

**Essence:** Sweet children, in order to become elevated, constantly continue to follow shrimat. Lakshmi and Narayan also became so elevated by following shrimat.

**Question:** Why have people created the memorial of the Gaumukh (the mouth of the cow) on the path of bhakti? Why is there praise of the Gaumukh?

**Answer:** Because, at the confluence age, the Father places the urn of knowledge on the mothers. Nectar of knowledge emerges from your mouth and everyone becomes pure through this. You mothers of Bharat are called the incarnation of Shakti. You fulfil everyone's desires and this is why the memorial has been created.

**Song:** Show the path to us blind ones, dear God...

Om shanti. You children heard the song. Children on the path of bhakti call out to the Father: We have become without sight and intellect, so show us the path! They remember their Father and call out: Oh Prabhuji! He is called the Supreme Father, the Supreme Soul. All human souls remember the Father. We are very unhappy in this impure world. We have been wandering/stumbling around from door to door. Wherever we go, we don't know the *occupation* of those we go to. People go to the Shiva Temple but they don't know who Shiva is. Wherever people go, they bow their heads there. They don't know who He is or when He came. Even when they go to the Lakshmi and Narayan Temple, they don't know when they came or how they claimed their kingdom. They don't know anything at all. When you go to Dilwala Temple, Adi Dev is sitting there, but no one knows who he was. People go to Jagadamba, but they don't know when she came or what she did. They simply go and bow down to her. They pray: Give me a child! Give me this! Give me that! They don't know anything at all. They go to Gaumukh. They make so much effort to go up and down the steps. They don't know anything about what is there. They have made a stone mouth of a cow and say that the Ganges emerges from the mouth of the cow. Nectar cannot emerge from the mouth of an animal. People go on pilgrimages, but they don't know anyone's *occupation* or when they came or what they did when they came. Why do they worship them? Because of not having an intellect, they call out: "Oh Prabhu! Oh Baba!" because He is the Father of everyone. Human beings are said to have three fathers. One is Shiva, the Father of souls. The second is Prajapita Brahma, the creator of the human world, that is, the human genealogical tree. The third is their physical father. Devotees remember the one God: Come and show the path to us blind ones so that we become like that for all time. This iron age is the land of sorrow. The golden age is the land of happiness and the place from where we souls come when we come here to play our *part* is called the land of peace. A soul receives the harmonium (instrument) of a body, these physical organs, here through which he acts. The soul is imperishable and the body is perishable. A soul is a child of the parlokik Supreme Father, the Supreme Soul. A body is a child of a physical father. The Father of all souls is just the One and you receive an inheritance by remembering Him. You cannot receive an inheritance of unlimited peace and happiness from any human being, no matter who it is. Even Brahma, Vishnu and Shankar are called deities; the Supreme Soul is Shiva. It is said: Salutations to the Supreme Soul Shiva. It would not be said: Salutations to the Supreme Soul Brahma. So no one knows the *occupation* of those to whom these temples have been built. The Highest on High is the Supreme Father, the Supreme Soul, Shiva, and then the creation of Brahma, Vishnu and Shankar is created. Shiva, the Incorporeal One, is different from Shankar, the subtle deity. God is One. Explain this riddle very well. First of all know the Father who is the Creator of heaven. People continue to stumble around on the path of bhakti. Lakshmi and Narayan are the masters of heaven. There is constant happiness there. Here, all are unhappy. This world is impure. In the golden age, Bharat was the pure household ashram. The king, queen and subjects were all pure. It is only the one Supreme Father, the Supreme Soul, who purifies the impure. Radhe and Krishna are the *prince* and *princess* of the golden age who become Lakshmi and Narayan after their marriage. Heaven is called Shivalaya. The Father is now purifying everyone through you mothers of Bharat on whom the urn of nectar is placed. There was the pure kingdom in Bharat and now there is the impure kingdom. Instead of the pure household ashram, it has become the impure household, and the Father has now come to make it pure. The Father speaks to souls: I, the Supreme Father, the Supreme Soul have come. Souls remained separated from the Supreme Soul for a long time. You have been separated for a

