

Essence: Sweet children, this confluence age is the age of benevolence. It is in this age that you have to become masters of the land of Shri Krishna by studying.

Question: Why does the Father place the urn of knowledge on the mothers? What system only continues in Bharat?

Answer: The Father places the urn of knowledge on the mothers in order that they can make everyone become pure from impure by tying a rakhi on them. Only in Bharat does the system of Rakhsha Bandhan exist. A sister ties a rakhi on the wrist of her brother. This symbolises purity. The Father says: Children, constantly remember Me alone and you will become the pure masters of the pure world.

Song: No one is as unique as the Lord of Innocence....

Om shanti. This is the praise of the Lord of Innocence. He is also called the Bestower. You children know who gave Lakshmi and Narayan the fortune of their kingdom. It must definitely have been God who gave it because He is the One who establishes heaven. Just as the Lord of Innocence gave the sovereignty of heaven to Lakshmi and Narayan, so, He also gave it to Krishna. Whether you say Radhe and Krishna or Lakshmi and Narayan, it is the same thing. However, there is no kingdom now. No one, except the Supreme Father, the Supreme Soul, can give them their kingdom. Their birth is said to be in heaven. Only you children know this. Only you children can explain Janamasthmi (the birthday of Krishna). Since there is the birthday of Krishna, there must also be one for Radhe because both reside in heaven together. Radhe and Krishna become Lakshmi and Narayan after their marriage. The main thing is: Who gave them their kingdom? Who taught this Raja Yoga and when? It wouldn't have been taught in heaven. In the golden age they are the most elevated beings. The golden age comes after the iron age. Therefore, Raja Yoga must definitely have been taught to them at the end of the iron age so that they could attain their kingdom in their new birth. The old world changes into the pure new world. The Purifier must definitely have come. No one knows what religion exists at the confluence age. This confluence age that has been remembered is between the old world and the new world. Lakshmi and Narayan are the masters of the new world. The Supreme Father, the Supreme Soul, taught those souls Raja Yoga in their previous birth. In their new birth they receive the reward of the effort they made at that time. This is the most elevated benevolent confluence age. Someone must definitely have taught them Raja Yoga at the end of their many births. In the iron age there are many religions whereas in the golden age there is just the one deity religion. What is the religion that exists at the confluence age in which they make effort and study Raja Yoga to attain their reward in the golden age? It is explained that Brahmins are created through Brahma at the confluence age. It is also shown in the pictures that the land of Krishna is established through Brahma. Whether you call it the land of Vishnu or the land of Narayan, it is the same thing. You know that you are becoming masters of the land of Krishna by becoming pure now through this study. These are the versions of God Shiva. It is the soul of Krishna who becomes this at the end of his many births. The soul takes 84 births. In this his 84th birth, he is named Brahma. Where else would Brahma have come from? If God created creation, then where did Brahma, Vishnu and Shankar come from? How were they created? Was some magic performed that made them emerge? Only the Father tells you their *history*. When someone is *adopted*, his name is changed. This one did not have the name Brahma before. It is said, "At the end of many births".... Therefore, he must definitely have been an impure human being. No one knows where Brahma came from. For whom is this the last of many births? It can only have been Lakshmi and Narayan who took many births. The name, form, place and time continue to change. The story of 84 births is written very *clearly* in the picture of Krishna. Many pictures of Krishna are sold at the time of Janamshtmi because everyone goes to Krishna's temples. They go to the temple of Radhe and Krishna. Radhe would definitely be with Krishna. Radhe and Krishna, the *princess* and *prince*, then become Lakshmi and Narayan, the empress and emperor. They take 84 births and become Brahma and Saraswati in their last birth. The Father enters him at the end of his many births. This is what is meant when it is said that you don't know about your births. You were Lakshmi and Narayan in your first birth. Then you took this birth but they have mentioned the name "Arjuna"; that Arjuna was taught Raja Yoga. They have made Arjuna separate, but his name is not really Arjuna. There has to be the life story of Brahma, but there is no mention of Brahma or the Brahmins anywhere. Only the Father sits here and explains these things. All you children listen to these things and then have to explain to others. They listen to religious

