and others with knowledge. Never become body conscious and trapped in a corporeal form or trap others.

**Blessing:** May you be a constant yogi and a constant server and serve through your behaviour and your face.

Always have the awareness that you are a handful out of multimillion souls who know and have attained the Father. Constantly stay in this happiness and your face will become a mobile service place. Others will continue to receive the Father's introduction from your cheerful face. BapDada considers each child to be worthy of this. Therefore, whilst moving along, whilst eating and drinking and doing the service of giving the Father's message through your behaviour and your face, you will easily become a constant yogi and a constant server.

**Slogan:** Maya, the enemy, cannot shake those who always remain unshakeable, immovable and as steady as Angad.

\*\*\* O M S H A N T I \*\*\*

**Essence:** Sweet children, just as the Father is incognito, in the same way, the Father's knowledge is also incognito. You have to make incognito donations and do incognito service. By having arrogance about it, its power is reduced.

**Question:** Seeing which scenes of the drama, do you not feel sorrow? Why?

**Answer:** Seeing the scenes of the great Mahabharat War in the drama, you cannot feel sorrow. You know that these bombs etc. have to be created. *Natural calamities* also have to come. This drama is predestined. All souls will shed their old bodies and go home. This is good. There is no question of sorrow in this. Only when destruction takes place can the *gates* of liberation and liberation-in-life open and the land of sorrow change into the land of happiness. This is why you are not afraid of it.

**Song:** The heart desires to call out to You...

**Om shanti.** You children know that devotees have sung this song. Devotees continue to sing and call out to God. All are devotees. Devotees are very unhappy. They call out in Bharat alone. In no other land do they call out to the Father for Him to come. According to the system, the devotees of God are only in Bharat. Those who were worthy-of-worship deities have become devotees and worshippers. You sing: You are the Mother and Father and we are Your children. You children have now received all *knowledge*. Human beings don't understand what God will come and do. He would definitely bring something with Him. This is also written in the Gita. The Gita is a very sweet scripture. The Shrimad Bhagawad Gita is the jewel of all scriptures. There is no mention of Krishna. The Gita is called the mother. There are both the mother and Father. You say: Father, come and give us knowledge through this mother. He enters this one. God creates the mouth-born creation and so a mother is definitely needed. Therefore, I create you children through this mother. It is a *male* being that you see. These are very deep matters. Baba does not take up the scripture, the Gita. They have shown the scriptures in the hands of Brahma. On the one hand is Brahma, the mother, and on the other hand, they show that Brahma emerged from the navel of Vishnu. Then Vishnu emerged from the navel of Brahma. This is right. Brahma at this time is relating the murli and will then become Vishnu. Vishnu then becomes Brahma. So, Brahma becomes Vishnu and Vishnu becomes Brahma. They have shown the image of Vishnu. There is some essence in these scriptures. The Father says: I am now explaining to you the essence of all the Vedas and scriptures. This knowledge of Mine is called the Gita. In fact, the Gita is the scripture of the original eternal deity religion. Deities exist in the golden age. Deities do not listen to any scriptures there. How could they become deities? They sing that human beings change into deities, but when and how? They show the Vedas and scriptures in the hands of Brahma, but Brahma doesn't relate the scriptures. God tells you the essence of all the scriptures through the body of Brahma. People call whatever He speaks the Gita. So, you say: Baba, come and speak knowledge to us. He sits here and speaks knowledge to you. It is also written: I teach you easy Raja Yoga. So, in fact, the Gita is definitely the jewel of all scriptures. However, they don't know who taught the Raja Yoga of the Gita. All the other religious scriptures are the children of the Gita, that is, they are the leaves. Sannyasis believe in the scriptures a great deal. They fill a big car or truck with the scriptures and tour around the whole town etc. They have many big processions. The main sannyasi would go around in the car. They also place the Gita in that. However, they don't know the Gita as much as the Vedas. They place the Vedas in the front because they believe in the Vedas. In the same way, they have images of the deities at Jagadnath. People even sit those images in a chariot and take them around. That is their belief. You children are now receiving the most elevated shrimat through this Brahma. In fact, all the knowledge has to be imbibed by your intellect. There is no need for these pictures etc. However, how could you explain to anyone without the pictures? Maps are definitely needed at *school*. The Father has also explained to you the secrets of the whole kalpa tree and the discus of self-realisation. This is the cycle of the golden, silver, copper and iron ages that continues to turn. The golden age, the land of happiness, definitely has to come after the iron age, the land of sorrow. Then, from being satopradhan, you have to go through the stages of sato, rajo and tamo. Everyone definitely has to come down. No matter how many donations people make or how much charity etc. they perform no one can find God. The world definitely has to become impure.

