## ❧ INTERNATIONAL YOUTH FORUM ❧

*Dear Centre Co-ordinators,*

Om shanti. Following the growing success of the International Youth Forum each year in Madhuban, we now have dates for the forthcoming forum.

25<sup>th</sup> – 30<sup>th</sup> December, 2003

As the Forum will begin on the morning of the 25<sup>th</sup> December, please plan to be in Madhuban a couple of days prior to that. The Forum will close on the evening of 30<sup>th</sup> December, so that we have time to prepare for Baba's meeting on 31<sup>st</sup> December.

May we please remind you that this forum is for young BKs following all BK principles, between the ages of 15 and 25 years. A good command of English is also necessary as the retreat will be in English.

The theme and further details of the Forum will be sent to you shortly.

*With regards,  
in Baba's yaad,*

*IYF Team*

**Essence:** Sweet children, continue to say “Baba, Baba” from your heart and there will be unlimited happiness. This is not just something to say, but let there be this continual remembrance internally and all your sorrow and suffering will be removed.

**Question:** When some children say “Baba, my mind is confused, and I have problems”, what method in Baba’s teachings does He tell them about to stay in happiness?

**Answer:** Baba says: Children, when you say “My mind is confused” you are saying wrong words. It is *wrong* to say this. When the intellect’s yoga with the Father breaks, the intellect wanders and there is unhappiness. This is why Baba shows you a method: Keep your *chart*. Continue to say “Baba, Baba” internally. Take shrimat at every step and your problems will go away.

**Song:** Dweller of the Forest, Your name is the support of my life...

Om shanti. Incorporeal God speaks to incorporeal children. Through whom does Incorporeal God speak? Through this body that He has taken on *loan*. It has been explained that the Incorporeal Supreme Father, Supreme Soul doesn’t have a bodily name. All human souls have a bodily name and they are called by that name. Here, the incorporeal Father says to the incorporeal children: Forget this body. You souls have to shed that body and come to Me. You must no longer take birth in this land of death. Those physical parents bring you into relationship with the body: “This one is your so-and-so”, whereas the parlokik Father says: I am the Incorporeal. I am called the Supreme Father, the Supreme Soul. You too are incorporeal souls. I have taken support of this body, whereas you have your own bodies. This body that I take is on loan. Now, remember Me, your Father. I am the incorporeal Father of you souls. Say, “Baba, Baba.” Sometimes, some children say: My mind is confused. My mind is not happy. Oh, but why do you use the word “mind”? Say, “Baba, why do I forget?” Why do I forget Baba who makes me worthy of heaven? Renounce the consciousness of the body and become soul conscious. Baba says: You now have to return home. Remember Me. Incorporeal Baba says to incorporeal souls: Continue to say, “Baba, Baba.” This One is the Father whereas the mother is incognito. A mother is definitely needed with the *Father*. No one in the world knows that the Father creates the mouth-born creation through this one and this is why He is called the *Father*. So where is the *mother*? Jagadamba would not be called the mother. Jagadamba is the instrument to look after everyone because this one cannot look after everyone as he is a *male*. This is why there is Jagadamba. Her mother is also this one. Brahma is the senior mother. All of you are Brahma Kumars and Kumaris. They speak of the Mother and Father, and so the Father sits here and explains. This is not the task of a sage or holy man. The Father establishes heaven. Maya Ravan begins to change it into hell. The Father gives happiness and Maya causes sorrow. This is a play about happiness and sorrow, and it is about Bharat. Bharat was like a diamond. It has now become like a shell. There was the pure household religion in Bharat and there are its images. There used to be the kingdom of Lakshmi and Narayan, but no one knows when it was established. They say that the duration of a cycle is hundreds of thousands of years. It has been explained to you children that 5000 years ago it was the kingdom of Lakshmi and Narayan. There were Lakshmi and Narayan *the First, the Second, the Third* etc. There were eight dynasties. Then there were twelve in the moon dynasty. There are the *dynasties*. The *dynasty* of Mughals, the *dynasty of Sikhs*. It has been explained to you children that 5000 years ago there was just the one kingdom of Lakshmi and Narayan in Bharat. There used to be the *World Almighty Authority Government*. Only the Father creates that. This is what the people of Bharat ask for. Now there is no kingdom. There is no *king* or *queen*. This is the temporary rule of people over people. There is no happiness in that. As *time* goes by, there will continue to be more sorrow. This is called happiness like a mirage. In the scriptures there is the example of Draupadi and Duryodhan. In fact, it was not like that. They sat and made up all of those stories. This kingdom is like a mirage. They (the people of Bharat) took the kingdom and yet continue to be even more unhappy. There wasn’t as much sorrow at the time of the *British Government*. Everything was very cheap. Now everything is so expensive! *Famine*, torrential rainfall, *earthquakes* etc. will all come in front of you. People will be desperate for water. You children are now sacrificing your body, mind and wealth in the service of making Bharat into heaven. You help the Father. The Father then establishes the *One World Almighty Authority Government*, the *one* kingdom.

After the cries of distress, there will be cries of victory. You are to see with your eyes in a *practical* way the visions you had of destruction. The Father sits here and explains: Consider yourself to be a soul. You are the children of Baba, therefore continue to say “Baba, Baba!” When you say “My mind is confused” or “my mind is not happy” remove the word “mind”. How can there be happiness if you don’t remember Baba? You become unhappy because of not knowing yourself. Why do you use the word “mind”? Can you not remember the Father? Is it that you forget the Father? Do you ever say about your physical father that you can’t remember him? Even little children are taught: This is your mother and this is your father. Here, the unlimited Father says: Remember Me and I will take you to heaven. You simply have to belong to Baba. The Father says: Continue to follow My directions. You have to show your account to the Father. A father is aware of how much his children earn. So the Father, too, will only know when you tell Him. The Father quickly tells you: I am making you into the masters of Paradise. Baba says: I am the Bestower. I have come to give to you. Also use everything you have in a worthwhile way for this is how you now have to create for your future. You will receive the huge sovereignty of paradise to the extent that you use everything in a worthwhile way. There is the account of give and take. You *exchange* everything. In return for the old, He gives you the new. He is a *first-class* Customer. Give with one hand, and take with the other. There is a saying: Lord, let my first customer be such that the earning from that customer is enough. The Father comes to make you into a total master of the world. The Father says: All of this wealth and property is to turn to dust, therefore renounce it. Forget all your bodily relations, including your own body, and consider yourself to be a *trustee*. All of this has been given by God. It is all His. However, you have to perform actions for the livelihood of your body. If Baba is aware of everything He can continue to advise you. Some ask: “Baba, should I buy a car?” OK, if you have the money, you may buy a car. “Baba, I want to build a building.” OK, you may build it. Baba will continue to advise you. If you have money, build many buildings, travel by aeroplane; take a lot of happiness. Baba only gives directions to the children. Some ask about getting their daughter married. If she is unable to follow the path of knowledge, get her married. The father (Brahma) would always give right *directions*. If he gives *wrong* directions, Shiv Baba is *responsible*. He is also Dharamraj. This is not a *common* spiritual gathering. This is the *God-Fatherly University*. The Father advises you: Children, become the masters of heaven. Follow shrimat. Become soul conscious. The names there are so beautiful. There are no names such as “Mr. Basarmal” etc. there. There, the names are like, Ramachandra, Krishnachandra. They also receive the *title* Shri because they are elevated. Here, they continue to give the *title* Shri Shri to cats and dogs etc. The Father explains: This is a dirty old world. It is all to be destroyed. You now have to follow My shrimat. The Shrimad Bhagawad Gita is the main one. However, there are innumerable Vedas and scriptures. The Father establishes all three religions: Brahmin, deity and warrior. Then Abraham establishes his own religion. His scripture is such-and-such. Achcha, which religion are the Vedas a scripture of? They don’t know anything. The Vedas are not the scripture of the sanyas religion. If their scripture is the Vedas, they should just study that. So, why do they take up the Gita? Christians are sensible. They would never take up a scripture of another religion. The people of Bharat make many people their gurus. Baba has explained that when a group of 4 or 5 people come, you should explain to each one individually, just as you used to sit with each one individually in Pakistan. By explaining to each one individually, you would be able to feel each one’s pulse. Get each one to fill in a *form* because the illness of each one is different. A *surgeon* would call each patient individually and give medicine after seeing each one. Have the faith: I am a soul. It is the soul that listens. It is the soul that becomes impure. To say that the soul is immune to the effect of action is a lie. Whatever actions a soul performs, he receives the fruit of that accordingly. People say: This one has performed such actions. Now, Baba is teaching us such very good actions that we will remain happy for 21 births. There is the philosophy of karma. In the golden age, actions become neutral. There are no sins committed there. Maya who makes you commit sin doesn’t exist there. A kingdom is being established and so you would definitely receive an inheritance. You have to reach your karmateet stage. There are the sins of many births on your head. Your sins cannot be absolved by bathing in the Ganges or by chanting or doing tapasya. Sins can only be absolved with the fire of yoga. At the end, everyone’s karmic accounts will be settled, numberwise. If they