long time. You have now become completely diseased, poverty-stricken, worth a shell. If you now want to become the same as I, then make effort. You mothers of Bharat are the incarnation of Shakti. You consider Shiv Baba to be your Father. By having yoga with Him, you receive power through which you conquer the 5 vices and become conquerors of Maya and thus conquerors of the world. This is a play of victory and defeat. By understanding the *world history* and *geography* you can become rulers of the globe. The Father gives you the inheritance of purity, peace and happiness for heaven. This is Raja Yoga. Hatha yogis cannot teach you Raja Yoga. You children are now receiving shrimat through which you are becoming elevated. You children of Ravan have become corrupt. Bharat has been following the dictates of Ravan and become unhappy and poverty-stricken. Jagadamba was the one who fulfilled everyone's desires. She too was a mother. Jagadamba made Bharat into heaven by following shrimat and this is why she is praised so much. You cannot become the masters of the pure world without purity. The path of devotion continues for half the cycle. The Father now says: If you want to become a master of the pure world once again, then come and understand. You are now receiving shrimat and so you have to follow it. Mine is one Shiv Baba and none other. People take 84 births. You are Shaktis. By having yoga with Shiv Baba you receive power. Otherwise, you can never become the masters of heaven. You receive an inheritance for 21 births at the confluence age from the parlokik Father and you therefore have to make effort. You also have to benefit your children. Then you will become the masters of heaven. This is the school of Raja Yoga. God speaks: Children, I teach you Raja Yoga through which you will become kings of kings, the masters of heaven. Simply remember the Father and your final thoughts will lead you to your destination. The Father will send you to the land of happiness. The Father says: I alone come and take everyone back to the land of peace and the land of happiness. This bhakti etc. does not exist in the golden and silver ages. There is limitless happiness there for 21 births. The Father now says: Conquer this Ravan. To get married for vice is to ruin yourself totally. The Supreme Father, the Supreme Soul, has issued an *ordinance*: Become pure and you will become the masters of the world. If you want to go from this land of sorrow to the land of peace and happiness, then understand these matters. You know that only the Father, no human being, can be called God. That is *wrong*. God is only One. You children now know the *biographies* of the Supreme Soul Shiva, Brahma, Vishnu and Shankar and Lakshmi and Narayan. You can become as elevated as Lakshmi and Narayan by following shrimat. You definitely have to become pure. If you continue to remember the one Father by following the shrimat of the Supreme Father, the Supreme Soul, and become pure, you will receive your fortune of the kingdom for 21 births. These are such easy matters! By understanding them, you can be liberated from the stumbling, weeping and wailing of the path of bhakti for 21 births. You have to explain how the golden age is established and how this cycle then turns. Understand the *history* and *geography* of the whole *world*. Only human beings would understand this. You have to follow the shrimat of the one Father. Only the one Father has mercy for everyone. He is the Ocean of Knowledge and the Ocean of Happiness. He gives you mothers the urn of knowledge through which you can purify everyone. However, the water of the Ganges cannot purify anyone. You mothers are the sacred cows who receive the urn of knowledge. Here, this is a study. You have to study and become deities. There are the Brahmin, deity, warrior, merchant and shudra clans. The cycle of 84 births continues to turn in this way. By knowing this cycle you can become the kings and queens who rule the globe. Achcha.

To the beloved, long-lost and now-found children, love, remembrance and good morning from Bap, Dada, and sweetest Jagadamba. The spiritual Father says namaste to the spiritual children.

#### Essence for dharna:

1. Follow shrimat with the power of purity and serve Bharat to make it into heaven. Tell everyone the *ordinance* of the one Father: Become pure and you will become the masters of the pure world.
2. Give everyone the introduction of the three fathers and show them the way to go from the land of sorrow to the land of peace and the land of happiness. Free everyone from wandering.

Morning Murli Om Shanti BapDada

Madhuban

**Blessing:** May you be a victorious jewel and gain victory over all limits and experience the karmateet form.

The main essence of all four *subjects* of this study is “unlimited”. To remain stable in the meaning of the word “unlimited” is the *first* and *last* effort. At the beginning, you stabilise yourself in the unlimited form of the soul from the limited form of the body and die alive, and, at the end, you go beyond all relationships and become an angel. Those who gain victory over all limits and stabilise themselves in the unlimited form and become an unlimited server become a victorious jewel and experience the final karmateet form.

**Slogan:** When there is the feeling of changing yourself, you will continue to achieve success in a gathering.
