

Essence: Sweet children, at this time you are receiving instructions from the Incorporeal One. Prove that the Gita is the scripture based on the instructions of the Incorporeal One, not the corporeal one.

Question: Which deep aspect can only *first-class* children explain very tactfully?

Answer: That it is this Brahma who becomes Shri Krishna. Brahma is called Prajapita, (the Father of the People). Krishna cannot be called this. Incorporeal God created Brahmins through the mouth of Brahma. Shri Krishna was a small child. The God of the Gita is the Incorporeal Supreme Soul. The Krishna soul made effort and claimed that status. Only *first-class* children can explain this deep aspect tactfully. Apply the force of 20 nails and prove this because only then will there be success in *service*.

Song: Who has come wearing ankle-bells to the door of my mind.

Om shanti. You children heard that these eyes cannot recognise Him. Who? God. These eyes can recognise Shri Krishna, but they cannot recognise God. Only the soul can know the Supreme Soul. The soul accepts that our Supreme Father, the Supreme Soul, is incorporeal. Because He is incorporeal and one cannot see Him with these eyes, that remembrance doesn't stay. The incorporeal Father says this to the incorporeal children, the souls. You are receiving instructions from the Incorporeal One. The Gita scripture is instruction from the Incorporeal One. It is not instruction from the corporeal one. The Gita is a religious scripture. Those of Islam also have their religious scripture. Abraham spoke something, Christ spoke something, Buddha spoke something. There are images of all of those. For the Gita, which is the jewel of all scriptures, people have kept the image of Shri Krishna. However, the Father explains: That is *wrong*. I spoke the Gita. I taught you Raja Yoga and established heaven. I am the Incorporeal Supreme Father, the Supreme Soul. I am the Father of all of you souls, the Seed of the human world tree. I am called the Seed of the Tree. Shri Krishna cannot be called the Seed of the Tree. I am the Supreme Father, the Supreme Soul, the Seed of the human world tree and the *Creator*. Krishna cannot be called the *creator*. He is only a human being with divine virtues. People are confused because they have said that Krishna is God. God is only one. Krishna cannot be called the Supreme Soul of everyone. The Father says: I come after 5000 years at the confluence of the cycle. I am the Father of the whole world. I am called *God*, the *Father*. By mentioning Krishna's name, they cannot know the Supreme Father, the Supreme Soul. This is a big mistake they have made. I established the original eternal religion through the Gita. I am called Shiva or Rudra, God. A subtle deity or human being can't be called God. Neither Lakshmi nor Narayan etc. can be called God. It is said that God is only One. There are the versions of God and God must therefore have definitely come and taught Raja Yoga. The Father says: I also told you children this in the previous cycle. Krishna cannot say, "Child, child". Only the Supreme Father, the Supreme Soul, says "Child" to everyone. I also told you children in the previous cycle to become soul conscious and to consider, Me, the Incorporeal One, to be your Father, God. The corporeal father is Prajapita Brahma because it is through Brahma that God creates Brahmins. Shri Krishna is not Prajapita (Father of the people). God says: I create Brahmins through the mouth of Brahma. Krishna cannot say this. Brahma is old whereas Krishna is a small child. Brahma then becomes Krishna. These are such deep aspects. These things need to be explained tactfully. Only *first-class* children can explain these things. The Father says: A very good son or daughter should prove that the God of the Gita is the Incorporeal Supreme Soul. The One who created the Gita taught you children Raja Yoga and established heaven. Surely, only the highest-on-high Father would teach Raja Yoga. Shri Krishna received the reward. It is the Supreme Father, Supreme Soul who gives the reward. Krishna is His child. Krishna's soul made effort and attained the reward. They have falsified the Gita by removing the name of the One who inspired you to make effort and inserting the name of the one who received the reward by making effort. By the one Gita being made false, everything has become false. This is why it is said: Maya is false, the body is false and the whole world is false. You children need to apply the force of 20 nails in order to increase service. Who spoke the Gita? Who established which religion through the Gita? By explaining these things, you can gain victory very well. You become the masters of the world through the Supreme Father, the Supreme Soul, not through Krishna. You have to make effort for this. All the scriptures are the children of the Gita. One

