

Essence: Sweet children, break away from everyone else and connect yourself to One. Look at one another with the vision of brotherhood and you will not see the body. Your vision will not be spoiled and there will be power in your words.

Question: Is the Father in debt to the children or are the children in debt to the Father?

Answer: You children are those who have a right and the Father is indebted to you. You children make a donation and the Father has to give you a hundredfold return of one. Whatever you give in the name of God, you receive the *return* of that in your next birth. You give a handful of rice and become the masters of the world and so you should be so generous-hearted. Never have the thought, "I gave to Baba."

Om shanti. You have to explain at the *museums* and exhibitions that this is the most auspicious confluence age. Only you are sensible, and so you have to explain to everyone so much that this is the most auspicious confluence age. The place of greatest *service* is the *museum*. Many people go there, but there are very few good *serviceable* children. All the centres are *service stations*. At the centre in Delhi, it is written: *Spiritual museum*. There is no correct meaning to this. Many people ask you the question: What service are you doing for Bharat? God speaks: This is a *forest*. At this time, you are at the confluence age. You neither belong to the *forest* nor the *garden*. You are now making effort to go to the *garden*. You are changing this kingdom of Ravan into the kingdom of Rama. People ask you how you are able to cover your expenses. Tell them: We BKs cover the expenses ourselves. The kingdom of Rama is being established. You can come for a few days and understand what we are doing and what our *aim* and *objective* is. Those people don't believe in *sovereignty* and this is why they have finished the rule of kings. At this time they too have become tamopradhan and this is why they are not liked. According to the drama, they too cannot be blamed. We are playing the *part* of whatever happens in the drama. The *part* of the establishment continues every cycle through the Father. You children cover the expenses yourselves. By following shrimat, you meet the expenses and create your own kingdom and no one else knows about it. Your name "*unknown warriors*" is very well-known. In fact, there are no *unknown warriors* in that army. A *register* is kept of the soldiers. It is not possible that someone's name or *number* is not *registered*. In fact, you are the *unknown warriors*. Your name is not mentioned in any *register*. You don't have any weapons etc. There is no physical violence here. You are conquering the world with the power of yoga. God is the Almighty Authority and you are taking power from Him through remembrance. You have yoga with the Father in order to become satopradhan. When you become satopradhan, you need a satopradhan kingdom. You are now establishing that by following shrimat. Those who exist but are not visible are said to be *incognito*. You cannot see Shiv Baba with those eyes. You are *incognito* and you are claiming power from Him in an *incognito* way. You understand that you are becoming pure from impure and that only pure ones have power. All of you will be pure in the golden age. The Father tells you the story of their 84 births. You claim power from the Father, become pure and will then rule the kingdom of the pure world. No one can conquer the world with physical power. This is a matter of the power of yoga. Those people fight, but you will receive the kingdom in your hands. The Father is the Almighty Authority and so you should receive power from Him. You know now the Father and the beginning, middle and end of creation. You know that only you are the spinners of the discus of self-realisation. Not everyone has this awareness. You children should have this awareness because only you children receive this *knowledge*. Those people outside cannot understand this. This is why they are not allowed to sit in this gathering. Everyone calls out to the Purifier Father, but no one considers himself to be impure. They simply continue to sing: The Purifier is Rama who belongs to Sita. All of you are *brides* and the Father is the *Bridegroom*. He comes to grant everyone salvation. He decorates you children. You have received a *double engine*. A *Rolls Royce* has a very good *engine*. The Father is also like that. You say: Oh Purifier, come! Make us pure and take us back with You. All of you are sitting here peacefully. You don't play musical instruments etc. There is no question of any difficulty. Continue to remember the Father whilst walking and moving around. Continue to show the path to whoever you meet. The Father says: Donate to the devotees of Me, Lakshmi and Narayan and Radhe and Krishna whom you meet. Do not waste it. Donations are given to those who are worthy of them. Impure