Only then can the Father come. Now all are tamopradhan. Alloy is mixed in the soul. Sannyasis say that the soul is immune to the effect of action. They consider the soul to be the Supreme Soul. They have all forgotten the meaning of hum so, so hum, (As I was, so shall I be) that the Father explained. We were worthy-of-worship deities and have now become worshippers. We have all the knowledge of how we went into these clans. The whole play is based on Bharat. All those of other religions who come are just *by-plots*. It is the people of Bharat who become worshippers from being worthy of worship. All other religions come in their own time. Each one believes in his or her religion. You know that this deity religion is one that gives a lot of happiness. The Incorporeal Supreme Father, the Supreme Soul comes and establishes this religion. All other founders of religion are corporeal human beings. All of them have their own images. It is only the Supreme Father, the Supreme Soul, who is incorporeal. He alone establishes the original eternal deity religion. They have put Krishna's name instead of the name of the Incorporeal One. If everyone were to know about Shiv Baba, those of all religions would offer flowers to Him. You understand that the deities are your elders, worthy of worship. We who belong to their dynasty come afterwards. You children understand what is to happen at the end. It is the time of destruction. There is so much fighting. There is bloodshed without cause. People call out to the Father and so He must definitely have come. You children know that Baba has now come. He says: I, your Father, the Ocean of Knowledge, am merciful and *blissful*. I make you children constantly happy, but I make everyone else constantly peaceful. It is definitely the Father who establishes the *golden age* and the silver age. Only the Father would create the new world. You can explain that God is the one Father of all. The Supreme Father, the Supreme Soul, means God. He is the *Star*. These are very deep matters. If these things are not in your intellect clearly, you won't be able to explain to anyone with faith. Those people only create images of a Shiva lingam. In fact, He is the *Star*. The Supreme Father, the Supreme Soul, resides in the supreme abode. You too are souls. It must definitely be your Father to whom you call out: Oh Supreme Father, Supreme Soul! However, you don't know who He is. Everyone calls out to Him. All souls remember Him when they are in sorrow. No one remembers Him when they are happy. You now know that the Supreme Father, the Supreme Soul truly comes and makes you souls into masters of the land of happiness, that is, masters of the world. This Baba also used to study the Gita a great deal. He was the number one soul who used to remember Shri Lakshmi and Shri Narayan. Baba related how there was a picture of Lakshmi and Narayan in which she was massaging his feet. So, I removed Lakshmi from that picture. However, I kept the picture of Vishnu lying in an ocean of milk. I used to wake up early every morning and remember him, but I didn't understand anything at that time. Now I understand that I am becoming Shri Narayan. It is a matter of happiness. This is a *Godly student life*. It means *God* is teaching you. Just as there is a *barrister's student life*, a *surgeon's student life*, in the same way, this is the *God fatherly, student life*. Why should you forget this? However, Maya, your enemy, makes you forget. It is remembered of this life of yours: Ask the gopes and gopis of Gopi Vallabh about supersensuous joy. This birth of yours is as valuable as a diamond. The life of the deities is the reward. At this time you are doing very incognito service. An incognito donation is very good. Your service is incognito and the Father is also incognito. If any of you have arrogance that you did something, the power from that (donation) is halved. The Father is incognito and His knowledge is also incognito. People cannot understand it. They say: Baba, come! Therefore, He must definitely have given you happiness. This is also *clear* in the Gita. There is the great Mahabharat War. So why are you afraid of it? You ask for this war to end, but that is not possible. These bombs etc. have to be created. The One inspiring it is just here. Otherwise, where would we create our kingdom? *Natural calamities* will also come. The Father says: I never cause anyone sorrow. This drama is predestined. It is good if all souls leave their body and go to the land of peace. There is no question of sorrow in this. When you explain to others, they would say: This is good. Let destruction take place. Only then will the *gates* to liberation and liberation-in-life open. You say: This war took place in the previous cycle too. The land of sorrow changed into the land of happiness. This is the eternal cycle of the drama. The *history and geography of the world must repeat*. It would definitely *repeat* from the beginning. The golden age definitely has to come after the iron age. This is the truth. That which is the truth will happen. Definitely, the new world will *repeat* when