are not settled, there will have to be punishment. They have to be settled through remembrance of the Father. It is because you don't remember the Father that the soul wilts. The Father says: If you don't remember Me, Maya will attack you. Remember Me as much as possible. If you remember Me for a minimum of 8 hours, you will *pass*. Keep your *chart*. Storms come when you don't consider yourself to be a soul and remember the Father. It is remembered: Receive happiness by having constant remembrance. You have to remember internally. You have to remain silent. You don't have to say "Rama, Rama" or "Shiva, Shiva". Your sorrow and suffering will be removed through remembrance and you will become free from disease. This is a straightforward matter. You are slapped by Maya when you forget the Father. The Father says: You may live at home with your family. Continue to ask Baba for advice at every step so that you don't do anything sinful. If your daughter doesn't follow the path of knowledge, you have to give something to her. If a son is unable to remain pure, he can earn his own income. He can go and get married. Some create great problems over their father's property. If your face is cheerful here, you will remain constantly cheerful there too. In the Birla temple, there is a *first-class* picture of Lakshmi and Narayan. However, people don't know when they came. Where did that kingdom of Bharat go? You can go and explain to them. At first, there was satopradhan, unadulterated devotion. Then, later, devotion became adulterated, rajo and then tamopradhan. Earlier, they used to say that God is infinite. Now they say that all are God. This is said to be a tamo intellect. Therefore, you shouldn't say that you can't focus your mind. Why do you say this? Your condition becomes like this when you forget the Father. Remember the Father and your mercury of happiness will remain high. By remembering the Father, there is a huge income. Remember the Father the whole night. Become conquerors of sleep. You have been singing: I will surrender to you. He says: I have come therefore constantly remember Me. He is the Father of me, the soul. You have to remember Him. All attachment with this one should be broken. Become a destroyer of attachment and focus your intellect on the One and you will become strong. I now have to go to the new home. Why should I have attachment to the old world? When a new house is being built, the heart is removed from the old one. The Father says: Everything including this body is old. Now remember the Father and your inheritance. Through this study we will become *princes* and *princesses* in heaven. Baba gives the practical fruit in a *second*. This is a *college* for becoming *princes* and *princesses*. It is not a *college* where *princes* and *princesses* go to study. You have to become that here. Then, having become *princes*, you will definitely become kings. Achcha.

To the long-lost and now-found children, love, remembrance and good morning from BapDada and sweetest Mama. The spiritual Father says namaste to the spiritual children.

#### Essence for dharna:

1. Sacrifice your body, mind and wealth in serving Bharat to make it into heaven. Become the Father's complete helpers.
2. Remain cheerful here. Don't wilt in any situation. End all your sorrow and suffering through having remembrance of the Father.

**Blessing:** May you be a *master* trikaldarshi and a conqueror of Maya by knowing the *past*, *present* and *future*.

The children who know all three aspects of time are never defeated by Maya because both the present and the future very clearly remain in the intellect of a trikaldarshi soul. What am I and what am I going to become? They have the intoxication of both the present and the future. They continue to fly in the happiness of that intoxication and this is why their feet are above the ground. They are not attracted by the body, bodily relations or the old physical comforts of the body.

**Slogan:** It is very easy for those who have the virtue of simplicity to interact in a gathering.

\*\*\* O M S H A N T I \*\*\*

**Essence:** Sweet children, you have come to this spiritual *university* to change from buddhus (fool) to wise. Wise means pure. You are now studying this study to become pure.

**Question:** What are the signs of wise children?

**Answer:** Wise children always play with knowledge. They are always intoxicated in Godly intoxication. All the *knowledge* of the world cycle is in their intellect. They have the intoxication: Our Baba has come from the supreme abode for us and we resided with Him in the supreme abode. Our Baba is the Ocean of Knowledge and we have become *master* oceans of knowledge. He has come to give us the inheritance of liberation and liberation-in-life.

**Song:** Who has come to the door of my heart?

Om shanti. The soul of the living being knows that our Supreme Father, the Supreme Soul, is personally teaching us; He is teaching us Raja Yoga. Therefore, it is as though this is a Godly *university*. Why is this called a *university*? It isn't that all other *universities* are for the *universe*, no. For instance, there are some *universities* abroad where the people studying there are local people, for they don't allow people from other countries to study there. Therefore, that is not for the *universe* so it shouldn't be called a *university*. Here, you children know that this is the true Godly *University*. However, none of them can understand this because they are buddhus. Only the Father makes buddhus wise. Human beings bow down in front of those who are wise. They bow down to the deity idols and sannyasis etc. Sannyasis are pure, and so they are definitely wise. They consider purity to be good. This vice of lust causes distress for human beings. This is why householders consider sannyasis who remain pure to be wise and bow down at their feet. As soon as they see someone wearing the costume of a sannyasi, they bow down to him. However, regard for them has now decreased and this is why people take every step with great caution. Previously, when they saw a sannyasi they would instantly invite him: Swamiji, come to our house. There are now *too* many of them and have now become tamopradhan, and this is why there is only regard for those who are very well-known. Even eminent people bow down to them. Why? Those eminent people are more educated than sannyasis, but sannyasis are pure for they adopted renunciation and this is why they are considered to be wise. You are now becoming wise. You now know the Creator and the beginning, middle and end of creation. However, amongst you too, not all of you have that intoxication. It takes a lot of *time* for that intoxication to rise. Only at the end will there will be complete intoxication. Now, the more effort you make, the more your intoxication continues to rise. You should constantly remember that the Supreme Soul, the Father of us souls, has come. He is teaching us in order to make us into the masters of the world. Therefore, you should have the pure concern to make effort. Not all of you have that concern. At the time of listening to this their intoxication rises but as soon as they go outside everything ends. It is numberwise. The Father of us souls has come. We used to reside with Him in the supreme abode. No one else understands this. Sages and sannyasis etc. are pure. Amongst you too, it is numberwise. Not everyone has the faith that our Supreme Father, the Supreme Soul, is the Ocean of Knowledge, the Bestower of Liberation-in-Life and that He is making us into the masters of heaven. As soon as you step outside of here, that happiness disappears. Otherwise, you children should have so much happiness. I have taken support of this body. How else would I teach you Raja Yoga? I don't have a body of My own. If you look at all of those in the temples, they all have their own bodies, whereas I am bodiless. All others have received an angelic or corporeal body. I don't have a body. There is the Somnath Temple, and even if you go the Shiva temples, they have an incorporeal form there. It is just that they have given Him different names. You know that souls come here from the supreme abode. Souls adopt different bodies and play their *part*. I do not enter this cycle of 84 births. I am the Resident of the supreme abode. I have entered this body. You would ask, "How does the Incorporeal One come?" Yes, He can come. When you feed a departed soul, that soul comes, does he not? The body of that soul doesn't come. The soul enters another body. You understand that the soul enters another person's body. The souls of some ghosts are very mischievous. They throw stones etc. Only when a soul enters a body can he do something. That is called a *ghost*. Impure souls also enter others. You children have experienced how impure souls wander around until they receive their own body. Pure souls also come; this too is fixed in the *drama*. Whatever has *passed* is said to be the playing of the *drama*. The

Father explains: I come and enter an ordinary old body. He would definitely need the body of an experienced person. Brahma's name is very well-known and Brahma's advice is also well-known. Where did Brahma take advice from? Brahma is Shiv Baba's child. So His advise is shrimat, and so the main shrimat has to be through Brahma, whom the Father enters. The people of Bharat don't know these things. They think that all are One. They believe that Krishna, Shiva etc. are all the same. They call Krishna mahatma or yogeshwar, but they don't know why they call him that. Krishna's soul is now studying yoga with Ishwar and becoming yogeshwar. This is such an incognito secret. People say that God is beyond name and form and that He doesn't have a body. However, you say that the Somnath Temple is a memorial of the incarnation of Shiva. Shiv Baba surely came in the previous cycle, and has now come again. Then the worship of Him will start in the copper age. People celebrate Shiv Ratri (the night of Shiva). The Father sits here and explains: You souls have come here from the supreme abode to play your *part*. Souls are imperishable, and they have a *part* of 84 births recorded in them. Just as the Father has entered an old body, in the same way, you are also in old bodies. Baba *liberates* you from your old body and gives you a new body. He shows you the way to change from being worthless shells into valuable diamonds. It is sung: The Beloved is only One. The Father says: I am the Resident of the supreme abode. You too are residents of the supreme abode. I have come in the oldest body of all. This is also your oldest impure body of the final 84<sup>th</sup> birth. You consider yourselves to be souls. We have completed our 84 births and we are now to receive a new body in the new world. Therefore, you should remain so happy. It is numberwise. Some are completely *dull-headed*. Maya has turned their intellect completely to stone. It is like when you sprinkle water on a hot griddle and it instantly dries up. They are such hot griddles. O! but you just have to consider yourself to be a soul, a child of the Father. But they do consider themselves to be this. If souls do consider themselves to be this, why do they become those who are amazed and then run away? Maya is very powerful. If you make a mistake, Maya will slap you. O! Baba has come to give you an inheritance, and yet you become vicious. She slaps you very strongly. The Father does not slap you. Maya slaps you and turns your face away. There are many who continue to be slapped by Maya. Maya also says: You don't remember the Father and so I slap you. Maya has been given the order. Those who are without wisdom have to be made wise. Therefore, why don't you do *service*? Are you still going to experience the slipper from Maya? Many continue to experience the slipper. Some experience the slipper of anger and some experience the slipper of attachment. The Father says: Just *surrender* everything and remain a *trustee*. When you have donated the vices, why do you take them back and use them again? Vices don't have a form. For wealth, you are told to live like a *trustee*. You may use it, but with great care and with the Father's shrimat. You mustn't commit any sin with that money. Otherwise, you will accumulate the burden of that on your head. Maya is very tamopradhan and she knows when you are not remembering the Father very well and so thinks: Punch that one! Maya says: If you don't remember the Father or your inheritance, I will slap you. Many children write: Baba, Maya slapped me. Baba writes back: Yes children, Maya has been given an order: Slap them a great deal when they don't belong to Me. I have come to make you constantly happy but in spite of that you children don't remember Me. It is very easy. However, it does take *time*. Otherwise, the mercury of happiness would rise by remembering the Father and the inheritance. Eventually, whilst remembering Baba, you will just have a jerk and feel: OK, I am now going to Baba. Then I will go to heaven. It will be as though you just have complete Godly intoxication and go back home. Achcha, no one knows that souls are lovers of the Supreme Father, the Supreme Soul. You are true lovers. You have been lovers for half the cycle and have been remembering the Beloved a great deal. However, you didn't know that the soul is a lover of the Supreme Father, the Supreme Soul. They say that the soul is the Supreme Soul and that the Supreme Soul is the soul. Here there is a great difference. You know that God is the Beloved. That pure *Soul* is making us so beautiful. When we souls became dirty, the jewellery (body) also became dirty. Baba has come once again to make you beautiful and then you will receive a *golden-aged* body. They mix alloy with gold. Now, just see, that is the Adi Dev temple. Someone has named him Mahavir, but they don't know the meaning of that at all. They even call Hanuman Mahavir. There is such a vast difference between calling Hanuman Mahavir and then calling Adi Dev Mahavir.

