

# Second International Conference on Appreciative Inquiry:

“Creating Extraordinary Organizations for  
Business and Society”

## DON'T MISS THE PREMIER LEARNING EVENT OF THE YEAR!!

Appreciative Inquiry Consulting LLC is committed to making Appreciative Inquiry accessible to people around the globe. We are pleased to invite you to the **ONLINE version** of our Second International Conference, where you can participate both in real time **AND** on your own time before, during and after the Miami conference. Designed to integrate with the live conference, the online and face-to-face conferences will be held concurrently and the online doors will remain open after the Miami conference is over.

### Your experience will include:

- ☐ Live chats with on-line hosts, participants and presenters
- ☐ On-demand video and audio streaming of the key plenary sessions (Discovery, Dream, Design, Destiny)
- ☐ On-demand streaming Application Roundtable sessions telling stories of AI in real-world situations
- ☐ Threaded discussions to contribute your perspective on a variety of topics and themes that correspond to the Miami conference agenda and those that emerge from the online dialogue
- ☐ Digital photo galleries of Miami conference events...and the opportunity to share your own photos and drawings
- ☐ Live weblogs from on-site reporters...including the ability for you to share perspectives and ask questions
- ☐ Access to the conference environment for two months—one month prior to the face-to-face event and one month after so you can take full advantage of all the online conference has to offer

See an Unbelievable Lineup of speakers sharing stories of real-business applications—both successes and challenges—as well as the latest leading-edge-developments in the field of Appreciative Inquiry:

- **Bob Stiller**, CEO of Green Mountain Coffee Roasters
- **Sister Jayanti Kirpalani**, European director of the Brahma Kumaris World Spiritual University
- **Rick Pellett**, President and General Manager, and **Julie Meiresonne**, Director of Customer Relations of Hunter-Douglas Window Fashions
- **Bob Stull**, President, and **Cindy Frick**, Vice President of Organizational Development and Human Resources, of Roadway Express
- **Joep de Jong**, Director of BT Syntegra's Learning Solutions Division
- **David Cooperrider**, **Diana Whitney**, **Jim Ludema**, **Amanda Trosten-Bloom**, **Charlotte Dalsgaard**, **Judy Rodgers**, **Tony Silbert**, **Bernard Mohr**, **Adrian McLean**, and **Frank Barrett**

So if you just can't make it to Miami, please consider participating in the online AI conference that is happening simultaneously. This fantastic option has been specifically created for students, educators, international friends, and colleagues with schedules that will keep you from attending the conference. You now have another **incredible opportunity** to be a part of the conference, learn, and network using the latest innovative technology!
