

Essence: Sweet children, you should have the intoxication that the Father Himself has awakened your fortune and that you have now become instruments to awaken the sleeping fortune of Bharat.

Question: Who can constantly laugh and jump with joy?

Answer: 1. Those who keep themselves *busy* in service day and night. 2. Those who never sulk with the Mother and Father. If you sulk amongst yourselves or with the Mother and Father and stop studying, you won't be able to laugh and jump with joy. Maya slaps such children. Those who make everyone laugh can never sulk with anyone.

Song: You are the fortune of tomorrow...

Om shanti. The Father sits here and explains to you children. The Purifier is the Satguru. In comparison to the true Guru, the Satguru, there are definitely also those who are false. It is sung: Maya is false, the body is false and the whole world is false. This would not be said in the golden age. The very name of that place is the land of truth. Bharat was the land of truth. Why was it given the name, the land of truth? Because it is the birthplace of the unlimited Father. It doesn't exist in the intellect of anyone else that the Supreme Father, the Supreme Soul, is called the Truth and that Bharat is His birthplace. The Father comes here and explains this. In fact, this Bharat was heaven, whereas it is now hell. I come to make Bharat into heaven. You now understand that earlier it was truly the rule of *foreigners*. It was hell then, but now it is extreme hell. People have conflicting opinions and fight so much. There is so much *friction //fraction* (division) because of the different languages too. They continue to tell lies. They say: We are all one. In fact, five to six billion souls are all a *brotherhood*. There shouldn't be any conflict of opinion. There shouldn't be a conflict of opinion between different religions, but there is so much conflict. Now, there is conflict even about different languages. That is the destiny of the *drama*. Bharat has become extreme hell. There is so much enmity with one another. There wasn't a war between the Kauravas and the Pandavas. You Pandavas are sitting here. You, the true decoration of the Brahmin clan, are the fortune of Bharat. Your names are good: Spinners of the discus of self-realisation, trinetri, trikaldarshi. Trimurti Shiv Baba is making you trikaldarshi through Brahma Baba. He opens your third eye. The story of the third eye, the story of the true Narayan and the story of immortality are all one and the same. All of you people of Bharat are listening to the story of immortality. Just as the Father is explaining to you, so you children then have to explain to others. Some ask: Baba, how can I do *service*? Baba has explained that you decoration of the Brahmin clan who change human beings to become like diamonds should put up a *board*. Let there be Shiv Baba's picture put up. At the bottom of Shiv Baba's picture, write: Come and understand how you can claim your birthright of the sovereignty of heaven from the unlimited Father. Then people will come and understand. The explanation is easy. The Father has come and is creating heaven. This is the land of Shiv Baba's incarnation. Baba comes from the supreme abode (Paramdham) into Bharat. Bharat is the biggest pilgrimage place of all. Everyone should accept this. This is the birthplace of the Purifier Father of everyone, such as Guru Nanak, Buddha etc. Now, it is the devilish kingdom. As the king and queen are ugly, so the people will also be ugly. Then they will become beautiful. This is called the *iron age* and that is the *golden age*. Shivalaya is the pure world. British people believe that there used to be the kingdom of *gods* and *goddesses* in Bharat. However, they don't know when that was. Bharat was very wealthy, but it is now poverty-stricken and this is why Bharat is given money. Donations are given to the poor and so they now donate to Bharat. They have taken a lot of money from Bharat and so they now continue to give to Bharat. The Father says: My *part* is to make Bharat like diamonds. You are Brahma Kumars and Kumaris and you are made into deities. It is remembered that the Supreme Father, the Supreme Soul, establishes the Brahmin and deity religions through Brahma. However, the people of Bharat don't know this. It is fixed for them not to know. Therefore, put up the *board*: You have been claiming a limited inheritance from your physical father for birth after birth. Now come and claim your inheritance of heaven from the parlokik Father. The children of Prajapita Brahma only exist at the confluence age. You are BKs and so you are definitely the grandsons and granddaughters of Shiv Baba. Explain to everyone that you are the children of Prajapita Brahma and that you have a right to the golden-aged deity sovereignty. These are such easy matters. These Brahma Kumars and Kumaris are the grandsons and granddaughters of Shiv Baba. They