stories and then relate them to others. You listen to this and then relate it to others. This is the most elevated confluence age, the *leap* age, the *extra* age. When there is the leap month (in the Hindu calendar), there are 13 months. The festivals they celebrate every year are of this confluence age. No one knows about this confluence age. It is at this confluence age that the Father comes and inspires you to make a promise to become only pure. He establishes the pure world out of the impure world. The system of Raksha Bandhan only exists in Bharat. A sister ties a rakhi on the wrist of her brother. However, that kumari (sister) then becomes impure. The Father has now placed the urn of knowledge on you mothers. This is why the Brahma Kumars and Kumaris inspire people to promise to become pure when they tie a rakhi on them. The Father says: Constantly remember Me alone and you will become pure and the masters of the pure world. However, there is no need to tie a rakhi etc. This is just an explanation given to you. The sages and sannyasis ask for donations. Some say, give your anger as a donation. Some say: Don't eat onions any more. They ask for the donation of whatever they themselves don't eat. It is the unlimited Father who inspires you to make the most important promise of all. If you want to become pure, remember the Purifier Father. You have been becoming impure from the copper age. Now the whole world has to be pure and only the Father can accomplish this. No human being can be the Bestower of Salvation for all. Only the Father makes you promise to become pure. Bharat used to be pure heaven. Only the Supreme Father, the Supreme Soul, is the Purifier. Krishna is not called the Purifier. He takes birth. His parents are also shown. It is Shiva alone who has a divine birth. He Himself gives His own introduction of how He enters an ordinary body. He definitely has to take the support of a body. I am the Ocean of Knowledge, the Purifier, the One who teaches Raja Yoga. Only the Father is the Creator of Heaven. He then inspires the destruction of hell. Hell doesn't exist when heaven exists. Now, it is the extreme depths of hell. When the iron age has become completely tamopradhan hell the Father comes and creates satopradhan heaven. He makes it 100% pure from 100% impure. The first birth will definitely be satopradhan. You children should churn the ocean of knowledge and give lectures. Each one's way of explaining is different. The Father Himself explains one thing today and something else tomorrow. It cannot be the same explanation all the time. Even if someone were to listen to these things *accurately* from the cassette, he wouldn't be able to relate them *accurately*; there would *definitely* be some difference. You know that everything that the Father tells you is fixed in the *drama*. He tells you today, word by word, exactly what He told you a cycle ago. This *record* is recorded. God Himself says: I speak to you the exact words that I spoke to you 5000 years ago. The *shooting* of this *drama* has already taken place. There cannot be the slightest difference in this. Such a tiny soul is filled with the *record*. You children understand when the birth of Krishna took place. It is said to be a few days less than 5000 years before today. He is now studying. The new world is being established. You children should have so much happiness in your heart. You know that the soul of Krishna has been around the cycle of 84 births. He is now returning to the name and form of Krishna. It is shown in the picture how he is kicking the old world away and holding the new world on his palm. He is now studying. This is why it is said that Shri Krishna is coming. The Father definitely teaches him at the end of his many births. Krishna will take birth when this study comes to an end. There is little *time* of the study remaining. Krishna definitely has to take birth after all the innumerable religions are destroyed. It will not just be one Krishna alone, it will be the land of Krishna. It is you Brahmins who study Raja Yoga and then claim the deity status. You become deities through this *knowledge*. The Father comes and changes ordinary humans into deities with this study. This takes the most time. This is a pathshala. The study is easy. But it is yoga that requires effort. You can show how the soul of Krishna is now learning Raja Yoga from the Supreme Father, the Supreme Soul. Shiv Baba is teaching you souls through Brahma in order to give you the kingdom of the land of Vishnu. You children of Prajapita Brahma are Brahmins. This is the confluence age. This is a very small age. The top-knot is the smallest. Then, bigger than that there is the mouth, then the arms, then the stomach and then the legs. They show a variety-image form, but no one is able to give an explanation of it. You children have to explain the secrets of the cycle of 84 births. After the birth of Shiva, there is the birth of Krishna. This confluence age is for you children. For you, the iron age has finished. The Father says: Sweet children, I have now come to take you to the land of peace and the land of happiness. You were the residents of the land of happiness and then you went to the land of sorrow. You call out: Baba, come to this old world. This is not your world. What are you doing now? You are establishing your world with the power of yoga. It is said that non-violence is the supreme religion of the deities. You have to become non-violent. You must neither use the sword of lust nor must you fight or quarrel. The Father says: I come every 5000 years. It is

not a question of hundreds of thousands of years. The Father says: Whilst giving donations, doing tapasya and having sacrificial fires etc., you have come down and become degraded. It is only through knowledge that there can be salvation. Human beings are sleeping in the sleep of Kumbhakarna. They don't awaken at all! This is why the Father says: I come every cycle. I too have a *part* in the *drama*. I too cannot do anything without a *part*. I too am tied in the bondage of this *drama*. I come at my precise *time*. According to the *drama-plan*, I take you children back home. I say, "Manmanabhav", but no one knows the meaning of that. The Father says: Renounce all relations of the body and remember Me alone and you will become pure. Children continue to make effort to remember the Father. This is God's University. There cannot be any other University of God that can give salvation to the whole world. God, the Father, Himself comes and *changes* the whole world. He changes it from *hell* into *heaven*. You then rule there. Shiva is also called Babulnath (Lord of Thorns) because He comes and liberates you from the sword of lust and purifies you. On the path of bhakti there is a lot of external *show*. Here, you have to remember the Father peacefully. Those people do all types of hatha yoga etc. Their path of isolation is totally separate. They believe in the element of brahm. Those who believe in that element are those who have yoga with the elements. That is the residence of souls which is called Brahmand. Those people consider the brahm element to be God and think that they will become merged in that. This means that they make the soul *mortal*. The Father says: I come and grant salvation to everyone. Only Shiv Baba grants salvation to everyone. Therefore, He is like a diamond. He takes you to the *golden age*. This birth of yours is as valuable as a diamond. Then you go into the *golden age*. Only the Father comes and teaches you this *knowledge* through which you become deities. Then, this *knowledge* will disappear. Lakshmi and Narayan do not have *knowledge* of the Creator or creation. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Whilst living in this old world become *doubly* non-violent and establish your new world with the power of yoga. Make your life as valuable as a diamond.
2. Churn what the Father relates to you and then relate it to others. Constantly maintain the intoxication of knowing that when this study comes to an end you will go to the land of Krishna.

Blessing: Become a *master* ocean of knowledge and become an embodiment of remembrance and power and finish playing with dolls.

On the path of bhakti they create idols, worship them and then sink them. You refer to this as the worship of dolls. In the same way, when anything that has no life, such as jealousy, imagination, force, etc., comes in front of you, you experience it growing. You also make others experience this by saying that it is true. This too is like giving life to those things. Then, by having remembrance of the Father, the Ocean of Knowledge, you let the past be the past and you sink those things in the waves of self-progress. However, *time* is *wasted* in doing this. Therefore, become a *master* ocean of knowledge in advance and with your blessing of being an embodiment of remembrance and power, finish playing with dolls.

Slogan: Bring the time of completion close with your stage of perfection.