Whatever Jaini Maharaj Muni said that continued to be accepted. Nowadays there is a lot of occult power. This Baba knows everything. People make a lot of effort. They even make saffron emerge from their hands. People think that that is a wonder and quickly become their *followers*. Those who have occult powers have many *followers*. It is not like that here. Baba says: I have come exactly as I did 5000 years ago. No one else can say this. Children say: Baba, I came 5000 years ago and attained the inheritance of heaven from You. Now, we have once again come and become the children of the Supreme Father, the Supreme Soul, Shiva through this Brahma. The world is in the iron age. Where would Brahmins come from in the iron age? Brahmins are needed at the confluence age. The feet and the top-knot come together, and so that is a confluence: the confluence of shudras and Brahmins. You change from shudras into Brahmins. No one knows this cycle of 84 births. You know that you are Brahmins and that you have become the children of Brahma in a *practical* way. You can tell those brahmins: You brahmins call yourselves children of Brahma, but who is the Father of Brahma? They won't be able to tell you. It is like pebbles in a tin can. They would simply say: We brahmins are God. All of you were devotees and you now say: We are becoming worthy to marry Lakshmi. You make effort for this. For instance, just think that you have come from the supreme abode. Baba has now come once again to take us back. We too are masters of Brahmans. Baba has entered an old body. We too are in old bodies. The Father says: I also have to take an old body. Now remember Me, the Father, and your sins will be absolved. He gives you *time*. You should also serve the Pandava *Government* for a minimum of 8 hours. You have to teach Raja Yoga, blow the conch shell. You make Bharat in particular and the world in general into heaven with shrimat. Only you go to heaven; those of other religions do not go there. Brahmins, deities, warriors, merchants and shudras are called the variety form image. You should create a picture of the variety form image so that people are easily able to understand. They have shown Vishnu as the variety form image. A picture is definitely needed. They have pictures in *school*. Otherwise, little children would not know what an elephant is. They are shown a picture of it. So, here too, there are the four ages. It is now the iron age and the cycle will definitely turn. Brahmins exist at the confluence age. The others are physical brahmins, guides. They are not the mouth-born creation of Brahma. The mouth-born creation of Brahma receives an inheritance from the Grandfather. Those brahmins don't receive an inheritance. Amongst you too, you understand these things numberwise. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

#### Essence for dharna:

1. *Surrender* everything with your intellect and live as a *trustee*. Perform every task with great caution according to shrimat.
2. Remember Baba and the inheritance and experience limitless happiness. Whilst in remembrance of Baba, experience Godly intoxication. Become a true lover.

**Blessing:** May you be *master knowledge-full* and, with the power of your original stage, face any situation.

Your original stage means the stage of soul consciousness. External situations come through people or the elements, but if your original stage is powerful, then adverse, external situations are nothing. Those who are in their original stage cannot be afraid of any adverse situation, because they are *knowledge-full* souls. They have *knowledge* of all the three aspects of time of all souls. They know that those souls are under an external influence and that is why they serve those souls with good wishes and pure feelings. They are not afraid, but always smiling.

**Slogan:** A fortunate soul is someone who constantly sings songs of fortune, not of weakness.

\*\*\* O M S H A N T I \*\*\*

**Essence:** Sweet children, you are now sitting personally in front of the Father, *Teacher* and Satguru. The mercy of the Father is that He becomes your *Teacher* and teaches you and He becomes the Satguru and takes you back with Him.

**Question:** What have you promised the Father? What is your duty?

**Answer:** You have promised: Baba, whatever we hear from You, we will definitely tell that to others and make them equal to ourselves. Our duty is to teach everyone in the same way as the Father teaches us because the lock on our intellect has now opened. Just as we are claiming our inheritance, in the same way, we have to be merciful and enable others to claim their inheritance.

**Song:** Take blessings from the Mother and Father...

Om shanti. You children are now sitting personally in front of the Mother and Father, that is, you children are sitting in the *school* with your *Teacher*. You children know that you are also sitting with the Satguru in order to listen to knowledge. To listen to whom? Only the Father is the Ocean of Knowledge. You know that He has come here from the supreme abode in order to give us teachings. Your intellect's yoga is connected to the supreme abode, the *sweet home*. Although He teaches you here, and the Mother and Father are personally sitting in front of you, your intellect's yoga or remembrance is still directed to the land of nirvana. We have to return home with the Father. Then we will go to the home of Vishnu. That is a home and this is also a home. We have to go to the land of Krishna, the in-law's home. First of all you have to remember the Father who makes you worthy. Parents make their daughter worthy, do they not, so that when she goes to her in-law's home, she would glorify her parents? The in-laws would say that the girl has very good virtues. You know that you are now sitting personally in front of the Supreme Father, the Supreme Soul, and that you are studying. The Father makes a lot of effort with the children. This is His mercy. If a son becomes a *barrister*, it would be said that his parents sustained him and educated him well. The mother and father are *creators* and also the *directors*. Sons would be attached to their father, whereas daughters would be attached to their mother because sons are to receive an inheritance from their father. A kumari would go and become a mother. You are now the decoration of the Brahmin clan. Brahmins are remembered. There are many children of Prajapita Brahma. You can even tell those Brahmin priests: If you are the mouth-born creation, then you are the mouth-born children of Brahma. Physical children take birth to their physical parents. When were you born through the mouth of Brahma? They won't be able to tell you. You know *practically* that you have been *adopted* through the lotus-lips of Brahma. Shiv Baba has *adopted* you. Here, you understand that you are personally sitting in front of all three: the Father, *Teacher* and Guru. The Father teaches you *manners*. It is here that you have to become virtuous, full of all virtues like Shri Krishna by making effort. People don't know who Radhe and Krishna were in their previous birth. Only you children know this. Those who were worthy of worship have become worshippers and will then become worthy of worship. Devotees are called worshippers. No one, apart from the Father, can give you the inheritance of changing from an ordinary man into Narayan or from a *beggar* to a *prince*. When someone asks you what you are doing, tell that person: I am studying with *God*, the *Father*. Each of you has the *aim* and *objective* in your intellect. We are claiming our unlimited inheritance from Baba. The inheritance of heaven is to become Lakshmi and Narayan or *princes* and *princesses*. You become *princes and princesses* here in this *college*. You know that you are studying to become the *princes* and *princesses* in the future new world. The new world is called the golden age. Those in the golden age and the iron age would be human beings anyway. It is human beings who receive *knowledge*; it would not be given to animals. Human beings had divine virtues and they became those with devilish traits and are now becoming those with divine virtues. You children have this in your intellect. This is an easy thing to understand. The cycle of 84 births is for Bharat. The secret of the cycle of 84 births will not sit in anyone else's intellect. Krishna was the one who had the discus of self-realisation. Vishnu is the *combined* form of Lakshmi and Narayan. In their childhood, they were Radhe and Krishna. However, they give the discus to Krishna alone. They never show Radhe with a discus. They don't even show Lakshmi with it. They show Narayan and Vishnu with it. Lakshmi is included in that. In fact you are the spinners of the discus of self-realisation.

