

Essence: Sweet children, the more you stay in remembrance and become pure, the more blessings you will receive from the parlokik Mother and Father. By receiving blessings you will become constantly happy.

Question: What advice does the Father give all of you children and thereby saves you from performing wrong actions?

Answer: Baba advises you: Children, keep all the wealth and prosperity you have with you, but live as a *trustee*. You have been saying: Oh God, all of this is Yours. God gave you a son, He gave you wealth and now God says: Remove your intellect's yoga from all of that and remain a *trustee*. Follow shrimat and you won't perform any wrong actions. You will become elevated.

Song: Take blessings from the Mother and Father...

Om shanti. Shiv Baba explains to the teachers at the centres how they should teach the children who say that their mouth doesn't open or that they are unable to explain. It is very easy to explain using the pictures. When you explain to little children you have to use pictures, do you not? It shouldn't be that as soon as everyone comes and sits in *class*, you begin the murli, no. You have to sit and explain to them from deep within. You children heard the song. One is the parlokik Mother and Father whom you continue to remember: You are the Mother and Father. He is the Creator of the World. The Mother and Father definitely create heaven. In the golden age, children are residents of heaven. Mothers and fathers here are themselves residents of hell and so they would create children who are residents of hell. In the song, it says: Take blessings from the Mother and Father. You know that the mother and father of this time don't give blessings. This Mother and Father give you blessings which then last for half the cycle. Then, after half the cycle, you become cursed. They themselves become impure and also make their children impure. That would not be called blessings. By continually giving curses the people of Bharat have become cursed. There is so much sorrow. This is why they remember the Mother and Father. Now that Mother and Father is giving blessings. He is teaching you and making you pure from impure. Here, it is the devilish community, the kingdom of Ravan, whereas there, it is the deity community, the kingdom of Rama. The birth of Ravan takes place in Bharat. Shiv Baba, whom you call Rama, also takes birth in Bharat. When you go onto the path of sin, the kingdom of Ravan begins in Bharat. So, Rama, the Supreme Father, the Supreme Soul, comes and makes Bharat pure from impure. When Ravan comes, people become impure. It is sung: Rama went and Ravan went and their whole family went. The family of Rama is very small. All the other religions end; all of them are destroyed. Then only you deities remain. You, who have now become Brahmins, are the only ones who will be *transferred* to the golden age. So you are now receiving blessings from the Mother and Father. The Mother and Father are making you into the masters of heaven. There, there is nothing but happiness. At this time, there is sorrow in the iron age, and so all religions are unhappy. Now, after the iron age, the golden age has to come. There are so many people in the iron age. There will not be as many people in the golden age. However many Brahmins there are, there will be that many deities there. Their number will continue to increase till the end of the silver age. They say that, 3000 years before Christ, there was the golden age. There is *before Christ (BC)* and *AD (after Christ – Anno Domini)*. In the golden age there is just the one religion and one kingdom. There will be few people there. There will be just Bharat and there won't be any other religions. There will be just the sun dynasty; there won't even be the moon dynasty. The sun dynasty can be called gods and goddesses because they are perfect. You children know that the Purifier is only the one Supreme Father, the Supreme Soul. (Pointing to the picture of the cycle). Look, the Father is sitting up above. He is carrying out establishment through Brahma. You are now studying. When it is the kingdom of those deities, there are no other religions. Then, after half the cycle expansion takes place. Souls continue to come down from up above. The clans continue to change and the number of human beings continues to increase. There will be 900,000 in the golden age, and then there will be a million and then they will continue to grow in number. In the golden age, Bharat was elevated and now it is corrupt. It isn't that those of all religions will become elevated. There are so many human beings. Here also, it takes so much effort to become elevated from corrupt. After gradually becoming elevated, they fall into vice and become corrupt. The Father says: I have come to make