it is the end of the old world. Only the one Father is the Creator. He Himself says: I have come. I have played this *part* countless times. You too know that you have played this *part* countless times. You attained victory and then you were defeated. The play of victory and defeat, happiness and sorrow continues. This never comes to an end. It takes 5000 years. The new tree is being established. The *sapling* is being planted. That *Government* too plants tree *saplings*. The *sapling* that was at first satopradhan has now become tamopradhan. From being tamopradhan that same *sapling* will now become satopradhan. All those who did complete bhakti from unadulterated to adulterated will come and become worthy of worship. The drama has to be understood very clearly. How many *actors* are there in the drama? Countless! Understand this unlimited drama and keep it in your intellect. It is very easy. However, Maya makes you forget. God is the Creator and so there is no question of omnipresence in this. The Father says: I teach you Raja Yoga and make you into kings of kings. Let it remain in the intellect of you children that the true Father, the true Teacher and the Satguru is teaching you and you will have a lot of happiness. God is teaching you and so He would surely make you into gods and goddesses. Only the Satguru can grant you salvation. People remember Him alone. You have now come and become the children of the Satguru. You are children, *students* and *followers*. Shiv Baba will take you with Him to the land of peace. The Father says: *Follow Me* completely. Make sure your *register* doesn't get spoilt at all. Good children are made *monitors* at school. Here too, you know the good children. However, you cannot be made to sit here numberwise. Seeing those who are clever, you have to become like them. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

**Essence for dharna:**

1. Keep every secret of the unlimited drama very clearly in your intellect. Don't allow your *register* to become spoilt.
2. We are *Godly students* and our life is as valuable as a diamond. Maintain the awareness that supersensuous joy is your praise. Never have arrogance.

**Blessing:** May you be an embodiment of success and make the right decision by discerning every situation with a *clear* intellect.

To the extent that your intellect is *clear*, accordingly you attain an intellect able to discern. Instead of thinking too much about situations, stay in remembrance of the one Father. Remain *clear* with the Father and you will easily be able to discern every situation and take the right decision. Whatever the situation or the *mood* of a person in contact or relationship with you, to be able to interact with them according to their *mood* at that time, to be able to understand them and take a decision on that basis, is a very great power that makes you an embodiment of success.

**Slogan:** Together with the Father, the Sun of Knowledge, the *lucky* stars are those who dispel the darkness from the world. They are not those who go into the darkness.

### The beauty of the essence in the expansion.

BapDada is seeing the expansion and also the children who are the form of the essence of the expansion. The expansion is the beauty of this Godly tree and the children who are the form of the essence are the fruit of the tree. The expansion is always in a *variety* form and everyone always likes the splendour of the variety form. The splendour of the *variety* is definitely the decoration of the tree, but it is the fruit, the form of the essence that is powerful. You are always happy to see the expansion, and seeing the fruit, there is the hope of being constantly powerful. BapDada too is seeing the essence amidst the expansion. The essence appears so beautiful amidst the expansion. All of you have experienced this. There is so much difference in the *percentage* of the essence and the *percentage* of the expansion. You also know this, do you not? The speciality of the expansion is its own and the expansion is necessary, but it is the fruit, the form of the essence that is valuable. This is why BapDada is pleased to see both. He loves the leaves that are the expansion and He also loves the flowers and the fruit. This is why BapDada too has to become the Server the same as the children and come here to meet you children. Unless He becomes the same, there cannot be the meeting in the corporeal form. Whether you are souls of the expansion or souls that are the form of the essence, both belong to the Father, that is, both have become His children, and this is why the Father definitely has to give numberwise all the children the fruit of their desire to meet Him. Since devotees definitely receive temporary fruit of their devotion, you children too definitely attain your right as children.