You know that you are studying this *wonderful* study with *God*, the *Father*. He is the Ocean of Knowledge, the Seed of the human world, the Truth and the Living Being. A soul is said to be the truth and a living being. A body cannot be called the truth and a living being. Even though a baby in a womb is non-living for five months, it still continues to grow. Everything grows. However, it is the soul of a human being that is great. Human beings are praised and they are defamed. It was printed in the newspaper that when the *Prime Minister of England* went to *church*, he took his cat with him. Look how much respect the cat was given! You cannot even go there without a *permit* and yet the cat received a *permit*. Many people say that even dogs remember God. He barks, doesn't he? Those people also simply speak of *God*, but they don't know anything. So what is the difference between human beings and animals? You are now becoming so elevated. You will now be praised a lot. When your influence spreads in a *practical* way, they will say: That's it. We have to go to the Brahma Kumaris. Brahma Kumars and Kumaris are the grandsons and granddaughters of Shiv Baba. There is only one Baba. There is one Mama and one Baba through whom you are created. You know that you are the grandsons and granddaughters of Shiv Baba. There is no question of being young or old here. You are grandchildren of Shiv Baba and sons and daughters of Brahma. This is something so easy. This is the Brahmin clan. The Father is the *Creator*. You know that you children of Shiv Baba are the initial *founders* of this tree. This Brahma is sitting under the trunk, at the confluence age. We are the grandchildren of highest on high Shiv Baba. We are claiming our inheritance of heaven from Him. You should never forget this. You have to forget whatever you have, including your body, and become bodiless. We now have to return to our Grandfather and to our *sweet home*. We are grandsons and granddaughters of Shiv Baba. The Father is also needed. We are truly Brahma Kumars and Kumaris. We are the grandchildren of Shiva, and we receive our Grandfather's inheritance. Only the sovereignty of the world is called the true sovereignty. You become the masters of the whole world. You are not afraid of anyone. That is called the undivided kingdom. There is no one else there. You become those who are full of all virtues, those who follow the supreme religion of non-violence. Baba has explained that there are two types of violence. One is *violence* and the other type is to use the sword of lust. We are *doubly* non-violent. There is no question of violence in the golden age; there is neither physical violence nor that of vice. It is said that there is the supreme deity religion of non-violence. We become members of that. We will become deities from Brahmins. Our name "human beings" is then removed. We change from human beings into deities just as they become *barristers* or *engineers* etc. They themselves know how they become that. You know that you are becoming deities through this study. It is very easy. You have the knowledge of the beginning, the middle and the end of this tree of *variety* religions. No one else has this knowledge. You know that your Father and *Teacher* has come from the supreme abode to teach you. The supreme abode is so high up. Even *aeroplanes* cannot go there. Look how Baba comes without wings in order to teach us. So there should be that much happiness. Our Baba is also our *Teacher*. He resides in the supreme abode and comes from there to teach us. He has to do a lot of *service*. He also has to do the *service* of making the devotees happy. Devotes do not know Me. I serve them so much. I also fulfil the desires of those who do intense bhakti; children have had visions of that. They sit there doing intense bhakti and say: Krishna, just give me a vision. They have tears streaming down their face. When they perform such intense devotion, I grant them a vision. That is the path of devotion. So at this time I also please them. I sit here and speak to you personally; I teach you. There are truly the versions of God. There is no doubt about this. It is also written in the Gita: O child, I am teaching you Raja Yoga to change you from an ordinary man into Narayan. However, they have inserted Krishna's name. Krishna's soul is at this time in his last birth. He sits here and studies. It is not said: God Krishna speaks. You children know that the sun and moon dynasty kingdoms are being established. We will definitely make effort and claim our inheritance. Baba is so merciful. He comes and adopts us children. Children say: Baba, You are the same One and we are the same, who have met once again. You are that same Baba and we are those same children of Yours. You have now come to give us our fortune of the kingdom. Baba is once again teaching us. We are the grandchildren of Shiva. The name "Prajapita Brahma" is also glorified. You know that the Creator of heaven is only the Supreme Father, the Supreme Soul, and that the inheritance will be received

from Him. Brahma also received it from Him. That Father is speaking to you Brahmins. He explains to you so clearly. So why do you forget Him? You are sitting in Baba's home. Baba Himself becomes the *Teacher* and teaches you. We are studying Raja Yoga. We will go to the land of peace and then go to the land of happiness. This iron-aged world is to be destroyed. We have to observe everything as detached observers as we did in the previous cycle. Just continue to see how you *passed* the examination and how destruction took place. See how you will take birth where there is victory. See how you will build your palaces. Your intellect is aware that there isn't a golden Dwarika down below which comes up above. They say that there was the golden Lanka of Ravan. There wasn't really anything like that. It was the deities who had golden palaces. They don't exist now. The boat of Bharat has now sunk. You children now *salvage* everyone from the ocean of poison, hell. There's no question of *steamers* etc. You children of the Ocean were burnt to death. You became ugly by sitting on the pyre of lust. You were beautiful and then became ugly. You deities of Bharat were so beautiful. All of you are Shyam-Sundar (the ugly and beautiful ones). You children know in front of whom you are sitting. There is no other spiritual gathering where *God*, the *Father*, sits and teaches you Raja Yoga. The Incorporeal Father must have entered someone's body. How could He come as Shri Krishna? Yes, his soul is here, is it not? The lock on our intellect has now opened. You know that you become the masters of the world through Baba. You claim your inheritance. You are the ones who say "Mama, Baba", and so you have to *follow* them in the study. This is why it is said: *Follow Father*. The real *Father* is needed, not an *artificial* one. Gandhiji too was called Bapuji (father), but no inheritance was received from him. That was a limited inheritance from a limited Bapuji. He would not be called unlimited. This unlimited Bapuji has come from the supreme abode. He makes you into the masters of heaven. You have now become knowers of the three aspects of time and you are the ones who become the masters of Paradise. You should have so much *love* for the unlimited Father. I break away from everyone else and connect myself to You alone. This is your promise to the Father. The Father sits here and explains to you children with so much love. What would anyone know about when Shiv Baba came, when it was Raksha Bandhan, how the divine virtues were imbibed? People study the Gita and the scriptures and yet no one understands anything. You explain everything *orally*. There is no question of the scriptures in this. God sits here and teaches you. He taught you at the confluence age. You now listen to Him personally and so your intoxication rises. That intoxication should not decrease. It is not a human being who teaches you this. The Supreme Father, the Supreme Soul, who is the Ocean of Knowledge is teaching you. All Brahma Kumars and Kumaris are listening to Him. You listen to Him and then relate that to others. Your *agreement* is that you will listen to Baba and definitely relate that to others. Otherwise, why did you listen? You have now become children of the unlimited Father. The Father says: Constantly remember Me alone. Renounce all your relationships including that of your own body. The Father is Shiva and you are saligrams. The Father and the children. The Father says: I am the Incorporeal. You too were incorporeal. You have come here to play your *part*. You now have to go back home. Baba is the Master of Brahmand. You too were masters of Brahmand. That is also called Paramdham, the land of nirvana, the incorporeal world. All of those are its names. The incorporeal world, the subtle region, the corporeal world: this cycle continues to turn in front of you. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

#### Essence for dharna:

1. *Follow* the Mother and Father in the study. Stay in the happiness that God has come from the highest on high land to teach us.
2. We now have to return to our *sweet home*. Therefore, practise being bodiless. Forget everything including your body.

**Blessing:** May you be a *master* almighty authority and with your stage of being free from obstacles make the atmosphere *powerful*.

Your service first of all is to make yourselves free from obstacles and then to make others free from obstacles. If you yourself continue to be influenced by obstacles, you won't be able to remain free from obstacles at the end. Therefore, create a stage that is free from obstacles over a long period of time. Give weak souls the powers you have received from the Father and make them powerful. Experience the stage: I am a *master* almighty authority. Only then will the atmosphere become *powerful*.

**Slogan:** *Royalty* is visible in every activity of the *royal* children of the *royal* Father.

\*\*\* O M S H A N T I \*\*\*

**Essence:** Sweet children, remember that all three, your Father, *Teacher* and Satguru, are *combined* and your mercury of happiness will rise and you will continue to follow His shrimat.

**Question:** What is the first qualification of Brahmins? In which quality do Brahmins have to become *experts*?

**Answer:** The first qualification of Brahmins is to study and teach others. Become an *expert* in colouring others with knowledge. Even if someone *insults* or defames you when you give them knowledge, just keep trying to give them knowledge and you will see that they are definitely affected by it. Donate to those who are worthy of it. Be very cautious that the imperishable wealth doesn't go to waste. Give money to others with great caution.

**Song:** The rain of knowledge is on those who are with the Beloved...

Om shanti. Godly *students* heard this song. Only you children are *Godly students*. It isn't that there are *Godly students* in all *schools*; no. Human beings teach there. Sannyasis relate the scriptures. In fact, knowledge is not called rain. Rain is water. However, this praise has been remembered because the Supreme Father, the Supreme Soul, is also called the Ocean of Knowledge. The Father says: I am also called the Ocean of Knowledge, the *Knowledge-full One*. *Knowledge* is not called rain, water or nectar. Just as there is the Mansarovar Lake, so there is also a lake at Amritsar (Amrit – nectar, sar – lake) which those people consider to be nectar. The Father sits here and explains this. A study cannot be called nectar or rain. They believe that that is nectar with which their sorrow will be removed. In fact, all your sorrow is removed for 21 births through this *knowledge*. The rain of knowledge is on those who are with the Beloved. This Father, *Teacher* and Satguru - all three - are *combined*. If you children remember even this one aspect, your mercury of happiness can rise. However, Maya repeatedly makes you forget. You children here are following shrimat. You become elevated by following shrimat. The highest on high Father is God. Only with the study of the highest on high Father can you can become the highest on high. Those who are personally sitting in front of the Beloved are *students*. You sit here, you study and then you go back home. Day by day, there will be many *students*. If all of them were to be living together in the one home, such a big building would be needed. If even the whole of Abu were made into one building, it would not be big enough. There are so many *centres*. Now there are still only a few, but there will be a thousand times more number of *centres*. There can be one thousand, two thousand, five to seven thousand *centres*. Then you Ganges of knowledge will bring the rain of knowledge to every home. There will be so many children. You can see they are opening *centres* everywhere. Some call it a Gita Pathshala and others call it the Brahma Kumaris World Spiritual University. In fact, you mustn't be afraid of calling yourselves Brahma Kumaris. Some children are afraid that people will cause an upheaval when they see the name of the BKs. This is why they call it a Gita Pathshala. The name Gita Pathshala is *common*. They change the name BKs and give it another name so that there are no obstacles created. In fact, it is the same thing. As soon as they come inside, by seeing your pictures, they would understand that you are the same BKs. Therefore, there is really no need to change the name. This name proves very well that you are in fact Brahma Kumaris, children of Brahma. This is good. You can tell everyone: In fact, you too are Brahma Kumars and Kumaris. You know Prajapita Brahma. He is the creator of the human world. The Incorporeal Supreme Father, the Supreme Soul is not the Creator of souls. He is the eternal Father of souls. Prajapita Brahma is also eternal. The Father of souls enters this one. He comes and *adopts* Brahma in order to create people. The Brahmin clan has to be created through Brahma. Then it will be even easier to explain this. However, people are afraid. They tell them: Do not go to the BKs. You may go to the Gita Pathshala. People don't understand the meaning of "Ganges of knowledge in every home." On the path of bhakti, Narad is considered to be the main one. He was a devotee who played a musical hand instrument. Narad wasn't as he has been portrayed in the pictures. In fact, all of you were monkeys. Your features were of human beings and your character was that of monkeys. In fact, all are Narad. All are devotees. You are able to understand that not until you become a human being with divine virtues can you marry Lakshmi. All *male* and *female* devotees are Narad. It is said: Look at your face! You are like a monkey! You have the five vices in you. Therefore, you won't be able to marry Lakshmi. All of that refers to this time. Baba has

