

Essence: Sweet children, the Father has come to save you from all types of choking. You are now going from this cottage of sorrow to the cottage that is free from sorrow. You are going across this river of poison.

Question: When sitting in remembrance, what is it that causes obstacles and what doesn't cause obstacles?

Answer: When you sit in remembrance, sounds and noise don't create obstacles. Those are obstacles in knowledge. However, Maya definitely creates obstacles in remembrance. It is at the time of remembrance that Maya causes obstacles. She brings many types of thought, and sinful thoughts. This is why Baba says: Children, remain cautious! Don't allow yourself to be punched by Maya. Remember with a lot of love Shiv Baba who gives you infinite happiness and who is the *Saccharine* of all relationships. Run fast in remembrance.

Song: O traveller of the night, do not become weary. The destination of the dawn is not far off.

Om shanti. Sweetest children are on the pilgrimage. Normally, those who are sitting cannot be said to be on a pilgrimage. This pilgrimage is so *wonderful*. It is the pilgrimage of peace, the pilgrimage of going to the land of peace. In the kingdom of Ravan, you die choking. There is the story of Satyavan Savitri and how she brought the soul of Satyavan back from death. In fact, there is nothing like that. For half the cycle death comes. At the end there is choking. They don't know that Ravan, whose effigy they burn every year, is their enemy. Baba says: I have come to remove you from the cottage of sorrow and take you to the cottage free from sorrow where there is no choking. Here, there are many types of choking. There is choking from the parents, from the husband and the children etc. The husband traps you in vice. The Father comes and frees you from all this choking and takes you to the new world. The wings of souls are now broken. Souls cannot fly. Therefore, they are unable to stay on the pilgrimage of remembrance. This is truly a pilgrimage of the intellect's yoga. It is written: Manmanabhav (focus your mind on Me). They don't understand the meaning of this being a pilgrimage. They say that Rama took an army of monkeys and that they built a bridge. How could monkeys build a bridge? A bridge of your pilgrimage of remembrance is being built with which you go across the river of poison. The Father teaches you how to swim in this river. He is the Boatman. He takes you across the river of poison to Shivalaya. It is said: Why should we renounce nectar and drink poison? Knowledge is called nectar. There is salvation through knowledge. The scriptures are not called knowledge. That is the paraphernalia of devotion. The golden age cannot come by reading the scriptures; there cannot be salvation through that. Therefore, that is not called the nectar of knowledge; that is devotion. Through knowledge there is at first 100% salvation and then you gradually continue to come down. You can't say that there is degradation in the golden age too. There is no mention of degradation there. In the iron age everyone is in degradation. You know that it is only the one Father who has mercy for everyone and that He is called Shri Shri. People have then given the *title* "Shri Shri" to everyone. Deities are referred to as Shri: Shri Lakshmi and Narayan, Shri Rama and Sita. The One who makes such beings Shri (elevated) is called Shri Shri (doubly elevated). You promise the Father that you will never indulge in vice. If, after making a promise, you make a mistake the Father's *right hand*, Dharamraj, is also with Him. Dharamraj will not forgive anyone. The Father is incognito, knowledge is incognito and the status is incognito. Only you children know that it cannot be a human being who gives you shrimat. The Father creates creation through Prajapita Brahma. Prajapita cannot exist in the subtle region. He would definitely be here. You children understand that, at this time, Brahma is a Brahmin. He receives the sovereignty in the future. Deities cannot rule in the impure world. Therefore, there has to be destruction of the old world; destruction definitely has to take place. There is still some time left. Your *sapling* of the new tree has not yet taken root. Earlier, you used to sing: You are the Mother and Father... You used to sing this praise in front of them all but you didn't understand anything. OK, think about how Brahma can be a mother. Lakshmi and Narayan have their own kingdom. Therefore, they cannot be called Mother and Father. So it is at this time that the Supreme Father, the Supreme Soul, is playing the role of the Mother and Father in a *practical* way. Then His praise will be sung on the path of devotion. In that too, it is first to Shiv Baba that they sing: You are the Mother and Father. Then, later, they continue to say this to everyone - to Lakshmi and Narayan and to Rama and