Today, Baba has not come to speak a murli. All of you have come from far away and so Baba has come to fulfil His promise of celebrating a meeting. Some simply meet the Father with love, some with knowledge and some with the form of being equal. However, the Father definitely has to meet everyone. Today, Baba was seeing the speciality of all the children who have come from all directions. Firstly, Baba was looking at the speciality of Delhi. It is the place of the beginning of service, and even at the beginning, you servers found the banks of the River Jamuna to begin service. You went and served on the banks of the River Jamuna, did you not? The seed of service was first sown in Delhi on the banks of the River Jamuna and the palace of the kingdom will also be on the banks of the River Jamuna. This is why, together with Gopi Vallabh, (the Father of the gopes and gopis) and the gopes and gopis, the banks of the River Jamuna are also remembered. BapDada was watching the TV of the powerful children of establishment. So, those from Delhi have the speciality of the present time and also of the future. It is the place of the *foundation* of service and also the *foundation* of the kingdom. You residents of the place of the *foundation* are so powerful, are you not? Those from Delhi have the responsibility of remaining constantly powerful. You instrument souls who are residents of Delhi constantly have this crown of responsibility, do you not? You don't sometimes take the crown off, do you? A resident of Delhi means one who is constantly wearing the crown of responsibility. Do you understand the speciality of being a resident of Delhi? Constantly put this speciality into practice. Achcha.

The other long-lost and now-found children are those from Karnataka. They perform very good plays of devotion and love. On the one hand there is deep devotion (faith) and they are very, very loving souls. On the other hand, in terms of the world, well-known *educated* souls are also in Karnataka. So, there are both, those with bhavna and also those with position. Therefore, the sound can spread from Karnataka. The land is one that has a loud sound for even though those souls are VIPs, because that land is one of bhavna and faith, they are humble. They can easily become the means. The land of Karnataka is instrumental for this special task. Simply always keep your speciality of bhavna and humility with you in service. Never let go of this speciality in any atmosphere. These two are the oars of the boat of Karnataka. Keep both of these together all the time, not one ahead and the other one behind. Then the boat of service will show the success of the speciality of this land. The balance of the two will glorify your name. Achcha.

To those who constantly make themselves the form of the essence, that is, the form of the fruit; to those who constantly remain stable in the stage of the essence-form and who also enable others to become stable in the

stage of the essence; to the constantly powerful souls, to the powerful servers who are embodiments of powerful remembrance; to such elevated souls who celebrate a meeting through the form of being equal, BapDada's love, remembrance and namaste.

Do you constantly experience yourselves to have a right to the Father's inheritance? To have a right means you are a powerful soul. Perform actions with this awareness. There isn't any type of weakness still remaining, is there? Always consider yourselves to be the same as the Father. The Father is the Almighty Authority and so you children are *master* almighty authorities. With this awareness, you will always easily continue to move forward. Let there always be this happiness because the happiness of this time cannot exist at any other time throughout the whole cycle. At this time, you have attainments from the Father, whereas later, souls will attain from souls. Whatever you attain from the Father cannot be attained from souls. A soul itself is not all-knowing and all-seeing. Therefore, whatever you attain from souls is temporary, whereas the attainment from the Father is imperishable and permanent. You now receive imperishable happiness from the Father. You constantly continue to dance in happiness, do you not? Constantly continue to swing in the swings of happiness. As soon as you come down, you become dirty because there is mud down below. If you are constantly in the swings, you are always clean, and without being clean, you cannot celebrate a meeting with the Father. Just as the Father is pure and clean, so the way to meet Him is to become clean. So those who constantly stay in the swings are always clean. When you have been given the swing, why do you come down? Eat, drink, and move along whilst being in the swing. It is such a big swing. The days of coming down have now ended. It is now the days to swing. So, always remember that you are the elevated souls who are always swinging in the swings of happiness, joy, love, knowledge and bliss with the Father. Whenever any situation arises, remember this blessing, and on the basis of the blessing, you will also experience the company and the experience of swinging. This blessing is a means of constant *safety*. To remember the blessing means to remember the Bestower of that blessing. There is no effort required when you have received a blessing. You easily attain all attainments.

Do all of you experience yourselves to be elevated and fortunate souls? The biggest fortune is that the Bestower of Fortune now belongs to you. Let there always be the happiness and intoxication of this elevated fortune. This is spiritual intoxication that can stay all the time. If perishable intoxication stays all the time, there is damage. Those who stay in this spiritual intoxication will automatically have forgotten the attractions of this old world. They neither remember their old bodies nor their old relationships of the body; they easily forget these. They don't have to make effort to forget. They would even have forgotten body consciousness. They would be soul conscious. The constantly soul-conscious stage is the perfect and complete stage. Therefore, always maintain the awareness that you are fortunate souls. Some have ordinary fortune and others have elevated fortune. Always remember the word "elevated". I am an elevated soul, I belong to the elevated Father and I am a soul with an elevated fortune. Let this blessing be always with you. When you become an elevated soul and your time, thoughts, attitude and actions become elevated, then, seeing you, many souls will have the pure desire to become elevated. Service will be accomplished through this.