explained that all are Dushashans or Duryodhans (devils). Draupadis are stripped and this is why the mothers call out to be saved from being stripped. Kumaris call out: Girdhari, maintain my honour. They have given him many names. The intellect's yoga of human beings goes to Krishna. However, sins cannot be absolved by remembering Krishna, a bodily being. They just want to have a vision of him. Achcha, even if you do have a vision, you still can't receive the *knowledge* to change from a human being into a deity. Only when you become Brahmins and understand the knowledge can you become deities. Once you become Brahmins you renounce bhakti. By someone first of all giving a week here, we can change that person and make him worthy to sit in a temple. However, it does take *time*. It is true that you are with the Father. You come to Baba but then, when you go back home, you feel so much sorrow in your heart. However, it is not possible for everyone to live here together. Some come running from one place, others come running from another place. This system is of this time. So many people gather together with sages and holy men. No one forbids anyone there. Here, because there is the aspect of remaining pure, they stop others coming. Amongst the sannyasis, only *males* leave their home and family and go away. Here, there are kumaris and mothers too. Parents and doctors tell kumaris that they will fall ill if they don't marry. It should be explained to them: So many become sannyasis. Very young people remain celibate from birth. People who remain celibate never fall ill. Why would anyone fall ill here? So many people live without getting married. No one can file a *case* against the sannyasis. Their wives never ask them for housekeeping money. They simply run away. Where would the wife get money from? Therefore, the neighbours look after her. Poor ones run away more. When they experience sorrow, they have disinterest. Although you were unhappy, there was no question of that type of disinterest. You are first of all shown heaven on the palm of the hand. How would you be able to go to Paradise without becoming pure? You have to become courageous. This is why there is the name, "The Shiv Shakti Army". You receive power by having yoga with Shiv Baba. After imbibing knowledge, you have to surrender yourself. If you don't imbibe knowledge, if you don't conquer attachment, Maya harasses you. If there is the desire to get married then the Brahma Kumaris's name would be defamed. You first have to become a conqueror of attachment. So many of you stayed in the bhatthi, and yet that many didn't become conquerors of attachment; they continued to remember others. They then left here, saw their friends and relatives and were attracted to them. Attachment trapped them. That was also destined in the *drama*. Even now, the Father says: First of all become conquerors of attachment. Belong to the one *most beloved* Father. No matter what happens, I will remain in the Father's *service*. It is said: Those who ascend taste the sweetness of heaven, whereas those who fall are totally crushed. It shouldn't be that, once you have left them, you are then troubled by attachment to them. Many sannyasis left everything and then went back home. When sannyasis go back home to their family, the neighbours don't have that much regard for them. They believe that they have come back because of lust. Here too, it is understood that they didn't become complete destroyers of attachment and the vices thereby trapped them. There aren't any problems about food and drink with Baba. From the very beginning, Baba has been looking after everyone so much. Both poor and wealthy are equal. Even Mama and Baba used to wash the dishes and sweep the floor in order to teach everyone. All of that was done to break body consciousness. Sannyasis too make their followers do the same. They make important people chop wood etc. so that their body consciousness is removed. Here you receive a lot of property. You receive a sovereignty for 21 births in a *second*. Sannyasis don't receive any attainment at all. However, because they are pure, impure ones bow down to them. This is Raja Yoga and you become the masters of the world. You mustn't indulge in vice. Meera too wished to remain pure. She belonged to the path of devotion. She used to have visions of Krishna. Her heart was attached to Krishna, so how could she indulge in vice? However, that was only for one birth. Perhaps in her next birth too, Meera would have gone onto the path of devotion. It can be said that she went onto the path of devotion because her final thoughts led her to her destination. Her heart was attached to Krishna and so she would have become a devotee. However, she didn't receive anything on the path of devotion. On the path of knowledge you receive an inheritance for 21 births. Devotion of Shiva is performed first and then of the deities. Now people even worship a mouse, a cat etc. They put Krishna aside and begin to worship Hanuman or Ganesh

etc. The degrees continue to decrease in the golden and silver ages, and the degrees also decrease on the path of bhakti. Now no one is of any use. When everyone's condition becomes like this, the Father comes and explains to you. You stay in ascent for half the cycle and then after half the cycle you begin to descend. People think that because they have to fall anyway, what should they do with knowledge? However, human beings are of no use without Godly *knowledge*. What were you and I before? Nothing at all. Knowledge is definitely needed. You study for the livelihood of your body. Nowadays, even kumaris have to study to earn their livelihood. This wasn't the system in earlier days. Kumaris would look after the homes and the sons would study to be able to have a job. The unlimited Father is now teaching you children. If everyone were to come and sit here, who would give knowledge to your friends and relatives? You have to go to them. Study and teach others. Some don't study at all. So you should understand that they don't belong to your Brahmin clan. You should definitely make effort to colour them. There is no question of being afraid of this. By making effort, someone or other will definitely be coloured. Even if someone *insults* or defames you, just continue to make effort and see how someone or other will definitely be affected. When a scorpion is moving along and sees something soft, it stings it. It tries it out first. Here too, you children have to become *experts*. You mustn't give the imperishable wealth to those who would waste it. See if someone is worthy of a donation before giving it. If you donate to someone and that person commits a sin with it, then the sin of that is also accumulated by you who donated to that person. You have to be very cautious here. Money has to be given to someone with great caution, after getting permission. Whatever people are building here will soon be demolished. These buildings have been built for the children to live in. You know that all of them will be demolished. When *earthquakes* take place, all the temples etc. will be demolished. None of that will happen in our kingdom. There won't even be America or Russia there. You know that only the land of Bharat will remain. All the rest of the world is in extreme darkness. This *school* of Baba's is so big. The *teachers* here are also numberwise. Not everyone is the same. You can see that the greatest *teacher* of all is Shiv Baba. Then there is this River Brahmaputra. It is said: You are the Mother and the Father. Therefore, this one is the mother. Then there is also the name of Saraswati. The name Brahmaputra is fine because of its similarity to the name of Brahma. They show the meeting of the ocean and the River Brahmaputra. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

#### Essence for dharna:

1. Before belonging to the *most beloved* Father, become a complete destroyer of attachment. Become engaged in service when your stage becomes strong.
2. Let your heart have disinterest in this world and be courageous in becoming pure. Be cautious and give donations to those who are worthy.

**Blessing:** May you be a victorious jewel who has faith in the intellect and thereby remain unshakeable even in upheaval.

Victory and faith are very firm companions of one another. Where there is faith, there will definitely be victory. Since you have the faith that the Father is the Almighty Authority and that you are a *master* almighty authority, where else could victory go? Those who have such faith in the intellect can never be defeated. When your *foundation* of faith is firm, storms cannot shake you. To remain unshakeable in upheaval is to be a victorious jewel who has faith in the intellect. However, there mustn't be faith in just the Father, but also in yourself and the *drama*.

**Slogan:** A flying bird is one who is free from all bodily relationships and makes effort to become an angel.

\*\*\* O M S H A N T I \*\*\*

**Essence:** Sweet children, forget everything including your body and become complete *beggars*. Connect your intellect's yoga to the land of Shiva and the land of Vishnu.

**Question:** In which aspect do you children have to become generous-hearted like the Father?

**Answer:** Just as Baba becomes generous-hearted and takes everything worth straws from you and gives you the sovereignty of the world, in the same way, you too have to become generous-hearted. Open *Godly universities* everywhere. If even three or four people claim a good status, that is great fortune. Become worthy and reveal the Satguru. Never ask anyone for money.

