

**Essence:** Sweet children, constantly maintain the spiritual intoxication that the Father has come to take you back home. Now everyone has to return home.

**Question:** What is the greatest act of charity that you children perform at this time?

**Answer:** To surrender everything you have to Shiv Baba is a great act of charity. By surrendering everything and following shrimat fully, you receive a very high status.

**Question:** What one new thing sits with great difficulty in the intellect of human beings?

**Answer:** That Shiv Baba who is incorporeal has entered the body of Brahma and that He is the greatest authority of all. The fact that His part is the highest-on-high is something new and it sits in the intellect of people with great difficulty.

**Song:** Who has come here in the early hours of the morning?

Om shanti. Shiv Baba sits here and explains to His children. You children have understood that Shiv Baba is incorporeal and that we souls are also incorporeal. He sits here and explains to you. Only the one Father has this method. The Father sits here and explains who God speaks to. He speaks to His children, to souls. You souls know this and the Father too knows this. A soul cannot hear anything without a body. Only through a body can a soul hear. This is the only spiritual gathering in which the Supreme Father, the Supreme Soul, sits and explains. He now has to take all souls back with Him because the cycle of the drama is now coming to an end. This all refers to the people of Bharat. Baba comes in Bharat and tells the people of Bharat: Children, you have played the maximum *part*. You were deities in the golden age and have now become shudras. I now teach you once again and make you into deities. How could He teach others? The Gita also belongs to Bharat. Each religion has its own scripture. All the religious founders who have come are human beings. They have their own bodies. This One is the incorporeal Father of all souls and He is *knowledge-full*. He knows the beginning, the middle and the end of the drama. The Father only has to teach you children because you are the ones who are going to become rulers of the globe once again. Not everyone will change from humans into deities. The sapling of those who belonged to the first deity religion will once again be planted. When establishment of the deity religion has completely taken place, all the others sects and cults will be destroyed. The Father will take all souls back home with Him. The Father comes into the impure world to take everyone back. You children know that you are now studying the easy Raja Yoga that you studied in the previous cycle. When destruction comes close, everyone's eyes will open. Now, only you have the faith that the Supreme Father, the Supreme Soul, enters this body. It is remembered that the *Guide* and the *Liberator* will come, *liberate* everyone from sorrow and take them back. The Supreme Father, the Supreme Soul, has entered this Brahma. So He is such a great authority. You children have to maintain so much spiritual intoxication that the Father has come to take you back. He says: Remember Me. Hardly anyone looks at Him with that *regard*. God is praised so much. He alone is the Almighty Authority. There isn't as much praise of anyone else. You children have to give so much *regard*. When you sit here in a gathering you have very good remembrance but then, when you go here and there it is difficult to have that remembrance. Repeatedly consider yourself to be a soul for only then will you be able to remember the Father. You have to conduct yourself with such a Father with great regard. However, because Baba is ordinary, there isn't that *regard*. You understand that Baba is the Death of all deaths. This Shiv Baba, whom you call BapDada will take everyone back with Him. Baba has received the greatest part of all which the whole world remembers. No one else can tell you what the soul is. It is said that the Soul is a lingam. The Shivalingam is worshipped. We also write: Jyotilingam (oval shape of light). However, in fact, He is not so big. He is like a *star*. He has the whole part recorded in Him. This doesn't enter anyone's intellect. When they hear that the soul is a *star* and that the Supreme Soul is also a *Star*, they will be amazed how powerful the One who enters this one who takes the complete 84 births is. He sits in him and gives you all the *knowledge* of how you are souls. Your 84 births are now complete. Now, remember Me and your sins will be absolved. You children are now aware of how you souls are tiny points. You have the part of 84 births recorded in you which has to be *repeated accurately* at its own time. However, just as a king and queen in a drama receive an elevated part, so Shiv Baba has the most elevated part of all. This too is predestined in the drama and it continues to *repeat*. You children also know that the highest-on-high