cannot receive an inheritance from children. It is definitely only the Father who would give an inheritance. An inheritance cannot be received from maternal or paternal uncles or gurus etc. Only from the unlimited Father is the unlimited inheritance received. Write this explanation so clearly that people can understand that the Gita has been falsified. The Gita has been *defamed* and this is why Bharat has become poverty-stricken. It has become worth a shell. Write such explanations. Who makes Bharat into heaven? Where is heaven? After the iron age there will be the golden age. Therefore, that would surely be established at the confluence age. God Shiva speaks: I come every cycle at the confluence age to create the pure world. Prove this so that people understand that only God Shiva, and not Shri Krishna, can liberate everyone from sorrow. Those who understand who the God of the Gita is will come and offer flowers. Not everyone will offer flowers. Those who have understood this will themselves become flowers and surrender themselves. When someone offers Baba a flower, Baba says: I want children who are like these flowers. If thorns surrender themselves to Me, I will make them into flowers. I am also called Babulnath, (the Lord who changes thorns into flowers). I am called the Lord who changes the thorns of a Babul tree into flowers. Shri Krishna himself is a flower. That is the *Garden of Allah* and this is the *forest of devils*. The Father makes it into a *deity garden*. Only you become the masters of the new world. The *deity dynasty* is said to be of Lakshmi and Narayan. It is not called the *dynasty* of the Brahmin clan. This is the Brahmin clan. The Supreme Father, the Supreme Soul, created people and this is why this one is called Prajapita. Neither Shiv Baba nor Shri Krishna can be called Prajapita. They have accused Krishna of having 16,108 queens. It was Prajapita Brahma who created so many sons and daughters. Only the one Supreme Father, the Supreme Soul, is the Ocean of Knowledge. It is Dharamraj who gives punishment for sins committed. The Highest *Judge* asks the *President* to take an oath. A king is never asked to take an oath because God made him a king. That is for a temporary period. Here, the Father gives you your fortune of the kingdom for 21 births. There is no question of taking an oath there. This is the human world tree, not a wild tree. The Supreme Father, the Supreme Soul, is called the Seed of the Tree. Krishna cannot tell you the secrets of the tree. Only the Seed of the Tree can explain this. Only the Father, not Krishna, would make an ordinary man into Narayan. There are four main religious scriptures and all the rest are tall stories. Which was the first religion that was established and who established it? There was the deity religion in heaven and so the Father must surely have established that. The Father *liberates* you from the old world. Because there is a lot of sorrow, people cry out in distress. If you want to claim your inheritance of heaven from the Father, do that now. An ordinary man cannot give this inheritance. It is only the Father who enables you children to have all attainments. Only the unlimited Father makes you into the masters of heaven. You have to offer such *temptations*. When hunters enable someone to kill an animal, they make all the preparations to bring the prey in front of him and enable him to kill it. Here, it is the mothers who have to hunt. The Father says: Bring the prey in front of the mothers. There are many mothers. Only the one name is glorified. You are the Shakti Army. It is not called the Shakti *dynasty*. The head of the Shakti Army is Jagadamba, Kali, Saraswati. However, they have also given many wrong names such as Chandika (the cremator goddess). You children have to make it *clear* that the Highest on High is God and that there are then Brahma, Vishnu and Shankar. Saraswati is the daughter of Prajapita Brahma. She is called the *goddess of knowledge*. Therefore, her children would also surely be called *goddesses of knowledge*. At the end you will be victorious. Some people give a lot of respect to the Vedas, not the Gita. Nevertheless, the Gita is taught a lot more. The Father says: I come at the confluence age. The picture of Krishna is that of the golden age. Then his form continues to change through 84 births. He can only become an enlightened soul when the Supreme Father, the Supreme Soul, comes and gives knowledge of the soul. The Supreme Father, the Supreme Soul, is the Ocean of Knowledge. You become enlightened souls through Him. All the rest are devotee souls. The Father says: I love the enlightened souls. All the praise is of the Gita. Those who are enlightened are more elevated than those who go into trance. Dhyana is called *trance*. Here, you have to have yoga with the Father. There is no benefit in going into trance. The Father says: I taught you Raja Yoga. I gave this reward to Krishna. He must definitely have made effort in his previous birth. The whole sun-dynasty kingdom received the reward from Me. Write about the *contrast* of the Dilwala Temple in such a way that the

arrow strikes people as soon as they read it. Also get them to fill in the *form* of how the unlimited Father is the Ocean of Knowledge. He is very sweet and He teaches us Raja Yoga. There is extreme darkness without that Satguru. By praising the Father in this way, your intellect will develop *love*. The Father comes personally in front of you and gives you birth for only then is there *love* for Him. It is because He has given you birth that you *love* Him. As soon as you say "Father" you remember heaven. Baba establishes heaven. We are claiming our inheritance from Him, whether you believe this or not. The unlimited Father is the Father of all, and so we will definitely receive our inheritance of heaven from Him. You cannot receive an inheritance from Krishna. The Father is the Creator of the new world, and so He would definitely give the inheritance of the new world. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and good morning from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. In order to be loved by the Father, imbibe knowledge in your intellect and become an enlightened soul. Have yoga with the Father. Don't have any desires to go into trance.
2. Keep the mothers in front and increase respect for them. Prove who the God of the Gita is with *authority*. Increase *service* by applying the force of 20 nails.

Blessing:

May you be seated on the throne and claim the throne of the kingdom of the world, numberwise, by *following the father*.

Just as the father put the children ahead and considered himself to be the *backbone*, *follow the father* in the same way,. The more you *follow* the father here, the more you will claim a right to be seated on the throne of the kingdom of the world, numberwise. The more you constantly eat, drink, stay, play and study with the father at this time, the more you will remain with him there. The children who have the awareness of closeness will *naturally* have that intoxication and faith. So, constantly experience in your heart that you have become the father's companions many times, that you are that now and that you will continue to become that many times.

Slogan:

Only those who receive the fruit and power of service become powerful.

*** OM SHANTI ***