became that in the previous cycle and are now once again becoming that in order to become deities. You should also have the picture of Shiv Baba with you. Those who help to make Bharat into heaven definitely receive a prize. Whatever service Brahmins do, they will accordingly receive a status. In order to claim your full inheritance from the Father, you definitely have to become pure. You children have the happiness inside that you are following shrimat and claiming your inheritance of the kingdom of heaven. Your intoxication should definitely rise. All of you will become the masters of heaven, but you have to make effort to attain your high status. Glorify the Father's name. It is remembered: Those who defame the Guru cannot reach their destination. However, ask them, what destination? This Satguru now *guarantees*: I have come to take all of you back home. I will liberate you from sorrow and take you back home. Only Baba can say this. It is remembered that all went back like a swarm of mosquitoes. When destruction takes place, the haystack will be set on fire. It is also remembered that Lakha Bhavan of the Pandavas was set on fire. There was a building Lakha Bhavan. This one's name was Lekhraj. People really did bring petrol to set his place on fire. These are things that happened in a *practical* way. There wasn't a fire, but they have just written such things. So you children should live with so much spiritual intoxication because you are the ones who are creating the fortune of Bharat. Those people crossed out their fortune. Now all the money etc. is coming from outside. *Return service* is taking place. Destruction is just ahead. Those people have taken a lot from you, they *looted* Bharat. Such an incognito secret is fixed in the *drama*. Those from abroad are now giving to Bharat. This is fixed according to the *drama*. The same thing also happened in the previous cycle. The Father explains: You and I have met every cycle. Every cycle you attain your self-sovereignty from the Father through shrimat. You don't have to do anything else. By following the highest religion of non-violence according to shrimat you are becoming the masters of the world. Gurus are not called Shri Shri. Shiv Baba alone is called Shri Shri. God speaks: This is the same time period as 5000 years ago when I came to uplift everyone. You too are Shiv Baba's grandsons and granddaughters, the children of Brahma, Brahma Kumars and Kumaris. You can explain this to those in high *positions*. You can also explain this very well to *social workers*. Growth takes place through *service*. You should maintain courage. You know that Maya is no less. She slaps you and turns your face away so that your intellect no longer has love for Rama. There is a toy where one minute Sita belongs to Rama and the next minute she belongs to Ravan. Baba has said: Also create the picture of the variety form image. The clans should show how you went into the deity, warrior, merchant and shudra clans. From the shudra clan, you have now come into the Brahmin clan. This is how the cycle of 84 births of Bharat rotates. You can explain this to anyone. This is called easy Raja Yoga. You are Raja Yogis and Raj Rishis, whereas those people are hatha yoga rishis. You are now following shrimat and becoming pure. In the golden and silver ages, it is the completely viceless world. Maya doesn't exist there. Children will be born there in whatever way they are meant to. Why do you ask: How will children take birth there? First of all claim your inheritance. Whatever the customs and systems are there, they will continue. Why do you ask this? You have to become viceless. Then, whatever customs there are, they will continue. Shri Krishna took birth through a womb. He is called completely viceless. He sat very comfortably in the palace of a womb. Here, souls experience a lot of punishment in the *jail* of a womb and cry out in distress. So you have to explain such things. Do *service*. You have to give knowledge to all your friends, relations and neighbours etc. Continue to give the Father's introduction. The unlimited Father establishes heaven. The Father says: Remember Me and your sins will be absolved. Make this promise: Baba, I will become Your helper and definitely claim my inheritance of purity. Everything depends on effort. *Follow Mother and Father*. What do you need to ask? Your *aim* and *objective* is Raja Yoga, yoga for the kingdom. This is not praja yoga to become subjects. If you become kings, your subjects are also surely needed. There has always been the kingdom of kings and queens in Bharat. Now that it is the rule of the Congress there are *no* kings or queens. The Father is once again establishing the kingdom of kings and queens. This is called the family path. The Purifier Father sits here and explains to you. He definitely has to be called the Purifier. The Purifier Father is teaching us Raja Yoga. Therefore, He is the true Father and the true Teacher and the true Guru (Satguru). He is *first* the Purifier. The praise of the Guru is very great. In a home where there is conflict it is said: Due

to sorrow and conflict even the urns of water dry up. Then those who create obstacles are blamed. According to the *drama* their intellect becomes locked. They won't be able to say anything. If someone goes and defames others he will choke. Those who defame the Satguru cannot reach their destination. This One is the true Father, the true Teacher and the true Guru (Satguru). The Father says: If you have Me defamed, you won't be able to claim a high status. *Rehearsals* for destruction will also continue to take place so that people can wake up. You are awake, but those people are in a deep sleep. They have written defamatory things in the scriptures. They have made the name of the golden age disappear. You should laugh and jump with joy and happiness inside. Don't sulk with the Mother and Father. Storms will come but never divorce the Father. Never turn your face away from the mother and Father. Maya is very strong. You children should never sulk. Just continue to make everyone laugh. You have won a big *lottery* from the Father and so always remain cheerful. You mustn't cause anyone sorrow. If you give sorrow, you will die in sorrow. Let only jewels, and not stones, emerge from your mouth. If stones emerge your intellect will become stone. No one has as yet become complete. You should make effort to become complete. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Become the Father's helper and claim a prize from Him. You have to glorify the name of the Satguru. You mustn't have Him defamed.
2. Don't allow there to be conflict amongst yourselves. Let only jewels and not stones always emerge from your mouth. You mustn't sulk but make everyone laugh.

Blessing: May you be a ruler of the globe and like the Father play an *all-round part* through your flying stage.

Just as the Father is an *all-round Actor*, and can become your Friend as well as your Father, in the same way, those who have the flying stage will be able to play their *part* fully for whatever service is needed at any time. This is called being an *all-round flying bird*. They would be so free from bondage that they are able to reach wherever there is service. They will be embodiments of success in every type of service. Only such souls are said to be rulers of the globe, *all-round actors*.

Slogan: Keep the specialities of one another in your intellect and be *faithful* and the gathering will continue to be of one direction (united).