**Song:** Do not forget the days of your childhood...

Om shanti. All of these songs are to entertain the children. BapDada and Mama. There are two Mamas. Dadi (grandmother) and the mother. This one is also your grandmother. You are the children of Brahma and the grandchildren of Shiva. Mama is Saraswati, a daughter of Brahma and granddaughter of Shiv Baba. Jagadamba has become the instrument to look after you children. Shiv Baba has many forms. He plays and entertains you a great deal. Festivities are for entertainment. When an engagement takes place, they celebrate with a lot of festivity. Then, before they get married, they both wear torn clothes. They are also massaged with oil. That custom is of this time. Baba explains to you children: You have to become complete *beggars*. If you don't have anything, you will receive everything. Nothing should remain: not even your body should remain. Connect your intellect's yoga to the land of Shiva and the land of Vishnu. You should not be attracted to anything else. Look how Baba entertains you. These are the many secrets of Baba. Look how much Meera is also praised. She threw away concern for society just for purity. She became so glorified, but she didn't even receive nectar. She just had love for Krishna. She thought she would go to the land of Krishna just as a wife sacrifices herself when her husband dies; that was why she renounced poison. It wasn't that Meera went to the land of Krishna by remembering him. There was no land of Krishna then. It must be about 500 to 700 years since Meera existed. She was a very good devotee and so she must have taken birth to a very good devotee. She has become so famous. You become the true Meeras of knowledge. You have come here to become the sun and moon dynasty empresses. At first, the uneducated will bow down to the educated, but they will still become empresses. If you forget your childhood and let go of Baba's hand, you will never become an empress. You will receive an even lower status amongst the subjects. You will go to Paradise, but will receive a low status. Baba has explained that you should ask those who perform devotion: What do you want? Why do you worship Krishna? You must surely desire to go to his kingdom but how can you go there? Many people say that they want peace. However, there is peacelessness throughout the whole world. What would happen by just you yourself receiving peace? I can make you constantly happy for 21 births. Deities were constantly happy in just this Bharat. That kingdom is now being established. Here, it is the kingdom of Maya, and so you cannot receive peace. There is a separate place for peace and a separate place for happiness. The land of happiness means everyone is happy. Not a single person remains unhappy there whereas not a single person in the land of sorrow remains happy. As the kings and queens, so the subjects. Here, all are unhappy. In the land of happiness, even the animals are never unhappy. The land of peace, which is also called the land of nirvana, is separate. They say Buddha went beyond to the land of nirvana, but no one has gone there. If he did go there, what did he achieve before he went? All are unhappy here. They are all fighting. Burma and Ceylon belong to the Buddhists. They say that the Hindus should leave their land. They are unable to tolerate them. Baba also sees that there are now many religions and that this is why they are unable to tolerate anything. Therefore, they immediately get rid of everyone. In the golden age there is just the one religion. You children have all of this knowledge in your intellect. You should take the pictures with you and go and do the *service* of those in the stage of retirement. You should push your way into the temples and talk to them. The Shiva lingam is shown in front of Shankar. Therefore, He must definitely be greater than Shankar. If Shankar is a form of God, what is the need to place a Shiva lingam in front of him? All of that has been spread by the sannyasis. They don't belong to the deity religion. They call themselves those who have knowledge of the brahm element. They don't even know about Shiva. The element of light is the place of residence. Those people don't consider brahm and the element of light to be one. Achcha, if they are those who have knowledge of the brahm element, why do they call themselves Shiva? They believe that

Shiva and the brahm element to be one. If there is just the one, why are three separate names given? Shiva is worshipped in the form of the lingam (oval shape). Can anyone show you how to worship the brahm element? That is the place of residence. People are very confused. You children now have to become clever. Anyone amongst the sannyasis, those who originally belonged to the deity religion would emerge and quickly take this knowledge. Those who have been *converted* to other religions three or four births earlier will not emerge as quickly. Those who have recently been converted will emerge quickly. Baba has that attraction (pull). Souls are the needle and Baba is the Magnet. Needles have now become rusty. How can a rusty needle go up above? Rusty objects are dipped in kerosene. Baba removes everyone's rust with the nectar of knowledge. Then we will become real gold. You are now changing from lords of stone to lords of divinity. Bharat was the land of divinity. Look how expensive gold has now become. It will then become very cheap there. This Bharat has now become the land of stone and it will then become the land of divinity. This cycle continues to turn in our intellect. Only when the cycle turns in your intellect throughout the day will you become kings and queens who are rulers of the globe. No one in the world knows these things. You know that those who rule in the golden age take 84 births and that those who came in the silver age surely take fewer births. There is such a vast difference between 84 births and 8.4 million births that people have portrayed. In that case, the cycle would also have to be just as long so you can take that many births. All of those things are lies. You should always first of all place the picture in front of them. You must never ask for money for it. Your duty is to give it to them. Whatever they want to give, they will give that by themselves. If anyone asks you the cost of it, tell them that Baba is the Lord of the Poor and that it is *free* for the poor but however much money a wealthy person gives, we can print many more pictures with that money. We don't use the money given to us for ourselves. Whatever we receive is used to serve others. It is the wealthy people who will build dharamshalas etc. Yes, the poor can also build them. There is no expense in that. Similarly, the mothers of the village of Kakod say that they want to open a *centre*. If even 3 or 4 people claim a good status from such a *Godly university*, it is their great fortune. You have to be generous-hearted in this. Look how generous-hearted Baba is. He takes everything worth straws from you and gives you the sovereignty. Only worthy children can do Baba's *service*. What would unworthy ones do? The Father does not give an inheritance to unworthy ones. You have to reveal the Satguru. If you become lustful or angry, it means you have defamed the Satguru and you won't be able to receive a status. A lot of care has to be taken. You have to explain to people of all religions. Also explain to the Muslims: You pray to Khuda (God) and so you are definitely His devotees. So, where is Khuda? Khuda alone can give you the *knowledge* of the Creator and creation. He resides in the land of peace. By remembering Him, you can claim the inheritance of peace. By claiming your inheritance, your sins will be absolved and you will then go to Khuda. This knowledge is for those of all religions. This is something completely new. Your boat goes across with knowledge and you don't need to go anywhere else. Therefore, sweet children, you are now going to heaven and so you definitely need to become pure. Look, there isn't purity in Bharat and so they continue to stumble around. There is so much chaos. Whatever Gandhiji taught before he went, the people are *following* him in that. When the roadsweepers, labourers and drivers etc. go on *strike*, they cause so many problems for the *Government*. The *Government* asks them very clearly: How can we cover the expenses for so many? People then reply: You enjoy yourselves very much and just continue to accumulate wealth. What crime have we committed? We need a salary. When they go on *strike*, their work comes to a halt. All of this has to happen. Sometimes, you won't be able to get vegetables or grain, or even milk. There is conflict everywhere. After all of this chaos, there will be peace. Arjuna was granted a vision of destruction and of the land of Vishnu. You too are now having those visions. Look, you are such beloved children. You have come and met Baba at the end of many births and so, claim your full fortune. (There was a lot of heavy rainfall.) Look, there has been a lot of rain of Baba's knowledge and there has also been a lot of physical rain. People create sacrificial fires for rain and also for *peace*, but only the one God is *peaceful*. Only when He comes can He give knowledge for peace. He is the One who gives knowledge. Good children are called tollput (sweet children). Sweet *toli* is given. That is a physical sweet whereas this is the spiritual sweet that the spiritual Father gives you. It is a high destination to remain soul conscious. Effort is required for that. Baba says: Be soul conscious for 8 hours. Then you

can also do your work for your own livelihood. If you stay awake at night, you will be able to have very good yoga. It is an income. O children, who are conquerors of sleep, remember Me in every breath. Churn the ocean of knowledge. The more you stay in yoga day and night, the more your sins will be absolved. The more you churn knowledge, the more income you will earn. However, there is also a lot of *service* to be done. If you ask Baba, Baba would say: You may just sit here. Have a rest! There is no need to ask about this. Was Baba concerned about what people or society would say? Oh! but you are receiving a sovereignty. However, each one does have his own *part* to play. Then you can ask Baba. Each one has to ask for advice because each one's karmic bondages are different. If you have money, use it in a worthwhile way in *alokik service*. You children you have to become mahavirs. It is remembered: Mine is one Shiv Baba and none other. He is the Father of everyone. Shiv Baba says: I have come to take everyone back. The Father says: Not a single human being in this world is trikaldarshi or a theist. All are atheists. They don't know the Father. However, there are many with occult powers. Maya too is no less. You have to conquer this Maya. This is why you should always wear your armour. Armour means manmanabhav. Remember Shiv Baba and become soul conscious. Only once do you become soul conscious in this final birth. Then from the golden age to the iron age, no one will give you teachings to become soul conscious. It is only at this time that you have to become soul conscious because you now have to shed your body and come to Me. Why should deities become soul conscious? They don't have to return home. You receive this knowledge at this time. You came bodiless and you then adopted a body, played your *part* and you now have to shed your body and return home. You have to make your stage firm and conquer Maya. You have to live at home with your family. When swans and storks live together, there are obstacles. A great many assaults from devils have to be tolerated. Whilst sitting at home, you have to make the firm promise: Baba, no matter what happens, I will definitely claim my inheritance from You. Some experience so much beating. According to the *drama*, this *part* was also enacted in the previous cycle. Those who tolerate a lot of beating have great fortune. At least, you have still come and met Baba! Therefore, your reward is created. Yes, it does require effort to change from devils to deities. For as long as you live, continue to drink the nectar of knowledge. Baba continues to explain new things. He continues to show you methods. This is called churning the ocean of knowledge. You should use the churning stick of the intellect. Remember Shiv Baba at night before going to sleep. If you are interested in *service*, you won't be able to sleep. You will continue to have thoughts about it: What should I explain about this *point*? You have to grind the knowledge very well. Only when you rub knowledge will you become worthy to claim the tilak of sovereignty (sandalwood paste). You should *follow* the clever children. The income is huge. Those who have hundreds of thousands and millions will all be destroyed. In just a short *time*, see what happens! Then people will awaken. *Rehearsals* for war will continue to take place. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

**Essence for dharna:**

1. Don't be attracted to anything. Remain soul conscious. Always wear the armour of remembrance.
2. Conquer sleep and remember the Father in every breath. Churn knowledge and accumulate an income. Use the churning stick of the intellect.