you beautiful from ugly. You repeatedly fall down. The unlimited Father tells you everything in a straight-forward manner. He says: You become those who defame the name of the clan. You are dirtying your face. Will you not become beautiful? You were elevated for half the cycle and then your degrees continued to decrease. By the end of the iron age, the degrees have completely finished. In the golden age, there was just the one Bharat. Now, there are so many religions. The Father comes and once again establishes the elevated golden-aged world. You should also become elevated. Who comes and makes you elevated? The Father is the Lord of the Poor. This is not a question of money. You come to the unlimited Father to become elevated but nevertheless people ask: Why do you go there? They create so many obstacles. You know that there are many obstacles by the devils to this sacrificial fire of the knowledge of Rudra. Many innocent ones are beaten. Some women also cause a lot of trouble. They get married for vice. The Father now removes you from the pyre of lust and sits you on the pyre of knowledge. This is a *contract* for birth after birth. At this time, it is the kingdom of Ravan. The *Government* has so many celebrations. They burn Ravan and they go to watch those games. Where did this Ravan come from? It is 2500 years since Ravan came. Ravan has made everyone sit in the cottage of sorrow. Everyone is now totally unhappy. In the kingdom of Rama, everyone is totally happy. It is now the end of the iron age. Destruction is just ahead. If so many millions of people are going to die, then war will surely take place, will it not? Everyone will be crushed like mustard seeds. You can see how preparations are now taking place. The Father is establishing heaven. No one else can give this knowledge. Only the Father comes and gives you this knowledge and makes you pure from impure. It is only the one Father who grants you salvation. In the golden age, there is salvation. There is no need for gurus there. Through this *knowledge* you are now becoming trikaldarshi. In the golden age, Lakshmi and Narayan will not have this knowledge at all. So, how could this knowledge have continued from time immemorial? It is now the end of the iron age. The Father says: Remember Me! Remember the Father who carries out establishment of the kingdom of heaven and also remember the inheritance. You definitely do have to remain pure. That is the pure world and this is the impure world. Kans, Jarasaghi, Hirnakashapa do not exist in the pure world. They have taken the things of the iron age into the golden age. Shiv Baba has come at the end of the iron age. Today, Shiv Baba has come and tomorrow, Shri Krishna will come. So they have mixed up the *parts* of Shiv Baba and Shri Krishna. God Shiva speaks: The Shri Krishna's soul studies with Him and attains that status. They have then inserted Krishna's name in the Gita by mistake. This mistake will take place again. Only when people become corrupt can the Father come and make them elevated. Only those who are elevated take the full 84 births and then become corrupt. It is very easy to explain using this picture of the cycle. It is also shown in the picture of the tree: Down below, you are doing the tapasya of Raja Yoga and up above, there is the kingdom of Lakshmi and Narayan. You are now sitting beneath the trunk and the *foundation* is being laid. You know that the sun-dynasty clan will then go to Paradise. The kingdom of Rama is not called Paradise. Paradise is the kingdom of Krishna. Many people will now come to you. Your name will be glorified through the *exhibitions* etc. Seeing one another come, there will be a lot of expansion. The Father comes and explains all of these things. It is very easy to explain to anyone using these pictures. Only God comes and carries out establishment of the golden age. And, He comes into the impure world. He makes ugly ones beautiful. You are part of the dynasty and also the subjects of the kingdom of Krishna. The Father explains to you very well. Incorporeal Shiv Baba sits here and explains to you souls: Remember Me! This is the spiritual pilgrimage. O souls, remember your land of peace and the land of liberation and you will receive the inheritance of heaven. You are now sitting at the confluence age. The Father says: Remember Me and your inheritance and you will come to heaven. The more someone stays in remembrance and remains pure, the higher the status he will claim. You are receiving so many great blessings. May you be wealthy! May you have a son! May you have a long life! The life-span of deities is very long. They have visions that they now have to shed their body and become a child again. So, this should enter you. I, the soul, will shed this old body and go and reside in a womb. Your final thoughts will lead you to your destination. Instead of being old, why should I not become a child? When a soul is in a body he experiences difficulty. When a soul is separate from the body, he doesn't experience any difficulty at all.

As soon as a soul separates from his body, everything is over. We now have to return. Baba comes from the incorporeal world to take us back. This is the land of sorrow. We are now to go to the land of liberation. The Father says: I take everyone to the land of liberation. Those of all religions have to go to the land of liberation. They make effort to go to the land of liberation. The Father says: Remember Me and you will come to Me. Eat food in remembrance of Baba and you will receive strength. If you remain bodiless and walk down to Abu Road, you won't feel any tiredness. Baba used to make the children *practise* this in the early days. They used to think: I am a soul. They used to be very light and would walk down. They didn't have any tiredness at all. Without a body, you souls can reach Baba in a *second*. You shed a body here and in a *second*, you go and take another body in London. There is nothing as fast as a soul. So the Father now says: Children, I have come to take you back. Now remember Me, your Baba. You are now receiving unlimited blessings of the parlokik Father in a *practical* way. The Father is giving you children the most elevated of all directions. You can keep all the wealth and prosperity you have with you. Simply live as a *trustee*. You have been saying: O God, all of this is Yours. God gave a child. God has given this wealth and prosperity. Achcha. God then comes and says: Remove your intellect's yoga from all of that and live as a *trustee*. Follow shrimat and the Father will know whether you are performing any wrong actions. Only by following shrimat will you become elevated. By following devilish dictates, you have become corrupt. It has taken you half the cycle to become corrupt. From being 16 celestial degrees, you become 14 degrees and that takes *time*. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Whilst walking and moving around, practise being bodiless. Eat food in remembrance of the one Father.
2. Take blessings from the Mother and Father. Remain a *trustee*. Don't perform any wrong actions.

Blessing: May you be a *master* bestower of fortune and become a *right hand* of the Father and always remain *ever-ready* for every task.

The children who become *right hands* and always co-operate in the Father's every task, those who are always *ever-ready* and obedient and always say, "Yes, Baba, I am ready to do this" are called by Baba such co-operative children, His constantly specially beloved children, worthy children, children who are the decoration of the world. He gives them the blessing of being a *master* bestower of blessings and a *master* bestower of fortune. Whilst living at home with their family, such children remain beyond the influence of the household. Whilst having worldly interaction, they also constantly pay attention to their alokik interaction.

Slogan: Let there be cleanliness and honesty in every word and action and you will become a jewel who is loved by God.