Father has received the highest-on-high part. You have the whole unlimited drama in your intellect, and how Baba, the Supreme Soul, enters an ordinary body. In the scriptures, they have shown the chariot of Arjuna to be a horse-drawn chariot. The meaning of chariot is so vast! This is His chariot. The Supreme Father, the Supreme Soul, Himself says: I enter this one and explain everything to you. These things of knowledge are not in any of the scriptures. Shiv Baba has entered the body of Brahma. Because this is something completely new, it doesn't sit in anyone's intellect. The Father says: Children, now become soul conscious! The Supreme Father, the Supreme Soul is now teaching you. You have to remember Him. He is sitting in this chariot. You used to call this one Dada. Here, Bap and Dada are *combined*. You call them BapDada. First is Bap and then Dada. Then, this one is also your mother. He explains these deep things to you. This one is the Brahmaputra River. He is not the Ocean. This one is said to be the biggest river of all. Then there is the River Saraswati. You are the Ganges of knowledge who have emerged from the Ocean of Knowledge. They have then created that picture. How do they know where Brahmaputra emerged from? Then there is also the name of Sindh Saraswati. There is a little bit mentioned in the scriptures. It is the soul that becomes pure and the soul that becomes impure. This is not said of the body; it is said of the soul. At this time, everyone is once again impure. No one's body is pure. All are sinful souls. You become the most charitable souls. You *surrender* everything to Shiv Baba. There are many who have *surrendered* everything of theirs. Surrender greed! Renounce such-and-such a thing! When you belong to Baba here, you *surrender* everything to Baba. Baba then gives you the return. To the extent that someone follows shrimat and *surrenders*, so he receives a return according to that. The main thing is to remember Shiv Baba. Shiv Baba comes here to teach you. He would not sit in this one the whole day. It is a matter of a second. As soon as you remember Him, He comes. You probably think that Shiv Baba always remains here. However, this one himself forgets Baba. At this time, the Father Himself says: I have come to take everyone back. Reason also says that destruction definitely has to take place. Now, there are many human beings. A lot of preparation for destruction is taking place. Only you know this. Although everyone else also speaks of destruction, they don't know what will happen after that. Amongst you too, you also know numberwise that Baba has come and that the kingdom is being established. We are also Baba's helpers in service. He is changing thorns into flowers. People on the path of devotion don't know the Father at all. If they could find the path to God by studying the scriptures like they say, they should have reached there. However, the Father says: No one has gone back to the supreme abode. Some think that the new world will be created anew once again. There are many opinions in the world. The Father says: All of those are false. Only the one Father speaks the truth. It is said: Sat (the Truth) Shri (the Elevated One) Akalmurat (the Immortal Image). All souls are immortal images. Sat Shri Akal is only the One. All the rest are untrue, that is, false. "The truth" is said for things of knowledge. All the knowledge that they give about God is false. Only *God* comes and gives *Godly knowledge*. You children have to remember that this drama is coming to an end and we have to return home. When it is the end of a drama, all the *actors* understand that the play will end and that they will all go back home. We too are all actors and so we should have the knowledge that only a short time now remains. Baba has come and He will definitely take all of us souls back with Him. However, He doesn't tell us when He will take us back because this is a drama. Everything will continue to happen suddenly. As much as possible, give this explanation to others. They don't understand that this is *right*. However, those who do say it definitely understand it, for this is why they say it. You children have to explain that they have been claiming their inheritance from limited fathers for birth after birth. Now take your inheritance from the unlimited Father. The arrow will strike those who took this knowledge in the previous cycle. You children repeatedly have to remember that you now have to return home to the land of peace. Civil *servants* do service for 8 hours. You also have to increase your pilgrimage of remembrance for up to 8 hours. At the end, only when you remain on this service for 8 hours will you claim your full inheritance. Not everyone will be able to do this. Although some make intense effort, they then become tired. The destination is very high. You children know that the Father has to take all souls back home. Sometimes, even this Brahma is concerned that now he has to take everyone back with him. He continues to be filled with Baba's sanskars. He too is an effort-maker. The play is now coming to an

end. Everyone has to return home. If someone remembers even this, that too is manmanabhav. You children are now personally sitting here. By listening to Baba personally, it becomes imprinted. Repeatedly continue to remember that you now have to return home. Your fear of death has now been removed. Don't fear death. Become soul conscious. Those who are soul conscious are able to do very good *service*. Knowledgeable souls are needed. At exhibitions, you don't need the *service* of those who go into trance, but those who are knowledgeable. The knowledgeable souls are loved very much Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

#### Essence for dharna:

1. Become a helper in the Father's *service* of creating the new kingdom. Do the service of changing thorns into flowers.
2. Practise staying in remembrance for a minimum of 8 hours. Don't be afraid of death because your intellect is aware that you now have to return home.

**Blessing:** May you be one with elevated fortune and create a stage that is free from sinful thoughts by stopping the fast flow of waste thoughts in a second. If you have made a mistake, don't waste your time after that in thinking about "Why? What? How? Not like this, but like that!" etc. For the time that you become the embodiment of these thoughts, you are putting more stains on top of the stains already there. The time of the test *paper* is very short, but the sanskar of having waste thoughts increases the time of the test *paper*. Therefore, *stop* the fast flow of waste thoughts with the power of transformation in a *second* and your stage will become free from sinful thoughts. Only when this sanskar emerges will you be said to be a fortunate soul.

**Slogan:** Become full of the treasure of happiness and all the other treasures will automatically come.