BapDada meeting the mothers: All of you mothers have become world mothers, have you not? You are the world mothers who uplift the world. You are not mothers of a limited household. You are constantly world benefactors. Just as the Father is the World Benefactor, in the same way, children are also world benefactors. So, are you living at home or are you living in a place of world service? The world is your service place. You are those who live in the unlimited, not in the limited. Which do you spend more of your time in, a limited household or the unlimited? The more you keep the aim of being in the unlimited, the more easily you will continue to be liberated from limited bondages. The thoughts you have now, that you don't have time, that you do have the desire but that your body doesn't function, or that you don't have any power, are all bondages. When you have the determination to want to do unlimited service, that you

have to become engaged in this, then those bondages end in a second. You will then automatically find time. Your body will begin to function by itself. You have this experience. It is not possible that you don't have time or that your body doesn't work for an elevated task. You will have wheels. When the wheels of zeal and enthusiasm are there, then even those who are unable to walk will begin to walk. Their illness will end. When a necessary task has to be accomplished in the world, what do you do? Your illness goes away for that time, does it not? Later on you might go to sleep, but for that time, you do whatever you have to under compulsion, do you not? Therefore, just as you continue to do everything against your conscious wish for a worldly task, in the same way, here too, you will continue to move along in happiness. When the wheels of compulsion are able to make you do things, then what can the wheels of happiness not do? Therefore, put on the wheels of zeal and enthusiasm and happiness and cut those limited bondages. You have finished the bondages of your husband and your children, so now become free from even those subtle bondages. Fly and make others fly. To think, "This one is like this, that one is like that" are also strings. Break even those strings. They too bring you down, so become flying birds who are free from bondage.

Mothers, you have received the special treasures of happiness, have you not? The Father has especially brought these treasures for you mothers. Continue to play with the treasures of this happiness. Continue to distribute them. This is all you have to do. Whilst doing your housework, continue to distribute the wealth of happiness. Then the housework will also get done as though you are playing a game. One doesn't get tired playing a game. So, constantly continue to move forward in this way. You are not ordinary mothers, you are Shiv Shaktis. Shaktis means those who are destroyers, the victorious ones. You are those who hoist the flag of victory. You are those who reveal the Father to the world. Whilst looking after your household, always have the unlimited intoxication that you are the Shiv Shaktis who destroy all evil.

The Father Himself has come on this earth for you mothers. You have the happiness that you called out to the Father and that He had to come, do you not? Why? Because of sorrow, you mothers called out from your heart and the Father made such mothers who called out worthy of worship. He liberated you from calling out. Now there is no need to call out. All your desires have been fulfilled. You found the Father and you found everything. Always stay in this happiness and continue to donate happiness. Have mercy for your equals. Your equals are so unhappy. To awaken your equals is the work of you mothers. You have awakened to awaken others. Be merciful from now and awaken them. Otherwise, your equals will complain to you that you didn't awaken them. Achcha.

At the time of taking leave: Everyone says *good morning*, but your *morning* is with *God*, and so it is a *Godly morning*. You spent the night with *God* and you are now celebrating with *God* in the *morning*. Therefore, always remember both *God* and *good*. The remembrance of *God* makes you *good*. If there isn't *God's* remembrance you cannot become *good*. All of you constantly have a *Godly life*, and this is why your every *second* and every thought are *good*. So, it isn't just *good morning, good evening and good night*, but your every thought and every *second* are *good* because of the remembrance of *God*. Do you have this experience? Now, your life itself is *good* because your life is with *God*. You perform every action with the Father, do you not? You don't do anything alone, do you? You eat with the Father, or do you eat alone? Always remember the relationship between *God* and *good* and bring this into your life. Do you understand? Achcha. Special immortal love, remembrance and amrit vela namaste to everyone from BapDada.

**Blessing:** May you be a true moth who with remembrance and service, ends all circling around and surrenders to the Flame.

Children who constantly remain *busy* in remembrance and service are easily liberated from all other circling. If any type of circling still remains, you continue to circle around. Sometimes, the circling of relationships, sometimes the circling of your own nature and sanskars. All of those wasteful types of circling will end when you have no one except the Flame in your

intellect. Those who surrender themselves to the Flame become equal to the Flame. Those who surrender themselves, that is, those who merge in Him are true moths.

**Slogan:**

In the company of those who have become true touchstones, souls who are like iron also become gold.