Sita. They have no wisdom at all. Shiv Baba is the *Saccharine*. All human beings continue to cause sorrow on the devilish path, whereas by comparison I give everyone the maximum happiness. I am the Bestower. I give you children shrimat: Children, the more you stay on the pilgrimage of remembrance and spin the discus of self-realisation and become like a lotus, the higher the status you will claim. No one else can explain the meaning of these ornaments. Only you adopt these ornaments. They have given these symbols to Vishnu. They have even given a third eye to the deities. In fact, you are the ones who receive the third eye. There are the words 'trinetri' and 'trikaldarshi'. You souls have the meaning of these in your intellect at this time. Everything stays in the intellect of the soul. The body doesn't say "My eyes, nose, ears". It is the soul that says, "This body is my palace." Souls are now aware that they have a *part* of 84 births recorded within them. These are such incognito matters. A soul is also called a *rocket*. When a soul has to shed a body and go to London, he will do so in a *second*. People have created such fast *rockets* that if you start your journey in the morning, you would reach there by the evening. Earlier, it used to take 3 or 4 months by *steamer*. Even now, it takes nearly a month by *steamer*. By *aeroplane* it just takes you a day. However, souls are such very fast *rockets* that they can reach anywhere in a *second*; no one can see them. You souls have an *all-round part*. OK, what is the *part* of the Supreme Soul? From the copper age onwards, My *part* is to grant visions. I fulfil the desires of whoever remembers Me with that love and devotion. My *part* now is to give knowledge. It is to make impure ones pure. I make you *master knowledge-full, master gods, the children of God*. Those who made effort in the previous cycle will do so again. You children say that you came here in the previous cycle. You are now once again claiming your inheritance. From whom? From the Mother and Father. Saraswati is everyone's mother. Her mother is this Brahma. This one doesn't have a mother. Shiv Baba Himself says: You are My wife. So I say: How can I eat without my Husband? OK, so Shiv Baba and I both eat together. I have that intoxication. You yourselves say that Baba has come as the Agent to engage you to Himself. By following shrimat you enable everyone to become engaged to God. The Father *cancels* the bondage of vice with which the pandits bound you. The Father says: Sit on the pyre of knowledge and you will become beautiful. Why do you sit on the pyre of lust and dirty your face? You know the meaning of 'Shyam-Sundar'. Shri Krishna was beautiful, but even he is ugly now. The Father has now come and given you His introduction. You are *students* of the Purifier, *God, the Father*. This is a school. One studies at school. You have to make effort. However, you don't have to make effort in those other spiritual gatherings. There, you just listen to the Gita or the Granth and then go back home. There, no one tells you to become pure or to go on a pilgrimage. As you make further progress, all those physical pilgrimages will end. If there is snow or if an *accident* takes place, no one will go, whereas your pilgrimage will be gathering speed. Our pilgrimage is to Shivalaya. We will first go to the Land of Shiva, Shivalaya, and then we will go to the land of heaven established by Shiva. Both the lands of Shiva and Vishnu are called Shivalaya because Shiv Baba gives both liberation and liberation-in-life. Therefore, Shiv Baba establishes the golden-aged dynasty. Achcha.

There cannot be any obstacles of noise in remembrance. It is in listening to knowledge that noise creates a disturbance. People say: Be quiet otherwise there will be a disturbance in remembrance. However, noise doesn't create a disturbance in yoga. It is Maya that creates obstacles. You children are battling against Maya. You children should not be defeated on the battlefield. Maya will continue to punch you. When Maya punches you on the nose, you fall. You then get up and she punches you on the nose again and you fall again. Therefore, the Father says: Maya punches you with anger and lust. You have to remain very, very careful in this. Don't allow yourself to be punched by her. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Morning Murli Om Shanti BapDada

Madhuban

Essence for dharna:

1. Adopt all the ornaments of knowledge and become a spinner of the discus of self-realisation, trinetri and trikaldarshi, that is, become a *master god*.
2. Keeping the Father's *right hand*, Dharamraj, in your awareness, don't perform sinful actions. Having made a promise to become pure, don't indulge in vice.

Blessing: May you be constantly unshakeable and immovable and experience a state of pleasure by applying the method of '*nothing new*' to every adverse situation. A Brahmin means one who always stays in a state of pleasure. In your heart, let this song always be playing naturally: Wah Baba! Wah my fortune! Don't be surprised in any situation of upheaval in the world, but put a *full-stop*. No matter what happens, for you, it is *nothing new*. No situation is new for you. Internally, have such an unshakeable stage. Let your mind not be confused with "What?" or "Why?" and only then will you be said to be souls who are unshakeable and immovable.

Slogan: Have good wishes and pure feelings in your attitude and the pure *vibrations* will continue to spread.