**Blessing:** May you have faith in the intellect and remain carefree with the awareness of Karankaravanhar and thereby become a carefree emperor.

Brahmin life means to be a carefree emperor. Father Brahma became a carefree emperor and always sang the song: I have attained what I wanted. What else remains? Whatever service work remains, Karavanhar is inspiring that to take place, and will continue to make it happen. Always have the awareness that the Father, as Karavanhar, is making things happen through you and you will thereby remain carefree. When you have the faith that the task has to happen, that it is already accomplished, then, with faith in the intellect, remain free from worry and carefree.

**Slogan:** In order to step away from all your weaknesses, adopt an attitude of unlimited disinterest.

\*\*\* OM SHANTI \*\*\*

**Essence:** Sweet children, you now have to become pure living beings (embodied souls). No one at this time is a pure living being and they therefore cannot call themselves mahatma (great souls).

**Question:** Which children receive the prize of the golden-aged kingdom?

**Answer:** Those who claim *number one* in the *race* of remembrance by following shrimat receive the prize of the kingdom. If you *race* fast, you have a good name in the *register* and claim a right to the prize. You children become far-sighted and *race* far away. You reach your goal (the supreme abode) in a *second* and come back again. It is in your intellect that you will first go into liberation and then into liberation-in-life. No one else can *race* like you.

**Song:** At last the day for which we had been waiting has come...

Om shanti. Who knows that at last that day has come? You children know that the day has now finally come when you are face to face with the Father. The soul says this through the body. You souls now sitting here know that you are sitting face to face with the Supreme Father, the Supreme Soul. We souls, that is, we living souls, also truly met God personally 5000 years ago. The soul says: This is my body. The body would not say: This is my soul. The Father of us souls has finally come here today. He definitely has to come to give knowledge after bhakti (devotion). He has finally come to give us salvation through knowledge. No one in the whole world knows this. He cannot be face to face with the whole world. You children also have faith, numberwise, according to the effort you make. First of all you have the faith that you are a soul and then you have the faith that your Father has come once again. You would think that everyone else also has faith in this way, but it isn't like that. He is so unique (without an image) that you repeatedly forget Him. You forget that you are souls and that you are sitting face to face with the Supreme Father, the Supreme Soul. Even the world knows that the Supreme Father, the Supreme Soul, comes to make impure living beings pure. Living beings do not come here to make souls pure. All are living beings and the Supreme Father, the Supreme Soul, is only One. He would not be called a living being (embodied being) because He doesn't have a physical or subtle body. The Father sits here and explains this. All the bodily beings with names, that is, Brahma, Vishnu and Shankar, whose images you see, reside in the subtle region. They too are subtle living beings. These are matters have to be clearly understood. Although people say that So-and-so is a mahatma (a great soul), where would great souls come from in the impure world? No one here can be *supremely* pure. Yes, that *Supreme* Father went away after purifying you. There used to be deities at the beginning of the golden age. You surely understand that souls were pure and that they are now impure living beings. There were also pure living beings. Truly, there were pure living beings in the world at the beginning of the golden age. They are called great souls. The Father explains that no one in the impure world can be a great soul. All are impure living beings. Impure living beings would definitely make others impure too. There, there are pure living beings. So what would they do? It isn't that they would make living beings pure. No, there is no question of making anyone pure. It is at this time that all become pure living beings. There, all are pure. Who makes everyone so pure? The Father sits here and explains: When you were deities, you were pure, and then you came here and became impure. This is the world of sinful living beings. You have to explain the words very *clearly*: "sinful living beings", because soul and body are both impure. There, they are not given the name mahatma. There, all are pure; they are called deities. They are full of all virtues, 16 celestial degrees full, the living beings who follow the highest religion of non-violence. "Completely viceless" means completely pure. It has been explained to you children that sannyasis make effort to remain pure. Good sannyasis who are called mahatmas remain pure. They remain separate in order to become pure. However, they belong to the path of isolation. They are called great souls on the path of devotion, not on the path of knowledge. Knowledge and devotion are both remembered separately. For half the cycle, there is the reward of knowledge in the golden and silver ages. Then, it would be said that here, you have the reward of devotion. This is the path of devotion. First of all, devotion is unadulterated, and then at the end, devotion too is tamopradhan and adulterated. It is now the end of adulterated devotion, for this is why the Father has come. The Father only comes once and makes your reward for half the cycle. You make *number one* effort. Some become kings and queens and others become subjects or maids and servants because a kingdom is being established. You are now becoming

those with a far-sighted intellect. Those with a far-sighted intellect are called knowers of the three aspects of time. Those who have knowledge of all three aspects of time are called trikaldarshi. You now know all three worlds. The incorporeal world, the subtle region and the corporeal world are the three worlds. You have now become far-sighted. Your intellect goes from the beginning to the end numberwise according to your efforts. Those who are weak are left behind in a *race*. This is a very big far-sighted *race*. You would never have heard of a *race* of souls. You souls know that you are *students* and that this is your *race*. You have to reach a particular goal and then return. You souls have to *race* very far. Your intellect knows that, originally, you are residents of that place. You can reach there in a *second* and become liberated-in-life. We are originally residents of the supreme abode. Your intellect knows correctly that you will go to the supreme abode and then come down again. Just as you would reach your goal in a *race* and then return, so we too will go to Baba and then come down again. We souls are learning to *race*. You tell everyone: Become manmanabhav, and connect your intellect's yoga to your Father and the supreme abode where you remain bodiless. Only you have this accurately in your intellect. You have the *knowledge* of the three aspects of time and the three worlds in your intellect. No one else can have the knowledge of 84 births. You know that we have to become liberated from this dirty world and dirty body and return home. We are now going there. The Father teaches you this *race* every day. Your *race* is imperishable. The more you remember the Father, the better your name will be in the *register*. It would be said: This one's pilgrimage of the intellect is very good. Only through remembrance will your sins be absolved. If you don't have remembrance, then, because your sins are not absolved, you are left behind. To become subjects or maids or servants is not a *prize*. To become Narayan from an ordinary man and Lakshmi from an ordinary woman is called receiving a *prize*. The Father gives you the prize of the kingdom if you follow His directions and race. Some don't race even two steps. Those amongst the subjects will claim a completely low status. They might even be living here, and yet they would claim a very low status in the kingdom. Your intellect has become so far-sighted. Children from Bangalore and Madras are sitting here and so someone should sit and explain to them in the Madrasi language. Our language is Hindi. Baba would also have explained in this way in the previous cycle. It is asked: Why doesn't God know all the languages? However, that is not in the *drama*. If it were in the *drama*, I would give lectures in all languages. For instance, if people of all languages were sitting here, would I speak in all languages? That would not be possible. For how long would I continue to speak to each one? There would be chaos. Therefore, you should explain: Baba is now explaining in the same language as He explained in the previous cycle. This is why Hindi is widely used. English is also necessary, because they (the Hindustanis) have a greater *connection* with the British. Russia and America etc. have their own languages. They are all *Christians*, belonging to the one religion. However, there are many languages. Here, all are the people of Bharat who belong to the original eternal deity religion, but they have forgotten their religion. There are now so many languages. There is a *mixture* of everything. You have to speak to others in their own language. You have to be very clever in this so that you are able to understand and explain to others. You should bring such a translator with you who is able to explain *accurately*. This is the biggest of all living pilgrimages, whereas all others are non-living pilgrimages. All the sages, holy men and great souls go there; they go very far away. They go to the temples of the ones who went away after making Bharat pure. This is also something to be understood. The Father says: How much should I explain about the expansion of the tree and its branches twigs and leaves? You understand that all of those are small branches and twigs. There are so many leaves on a branch. There are so many sects and cults. Your trunk would be so big. There would also be so many leaves. The original eternal deity religion has continued from the golden age. So, there should be so many Hindus. However, they aren't in fact even as many Hindus any more because they have been *converted* into other religions. This is the kalpa tree. At the beginning, there were those who belonged to the original eternal deity religion. In fact, those who call themselves Hindus also originally belonged to the original eternal deity religion, but they have been *converted*. The Father says: I come and once again establish the religion that is called the deity religion. Those who have been *converted* will come and once again claim their inheritance. When not a single person who could have been called a deity remains here, the Father comes.

He comes and explains that your non-living memorials exist here. When Christ comes, his religion is not spoken about. Here, there are temples and other signs of the deities. When it is your kingdom, there is no name or trace of Christ. Here, there is everyone's name and trace. You know when Christ came and how Christianity was established. In which body would Christ be now? He would definitely be in an impure body. He himself was pure. You children have all the knowledge in your intellect. You are made far-sighted. No one knows where we souls come from and where we reside. They consider the place of residence to be God. In fact, when the soul becomes false, the body also becomes false. Holy men say: Maya is false, the body is false, the whole world is false, but the soul is free from the effect of action. They only speak of things that suit them. Why do they not say, "False soul, and the body of the false soul"? They put the body in a coffin (arthi). No one places the soul in a coffin. It is the body that is put in a coffin. The soul left that body and entered another. This is something to be understood. You can explain to any sage or holy man. No one here in this impure world is a great soul. Great souls are called pure souls. So, the body too has to be pure. This is the *iron age*. A kumari is worshipped until she indulges in vice. People call out for purity: Come and make us pure. Since they are calling out, how can you consider them to be great souls? No one is a great soul. This is the unique Supreme Father, the Supreme Soul, the One without an image. You know that you, who were pure living beings, deities, have now become impure. You have become corrupt in your religion. Christians know about their religion. They would instantly say that they are Christians. You, who belonged to the highest-on-high religion, have forgotten your religion. By forgetting, you have become corrupt in your religion and action. You were elevated and Ravan has now made you degraded. You can understand the meaning of this. You children are now imbibing knowledge to make your future fortune elevated. By disobeying shrimat, your fortune is crossed out. You even forget that it is the Father who gives you shrimat. So, at last that day has come... Only you know this. Not everyone knows this *accurately*. They will know it at the end when they understand everything. Now they repeatedly forget. Hardly anyone tells the truth. They don't hesitate to tell lies. Maya slaps very good strong children. The Father knows everything. He tells you that you are making a mistake and doing a lot of *disservice*. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

#### Essence for dharna:

1. Become far-sighted, know the three worlds and the three aspects of time and *race* with your intellect. Become liberated from this dirty world and dirty body.
2. Erase the habit of telling lies. Never disobey shrimat and thereby do *disservice*.