human beings continue to donate to impure human beings. The Father is the Almighty Authority. You take power from Him and become the most elevated. When Ravan comes, there is a confluence at that time too – of the silver and copper ages. This is the confluence of the iron and golden ages. You have to understand everything such as for how long knowledge lasts and for how long devotion lasts. You then have to explain these things to others. The main thing is to remember the unlimited Father. When the unlimited Father comes, destruction also takes place. When did the Mahabharat War take place? When God taught Raja Yoga. You can understand that the beginning of the new world and the end of the old world means destruction has to take place. The world is in extreme darkness. It now has to be awakened. It has been sleeping for half the cycle. The Father explains: Consider yourself to be a soul and look at others with the vision of brotherhood. Then, when you give knowledge to anyone, there will be power in your words. It is the soul that becomes pure and impure. When a soul becomes pure he receives a pure body. He cannot receive it now. Everyone has to become pure; some will become pure through the power of yoga and others through punishment. The pilgrimage of remembrance requires effort. Baba continues to inspire you to *practise* this. Whenever you go anywhere, go in remembrance of Baba, just as priests go everywhere quietly in remembrance of Christ. They continue to remember Christ. The people of Bharat remember many. The Father says: Do not remember anyone except the One. We claim a right to liberation and liberation-in-life from the unlimited Father. Liberation-in-life is received in a *second*. In the golden age, everyone is liberated-in-life, whereas in the iron age everyone is in a life of bondage. No one knows these things. The unlimited Father explains all of these things to you children. Then you children have to reveal the Father. He continues to tour around everywhere. It is your duty to give human beings the message that this is the most auspicious confluence age. The unlimited Father has come to give the unlimited inheritance. The Father says: Constantly remember *Me* alone and your sins will be absolved. Your sins will be cut away. This is the true Gita which the Father teaches you. You have fallen by following human dictates, whereas by following God's directions you claim your inheritance. The main thing is: While walking, sitting and moving around, continue to remember the Father and give His introduction. You have the *badge* with you, and it doesn't matter if you give it away free. However, only to those who are worthy. The Father complains to the children: You remember your physical father, and yet you forget *Me*, your parlokik Father. Are you not ashamed? You belonged to the pure family household path and you now have to become that again. You are those who make a deal with God. Check within yourself: Is my intellect wandering anywhere? For how long did I remember the Father? The Father says: Break away from everyone else and connect yourself to the One. You mustn't make any mistakes in this. It has also been explained to you: Look at others with the vision of brotherhood and you won't see the body. Your vision will then not be spoilt. This is the destination. Only at this time do you receive this knowledge. All speak of brothers – people say that this is a *brotherhood*. That is fine. We are the children of the Supreme Father, the Supreme Soul. So why are we sitting here when the Father is establishing heaven? Continue to explain in this way and continue to make progress. The Father wants many *serviceable* daughters. Centres continue to open. Children are interested in bringing benefit to many others. However, the *teachers* who look after everyone also have to be good maharathis. *Teachers* are also numberwise. The Father says: Where there is a Lakshmi-Narayan Temple, where there is a Shiva Temple, where there is the River Ganges, where there are lots of people, you should go and do *service* there. Explain to them: God says: Lust is the greatest enemy. Continue to do *service* according to shrimat. This is your Godly family. You come here and stay in a bhatthi for seven days and stay with the family. You children should have a lot of happiness. You are being made multimillion times fortunate by the unlimited Father. The world doesn't know that God can teach you. You are studying here. So you should have so much happiness. We are studying to become the highest on high. You should be so generous-hearted. You are making the Father create a debt with you. Whatever you give in the name of God, you take the return of that in your next birth, do you not? When you give everything to Baba, Baba also has to give you everything. You should never have the thought: I gave to Baba. Many people think: I gave this much, so why am I not being offered special hospitality? You give a handful of rice and claim the sovereignty of the world. Baba is the Bestower. Kings are *royal*.

When we first meet a king, we give him a gift, but he would never take that in his own hands. He would indicate that you give it to his *secretary*. Shiv Baba is the Bestower, so how would He take from you? This One is the unlimited Father. You give Him a gift. However, Baba would give you a hundredfold *return*. So you should never have the thought that you gave to Baba. Always think that you are taking. You will become multimillionaires there. You are becoming multimillion times fortunate in a *practical* way. Many children are generous-hearted whereas many others are even misers. They don't even understand that they are becoming multimillionaires. We are becoming very happy. When God, the Father, is absent He gives you fruit *indirectly* for a temporary period. When He becomes present, He gives to you for 21 births. It has been remembered that Shiv Baba's treasurestore is overflowing. Look, there are so many children, but no one knows who gives what. The Father knows and the bag in which the Father stays knows. He is absolutely ordinary. Due to this, when children leave here, that intoxication disappears. When there isn't knowledge and yoga, complications continue. Maya defeats even good children. Maya makes them senseless. Maya makes them turn away from the Father. Can you not remember the Father whom you come to? There should be a lot of internal happiness. The day has come about which you had been saying: When the Father comes, we will belong to Him. God comes and *adopts* you, and so you are said to be so fortunate. You should remain so happy. However, Maya makes you lose your happiness. Achcha. To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. God has *adopted* us. He becomes our *Teacher* and teaches us. Remember your multimillion times fortune and remain happy.
2. Make the vision firm: We souls are brothers. Do not look at the body. After making a deal with the Father, do not allow your intellect to wander.

Blessing: May you be an embodiment of success who co-operates in God's task and thereby receive everyone's co-operation.

Where there is everyone's zeal and enthusiasm, success automatically comes close and becomes a garland around your neck. In any unlimited task, everyone's finger of co-operation is needed. Each one of you has a *chance* to serve. None of you can make the excuse that you cannot do something or that you don't have time. Whilst walking and moving around, you can do service for ten minutes at a time. If your health isn't good, do service whilst sitting at home. With your thoughts, with your attitude of happiness and with your stage of happiness create the world of happiness. Become co-operative in God's task and you will receive everyone's co-operation.

Slogan: Remain set on the seat of a master of the elements and you will not become upset by any situation.