**Blessing:** May you be free from worry by becoming free from unnecessary thoughts and thereby experience help in the form of power from the Father.

Many children think: How will service increase? When will good students come? How much longer will we have to run around doing service? However, service doesn't increase by thinking about it. Become free from any unnecessary thoughts, keep your intellect *free* and you will experience help in the form of power from the Father and service will grow automatically. Baba is Karavanhar and I, the soul, am an instrument to do it. This is called being free from unnecessary thoughts, that is, staying in remembrance of the One. Such souls cannot have any worries. Where there are pure thoughts, there is no worry.

**Slogan:** With your stage of being beyond, step away from everything and you will experience the support of the one Father.

\*\*\* O M S H A N T I \*\*\*

**Show the sparkle of newness through the new knowledge and new life.**

Today, all the children from everywhere are present in this *highest* and *holiest* spiritual gathering in the corporeal or angelic form to celebrate the New Year with BapDada who with this new knowledge gives new life in the new age. All the children's zeal and enthusiasm from their heart, their pure thoughts of a promise to bring about transformation, their good wishes and pure feelings have reached BapDada. BapDada is giving greetings to all the creators of the new world, the special world-transformer souls, the ones who always stay beyond the awareness of the old sanskars, old memories, old attitude and awareness of the old body in this old world, and to those who bid farewell to all the old things of the world. He is giving congratulations of the tilak of self-sovereignty to those who put a full-stop to the past and apply a tilak of self-sovereignty. Together with congratulations for bidding farewell, Baba is also giving all the children a special gift for the New Year: "May you always remain in the Father's company. May you also be equal. May you always have the elevated spiritual intoxication of being seated on the heart-throne." Baba is giving the gift of this blessing.

Throughout the whole year, let there be this powerful awareness: You are with the Father, you are equal to the Father and you will automatically at every moment continue to experience the congratulations for bidding farewell in every thought. If you haven't bid farewell to the old, you can't experience greetings for newness. This is why, just as you are bidding farewell to the old world, in the same way, together with the year, whatever old things Baba has told you about, also bid farewell to all of those. This is the new age, the beautiful new world of Brahmins new relationships and a new family. There are new attainments. Everything is new. When you look at others, you look at the spirit with spiritual vision. You only think of spiritual things. Therefore, everything is new, is it not? The systems are new and the love is new, everything is new. So constantly have greetings for newness. This is called spiritual greetings which are not for just one day, but you constantly continue to move forward with spiritual congratulations. You are being sustained and are moving along with the congratulations and spiritual blessings of BapDada and the whole Brahmin family. No one in the world can celebrate such a *New Year*. They celebrate for a temporary period. You celebrate it eternally, for all time. There, they are human souls celebrating with human beings, whereas you elevated souls celebrate with God, the Father. You celebrate with the Bestower of Fortune and the Bestower of Blessings. This is why, to celebrate is to fill your aprons for all time with treasures and blessings. Theirs is celebrating and losing, whereas here, you fill your aprons. This is why you celebrate it with BapDada, is it not? Those people say "*Happy New Year*" and you say "*Ever Happy New Year*". It isn't that, today, you are happy and tomorrow, a situation of sorrow makes you unhappy. No matter what type of sorrowful situation comes, even at such a time, with your stage of an embodiment of happiness and peace, you play the *part* of a bestower, a *master* ocean of happiness, and give rays of peace and happiness to everyone. This is why you remain beyond any influence of sorrowful situations and constantly experience being *ever-happy*. So what newness will you put into this New Year? You will have *conferences* and *melas*. Everyone is now already tired of all those old customs and systems and old ways and activities. Everyone feels that something new should happen. They are unable to understand what newness there should be or how it should take place. Give an experience of the sparkle of newness through this new knowledge and new life to those who desire some newness. They do at least understand that this is good. However, as yet, the experience that this is new and that it is this new knowledge which is bringing about the new world is incognito. They are saying that it should happen. In order to fulfil their desire, put the practical *example* of new life in front of them in a practical way through which they can experience a new sparkle. Therefore, reveal the new knowledge. When newness is experienced through the life of every Brahmin, they will be able to have a glimpse of the new world. Whatever *programme* you have, aim to let everyone experience newness. Instead of them making the *remark* "This too is a good task", let them have an experience that this new knowledge will bring about the new world. Do you understand? Spread the wave of experiencing the establishment of the new world. "The new world is about to come, that is, the

time for all of us to receive the fruit of our good wishes has come.” Let such zeal and enthusiasm be created in their mind. In place of hopelessness, ignite deepaks (earthenware lamps) of good wishes in them. When any big day is celebrated, they ignite deepaks. Nowadays, they have *royal* candles. Therefore, ignite this deepak in everyone’s mind. Celebrate such a *New Year*. Give everyone the gift of the fruit of elevated feelings. Achcha.

To those who constantly give others a glimpse of the new life and the new age, to those who give greetings of new zeal and enthusiasm, to those who make everyone *ever-happy*, to those who give the world the experience of the new creation, to all the most elevated new age transformers, world benefactors, to those who constantly experience the Father’s company, to the children who are constant companions of the Father, BapDada’s love, remembrance and namaste.

### **BapDada meeting groups:**

Have all of you had the determined thought that the new zeal and new enthusiasm for the New Year has to remain all the time? This is the new age and so every thought should be the newest of all. Let every action be the newest of all. This is called new zeal and new enthusiasm. Have you had such a determined thought? Just as the Father is eternal, so the attainments from the Father are eternal. Therefore, you can attain imperishable attainments through your determined thoughts. So, when you return to your work places, don’t forget this imperishable determined thought. To forget means to lack attainment whereas to have the determined thought means to have all attainments.

Always consider yourselves to be multimillion times fortunate souls. When every step you take is filled with remembrance, each of those steps will be filled with multimillion-fold income. Therefore, always consider yourself to be a multimillion times fortunate soul who earns a countless income each day, and always have the happiness “Wah my elevated fortune!” Others who see you happy will continue to receive inspiration. This is an easy way to do service. Those who are constantly intoxicated in remembrance and service are the ones who remain *safe* and victorious. Remembrance and service bring such power that you will constantly continue to move forward. However, always definitely maintain a *balance* between remembrance and service. This *balance* will enable you to receive *blessings*. Because of the courage of courageous children, they constantly receive help. When children take one step of courage, they receive a thousand steps of help from the Father.

### **After midnight, on 1.1.85, double-foreign brothers and sisters sang a song of happiness of the New Year and BapDada gave greetings to all the children.**

Just as children sing songs of remembrance out of love for the Father, and become merged in love, in the same way, the Father is also merged in love for the children. The Father is the Beloved and also the Lover. The Father also falls in love with the speciality of each child. So do you know your own speciality? Does each of you know which speciality you have that made the Father fall in love with you?

In the whole world, there are so few such loving children of the Father. Therefore BapDada is giving all the loving children multimillionfold greetings for the *New Year* with a lot of love from the depths of His heart. Just as all of you sang songs, BapDada is also singing songs of happiness of you children. The Father’s songs are sung in the mind and your songs are sung in words. Your songs have been heard, but did you also hear the Father’s songs?

In this New Year, in every action, always definitely continue to show one speciality or another. Let every thought be special, let it not be ordinary. Why? Every thought, word and deed of special souls is always special. Constantly continue to move forward with zeal and enthusiasm. Zeal and enthusiasm are your

special wings. You can fly as high as you want with these wings. These wings give you the experience of the flying stage. Fly with these wings and no obstacle will reach you there. When people go into *space*, there is no pull of the gravity of Earth there. In the same way, obstacles cannot do anything to those who are in the flying stage. Special service is to continue to move forward constantly with zeal and enthusiasm and to inspire others to move forward. Servers constantly have to move forward with this speciality. Achcha.

**Blessing:** May you be true servers who are always happy by constantly eating Dilkhush toli (makes heart happy) and feeding others this toli.

Those who eat Dilkhush toli every morning at amrit vela remain happy throughout the whole day, and others who see them also become happy. This nourishing Dilkhush toli makes any situation become very small. It makes a mountain into cotton wool. Therefore, always have the awareness that you are those who eat Dilkhush toli and feed others Dilkhush. When your mind always remains happy, even in a situation of tears it would be said that you are happy-hearted. Service takes place through even their face. Their face reveals the character of knowledge.

**Slogan:** Those who inspire others to make their life elevated through their every thought are charitable souls.

\*\*\* O M S H A N T I \*\*\*
